

## STROKE PLAY (Rule 3.3b(1) and (2))

Rule 3.3b **Scoring in Stroke Play** reads in part: After each hole during the *round*, the *marker* should confirm with the player the number of strokes on that hole (including strokes made and penalty strokes) and enter that gross score on the *scorecard*. When the round has ended:

- The *marker* must certify the hole scores on the *scorecard*.
- If the player had more than one *marker*, each *marker* must certify the scores for those holes where they were the *marker*, **but** if one of the *markers* saw the player play all of the holes, that *marker* may certify the scores for all the holes.

During the *round*, the player should keep track of their scores for each hole. When the *round* has ended, the player:

- Should carefully check the hole scores entered by the *marker* and raise any issues with the *Committee*,
- Must make sure that the *marker* certifies the hole scores on the *scorecard*,
- Must not change a hole score entered by the *marker* **except** with the *marker's* agreement or the *Committee's* approval (but neither the player nor the *marker* is required to make any extra certification of the changed score), and
- Must certify the hole scores on the *scorecard* and promptly return it to the *Committee*, after which the player must not change the *scorecard*.

If the player breaches any of these requirements in Rule 3.3b, the player is **disqualified**.
