PRESIDENTS CUP HISTORY | HISTOIRE DE LA COUPE DES PRÉSIDENTS

The 15th Presidents Cup will be contested at The Royal Montreal Golf Club in Montreal, Quebec, Canada bringing the biennial event back to Canada for the first time since 2007. Both captains will make their debuts, with Jim Furyk set to lead the U.S. Team and Mike Weir leading the International Team in their attempt to regain the Cup.

1994 – The 1994 Presidents Cup was the first in the event’s illustrious history. Robert Trent Jones Golf Club in Prince William County, Virginia, USA, welcomed the 38th President of the United States, Gerald R. Ford, as Honorary Chairman, and World Golf Hall of Fame members Hale Irwin (United States Team) and David Graham (International Team) as team captains. The U.S. Team was the first to etch its name onto the Cup after winning the inaugural event, 20-12.

1996 – The 1996 Presidents Cup reigned as the closest score – aside from 2003’s tie – until 2015. With Arnold Palmer at the helm, the United States Team edged Peter Thomson’s International Team 16.5-15.5 at the Robert Trent Jones Golf Club in Prince William County, Virginia, USA. The Honorary Chairman for the event was the 41st President of the United States George H.W. Bush.

1998 – The 1998 Presidents Cup was one of victory for the International Team under the direction of Peter Thomson. For the first time in the event’s history, the Internationals defeated the United States Team and Jack Nicklaus, who was serving as captain for the first of four terms, 20.5-11.5 in the second-largest margin of victory in the Cup’s history. The Royal Melbourne Golf Club in Melbourne, Victoria, Australia, hosted the event for the first time, and Prime Minister of Australia John Howard was appointed the Honorary Chairman.

2000 – The 2000 Presidents Cup was the end of an era for the International Team as they followed the leadership of three-time captain Peter Thomson for the final time. Ken Venturi led the U.S. Team in the event held at Robert Trent Jones Golf Club in Prince William County, Virginia, USA. The 42nd President of the United States, William Jefferson Clinton, acted as the Honorary Chairman for the event, which crowned the U.S. Team victors in decisive fashion, 21.5-10.5.

2003 – The 2003 Presidents Cup ventured to George, South Africa, for the first time, fittingly, as the nation is home to Gary Player, who led the International Team for the first time in a contest against Jack Nicklaus’ United States Team. The host venue, The Links at Fancourt Hotel and Country Club Estate, witnessed the first tie in Presidents Cup history, and the Republic of South Africa President Thabo Mbeki served as the Honorary Chairman.

2005 – The 2005 Presidents Cup crowned a Jack Nicklaus-led United States Team champions with an 18.5-15.5 decision over a Gary Player-led International Team. Robert Trent Jones Golf Club in Prince William County, Virginia, USA, hosted the event for the fourth time in the competition’s history and the 43rd President of the United States, George W. Bush, acted as the Honorary Chairman.

2007 – The 2007 Presidents Cup marked the third and final time legendary captains Jack Nicklaus and Gary Player would lead the U.S. and International Teams, respectively. The Prime Minister of Canada Stephen Harper served as the Honorary Chairman for the event held in Montreal, Quebec, Canada, at The Royal Montreal Golf Club. In the end, the United States would retain the Cup after a 19.5-14.5 score, but Canadian hero Mike Weir sent his local supporters home happy with a 1-up Singles victory over Tiger Woods.

2009 – The 2009 Presidents Cup showcased a U.S. Team led by Fred Couples defeating the International Team captained by Greg Norman, with Tiger Woods having one of the most memorable appearances in tournament history with a 5-0-0 record and leading the U.S. Team to victory by a margin of 19.5-14.5. The Cup was contested at TPC Harding Park in San Francisco, California, USA and welcomed the 44th President of the United States, Barack Obama as the Honorary Chairman.

2011 – In 2011, the Presidents Cup descended upon The Royal Melbourne Golf Club in Melbourne, Victoria, Australia, for the second time in the event’s history, offering a 2009 rematch of the U.S. Team’s Captain Fred Couples against an International Team once again led by Greg Norman. Ultimately, the U.S. Team retained the Cup with a wire-to-wire 19-15 decision with Jim Furyk delivering a perfect 5-0-0 record to solidify the finish. Prime Minister of Australia, Julia Gillard, served as Honorary Chairwoman, marking the first time in event history a woman held the role.

2013 – The 2013 Presidents Cup welcomed the 44th President of the United States Barack Obama as Honorary Chairman of the event for a second time, the only world leader to hold that distinction more than once. The event teed off at Muirfield Village Golf Club in Dublin, Columbus, Ohio, USA. Fred Couples and Nick Price assumed captains’ duties for the U.S. Team and the International Team, respectively. In the end, it was the U.S. Team’s Cup to keep after a decisive 18.5-15.5 victory, with Tiger Woods earning the deciding point for the United States for the third consecutive time.

PRESIDENTS CUP HISTORY | HISTOIRE DE LA COUPE DES PRÉSIDENTS

2015 – The 2015 Presidents Cup was contested in Songdo, IBD, Incheon City, South Korea, at Jack Nicklaus Golf Club Korea, marking the event's first trip to South Korea. The U.S. Team was led by Jay Haas and at the helm of the International Team was two-time captain Nick Price. The U.S. Team clinched the final point on the final hole to win 15.5-14.5. The Honorary Chairwoman of the event was Korean President Park Guen-hye.

2017 – For the first time in the event's history, three former United States presidents – George W. Bush, Bill Clinton and Barack Obama – and the current U.S. President and Honorary Chairman, Donald Trump, were on site for the 2017 Presidents Cup, held at Liberty National Golf Club in Jersey City, New Jersey, USA. The International Team welcomed Captain Nick Price back for a third term, while the U.S. Team was led by Steve Stricker. Following the four-day competition on the banks of the Hudson River, the U.S. Team delivered a decisive victory by a 19-11 margin.

2019 – The magic in Melbourne inspired what could be considered as the most exciting Presidents Cup in history at The Royal Melbourne Golf Club in Melbourne, Victoria, Australia. In a historic effort, Captain Ernie Els led the Internationals to the lead after round one by a 4-1 margin. After fighting back through the next three sessions, the Tiger Woods-led United States Team edged the Internationals in a dramatic Sunday Singles comeback, winning eight of the 12 available points to retain the Cup. The Honorary Chairman of the event was Prime Minister of Australia, Scott Morrison.

2022 – The U.S. Team won the 14th Presidents Cup, defeating the International Team by a 17.5-12.5 margin at Quail Hollow Club in Charlotte, North Carolina, USA. The Americans improved to 12-1-1 all-time in the biennial competition, remaining undefeated on home soil at 8-0-0. Entering Sunday Singles with an 11-7 advantage over the International Team, Captain Davis Love III's squad weathered an early opposing surge with consistent play across the board in front of the event's largest crowd in history. The 46th President of the United States, Joe Biden, was the Honorary Chairman.

PRESIDENTS CUP HISTORY | HISTOIRE DE LA COUPE DES PRÉSIDENTS

La 15e Coupe des Présidents se déroulera au Club de golf Royal Montréal à Montréal, au Québec. L'événement biennal sera de retour au Canada pour la première fois depuis 2007. Les capitaines Jim Furyk, à la tête de l'équipe américaine, et Mike Weir, qui mènera l'équipe internationale, en seront à leur première tentative de regagner la Coupe.

1994 – La Coupe des Présidents de 1994 a été la première de l'illustre histoire de cet événement. Le Robert Trent Jones Golf Club, situé dans le comté de Prince William, en Virginie, aux États-Unis, a accueilli le 38e président des États-Unis, Gerald R. Ford, en tant que président honoraire, ainsi que les membres du World Golf Hall of Fame (Temple de la renommée du golf mondial), Hale Irwin (équipe des États-Unis) et David Graham (équipe internationale), en tant que capitaines d'équipe. L'équipe des États-Unis a été la première à inscrire son nom sur la coupe après avoir remporté l'événement inaugural, 20-12.

1996 – La Coupe des Présidents de 1996 a été la plus chaudement disputée - à l'exception de l'égalité de 2003 - jusqu'en 2015. Sous la direction d'Arnold Palmer, l'équipe des États-Unis a devancé l'équipe internationale de Peter Thomson 16,5-15,5 au Robert Trent Jones Golf Club, dans le comté de Prince William, en Virginie, aux États-Unis. Le président honoraire de l'événement était le 41e président des États-Unis, George H.W. Bush.

1998 – La Coupe des Présidents de 1998 a été marquée par la victoire de l'équipe internationale sous la direction de Peter Thomson. Pour la première fois dans l'histoire de l'événement, les joueurs internationaux ont battu l'équipe des États-Unis et Jack Nicklaus, qui agissait en tant que capitaine pour le premier de quatre mandats, avec un score de 20,5 à 11,5, soit la deuxième marge de victoire en importance dans l'histoire de la coupe. Le Royal Melbourne Golf Club à Melbourne, dans le comté de Victoria, en Australie, accueillait l'événement pour la première fois, et le Premier ministre australien John Howard a été nommé président honoraire.

2000 – La Coupe des présidents de 2000 a marqué la fin d'une époque pour l'équipe internationale, qui a été dirigée pour la dernière fois par Peter Thomson, trois fois capitaine de la formation. Ken Venturi a dirigé l'équipe des États-Unis lors de l'événement qui s'est tenu au Robert Trent Jones Golf Club, dans le comté de Prince William, en Virginie, aux États-Unis. Le 42e président des États-Unis, William Jefferson Clinton, a agi en tant que président honoraire de l'événement, qui a couronné l'équipe des États-Unis de manière décisive, avec un score de 21,5 à 10,5

2003 – La Coupe des Présidents de 2003 s'est tenue pour la première fois à George, en Afrique du Sud, pays natal de Gary Player. Ce dernier dirigeait l'équipe internationale pour la première fois dans un affrontement contre l'équipe des États-Unis de Jack Nicklaus. Le lieu hôte, The Links at Fancourt Hotel and Country Club Estate, a été le théâtre de la première égalité dans l'histoire de la Coupe des Présidents. Le président de la République d'Afrique du Sud, Thabo Mbeki, agissait en tant que président honoraire.

2005 – La Coupe des Présidents de 2005 a couronné l'équipe des États-Unis dirigée par Jack Nicklaus, qui a remporté une victoire de 18,5 à 15,5 contre l'équipe internationale dirigée par Gary Player. Le Robert Trent Jones Golf Club, dans le comté de Prince William, en Virginie, aux États-Unis, accueillait l'événement pour la quatrième fois dans l'histoire de la compétition. Le 43e président des États-Unis, George W. Bush, en était le président honoraire.

2007 – La Coupe des Présidents de 2007 fut la troisième et dernière fois où les capitaines légendaires Jack Nicklaus et Gary Player ont dirigé respectivement les équipes des États-Unis et internationale. Le Premier ministre du Canada, Stephen Harper, était le président honoraire de l'événement qui s'est tenu à Montréal, dans la province de Québec, au Canada, au Club de golf Royal Montréal. Au terme de la compétition, les États-Unis ont conservé la coupe avec un score de 19,5 à 14,5.

2009 – La Coupe des Présidents de 2009 a vu l'équipe des États-Unis dirigée par Fred Couples l'emporter sur l'équipe internationale de Greg Norman. Tiger Woods a réalisé l'une des performances les plus mémorables de l'histoire du tournoi avec un record de 5-0-0, menant l'équipe des États-Unis à la victoire avec une marge de 19,5 à 14,5. La coupe s'est disputée au TPC Harding Park à San Francisco, en Californie, sous la présidence honoraire du 44e président des États-Unis, Barack Obama.

2011 – En 2011, La Coupe des Présidents s'est déroulée pour la deuxième fois de son histoire au Royal Melbourne Golf Club à Melbourne, dans le comté de Victoria, en Australie. Cet événement constituait en quelque sorte une reprise de l'événement de 2009 entre l'équipe des États-Unis, dirigée par le capitaine Fred Couples, et l'équipe internationale, menée une fois de plus par Greg Norman. Finalement, l'équipe des États-Unis a conservé la coupe avec une victoire de bout en bout, 19-15, alors que Jim Furyk réalisa une performance parfaite de 5-0-0 pour consolider la victoire. La Première ministre d'Australie, Julia Gillard, fut la première femme de l'histoire de l'événement à en assurer la présidence honoraire.

2013 – La Coupe des Présidents de 2013 s'est déroulée pour la deuxième fois sous la présidence honoraire du 44^e président des États-Unis, Barack Obama, faisant de lui le seul dirigeant mondial à détenir cette distinction plus d'une fois. L'événement s'est déroulé au Muirfield Village Golf Club à Dublin, une banlieue de Columbus, en Ohio, aux États-Unis. Fred Couples et Nick Price ont assumé les fonctions de capitaines pour l'équipe des États-Unis et l'équipe internationale, respectivement. L'équipe des États-Unis a conservé la coupe après une victoire décisive de 18,5 à 15,5.

2015 – La Coupe des Présidents de 2015 a eu lieu à Songdo, IBD, Incheon City, en Corée du Sud, au Jack Nicklaus Golf Club Korea. L'équipe des États-Unis était dirigée par Jay Haas, tandis que l'équipe internationale était menée par Nick Price, capitaine à deux reprises. L'équipe des États-Unis a remporté le point final au dernier trou pour signer une victoire de 15,5 à 14,5. La présidente coréenne Park Geun-Hye agissait à titre de présidente honoraire de l'événement.

2017 – Pour la première fois dans l'histoire de l'événement, trois anciens présidents des États-Unis et le président en exercice étaient présents sur place pour la Coupe des Présidents de 2017, tenue au Liberty National Golf Club à Jersey City, au New Jersey. L'équipe internationale était pilotée par le capitaine Nick Price pour un troisième mandat, tandis que l'équipe des États-Unis était dirigée par Steve Stricker. À l'issue de la compétition de quatre jours sur les rives de la rivière Hudson, l'équipe des États-Unis a remporté la victoire avec une marge de 19 à 11.

2019 – La magie de Melbourne a inspiré ce qui pourrait être considéré comme la Coupe des Présidents la plus excitante de l'histoire, au Royal Melbourne Golf Club à Melbourne, dans le comté de Victoria, en Australie. Dans un effort historique, l'équipe internationale dirigée par le capitaine Ernie Els a pris une forte avance dès le premier jour. Après avoir lutté pendant trois sessions, l'équipe des États-Unis dirigée par le capitaine Tiger Woods a coiffé les internationaux au terme d'un retour spectaculaire lors des matchs en individuels disputés le dimanche.

2022 – L'équipe des États-Unis a remporté la 14^e Coupe des Présidents, battant l'équipe internationale par une marge de 17,5 à 12,5 au Quail Hollow Club de Charlotte, en Caroline du Nord. Les Américains ont amélioré leur record historique à 12-1-1 dans cette compétition biennale, demeurant invaincus sur le sol national avec un score de 8-0-0. Amorçant les matchs individuels du dimanche avec une avance de 11-7 sur l'équipe internationale, l'équipe du capitaine Davis Love III a résisté à une poussée précoce des adversaires grâce à un jeu constant sur l'ensemble du parcours qui accueillait la plus grande foule de l'histoire de l'événement.

FORMAT:

Presidents Cup competition consists of 30 matches. Host Team Captain Weir chose to begin with Four-ball for Thursday's matches. The following segments will then alternate accordingly, with 12 Singles matches played Sunday:

Thursday: 5 Four-ball matches

Friday: 5 Foursomes matches

Saturday Morning: 4 Four-ball matches

Saturday Afternoon: 4 Foursomes matches

Sunday: 12 Singles matches

All matches are worth one point for a total of 30 points. There are no playoffs, with each side receiving a half point if a match is tied after 18 holes. In a change inspired by the events of the 2003 Presidents Cup, if the competition is deadlocked at the end of Singles play the competition will be deemed a tie and the teams will share the Presidents Cup.

FORMAT CHANGE:

In 2019, a minor format change was implemented, stating each player shall only be required to play a minimum of one match prior to the Sunday Singles matches. This was a change from previous years when players were required to compete in two matches prior to Singles matches.

IMPACT:

Since the inception of the Presidents Cup in 1994, more than \$56 million has been generated from event proceeds. Over the past 27 years, the Presidents Cup has impacted more than 465 charities in 18 countries worldwide.

TROPHY:

Created by Tiffany & Company, the Presidents Cup trophy weighs a total of 28 pounds. The trophy is spun by a spinner from five sterling silver circles into five different shapes. The spun components then are put together by a silversmith to create the Cup. The smith runs a roller die to create the beaded embellishment that goes around the Cup and the foot of the trophy. The oval logo is etched and applied to the Cup. Labor dedicated to creating the trophy totaled 80 hours. The entire trophy is vermeil in 24-carat gold, and the original trophy is housed at the PGA TOUR's Global Headquarters in Ponte Vedra Beach, Florida.

PRESIDENTS CUP FACT SHEET | FICHE D'INFORMATION SUR LA COUPE DES PRÉSIDENTS

FORMAT :

La compétition de la Coupe des Présidents se compose de 30 matchs. Le capitaine de l'équipe hôte, Mike Weir, a choisi de commencer avec le format Quatre balles pour les matchs de jeudi. Les segments suivants alterneront ensuite en conséquence, avec 12 matchs en format Individuel (en simple) joués le dimanche :

Jeudi : 5 matchs Quatre balles
Vendredi : 5 matchs en Quatuors
Samedi matin : 4 matchs Quatre balles

Samedi après-midi : 4 matchs en Quatuors
Dimanche : 12 matchs Individuels (simple)

Tous les matchs valent un point chacun, pour un total de 30 points. Il n'y a pas d'éliminatoires, chaque camp recevant un demi-point en cas d'égalité après 18 trous. En vertu d'un changement inspiré des événements de la Coupe des Présidents 2003, si la compétition n'a pas établi de vainqueur à la fin du jeu en format individuel, elle sera considérée comme un match nul et les équipes se partageront la Coupe des Présidents.

CHANGEMENT AU FORMAT :

En 2019, un changement mineur a été apporté au format, stipulant que chaque joueur doit disputer un minimum d'un match avant les matchs individuels du dimanche. Cela représente un changement par rapport aux années précédentes, où les joueurs étaient tenus de participer à deux matchs avant les matchs individuels.

IMPACT : Depuis la création de la Coupe des Présidents en 1994, l'événement a généré des recettes supérieures à 56 millions de dollars. Au cours des 27 dernières années, la Coupe des Présidents a bénéficié à plus de 465 œuvres caritatives dans 18 pays à travers le monde.

TROPHÉE :

Le trophée de la Coupe des Présidents, créé par la maison Tiffany & Company, pèse 28 livres. Il est constitué de cinq cercles d'argent sterling façonnés en cinq formes différentes par un artiste tourneur. Ces composantes sont ensuite assemblées par un orfèvre pour créer la coupe. Ce dernier utilise une matrice à rouleaux pour réaliser les embellissements perlés qui entourent la coupe et le pied du trophée. Le logo ovale est gravé et appliqué sur la coupe. La création du trophée nécessite 80 heures de travail. Le trophée entier est plaqué en vermeil avec de l'or 24 carats. Le trophée original est conservé au World Golf Hall of Fame à St. Augustine, en Floride.

Primed for his first captaincy, Weir has served as captain's assistant in three consecutive Presidents Cup, most recently under the leadership of Trevor Immelman in 2022. He was an assistant for Ernie Els in 2019, which saw the International Team build its biggest lead in Presidents Cup history before falling to a Tiger Woods-led U.S. Team, 16-14, at The Royal Melbourne Golf Club, in Melbourne, Australia. His first appearance dates back to 2017, serving for Nick Price at Liberty National Golf Club.

Weir, who was the first Canadian to ever compete in the Presidents Cup, has appeared in five Cups (2000, 2003, 2005, 2007, 2009). An eight-time PGA TOUR winner, he is 13-9-2 all-time at the Presidents Cup and one of six International Team members with 10 or more match wins in competition. In 2007, the Presidents Cup was staged in Canada for the first time, with Weir delivering a 3-1-1 record highlighted by a 1-up victory over Tiger Woods in Sunday Singles.

After turning professional in 1992, Weir won his first TOUR title at the 1999 Air Canada Championship with a two-stroke victory over Fred Funk, becoming the first Canadian to win on TOUR since Richard Zokol. He went on to win seven additional titles, including the 2003 Masters – one of three victories collected that season. The 54-year-old currently competes on PGA TOUR Champions, where he notched his first victory at the 2021 Insuperity Invitational.

Prêt pour sa première assignation à titre de capitaine, Mike Weir fut l'un des assistants du capitaine lors de trois Coupes des Présidents consécutives, la plus récente sous la direction de Trevor Immelman, en 2022. Il a été assistant d'Ernie Els en 2019, alors que l'équipe internationale avait constitué son plus important avantage dans l'histoire de la Coupes des Présidents avant de s'incliner face à l'équipe américaine dirigée par Tiger Woods, 16-14, au Royal Melbourne Golf Club, à Melbourne, en Australie. Sa première apparition remonte à 2017, alors qu'il a joué le rôle d'assistant auprès de Nick Price au Liberty National Golf Club.

Premier Canadien à participer à la Coupe des Présidents, Mike Weir a pris part à cinq éditions de cette compétition (2000, 2003, 2005, 2007, 2009). Vainqueur de huit tournois sur le circuit PGA TOUR, il affiche un bilan de 13-9-2 à la Coupe des Présidents et fait partie des six membres de l'équipe internationale ayant remporté 10 matchs ou plus en compétition. En 2007, la Coupe des Présidents s'est tenue pour la première fois au Canada, où Weir a réalisé un record de 3-1-1, couronné par une victoire par un coup contre Tiger Woods lors des simples du dimanche.

Après être devenu professionnel en 1992, Mike Weir a remporté son premier titre sur le Circuit PGA TOUR lors du Championnat Air Canada de 1999 en terminant avec deux coups d'avance sur Fred Funk. Il est ainsi devenu le premier Canadien à gagner sur le circuit PGA TOUR depuis Richard Zokol. Il a ensuite remporté sept autres titres, dont le Masters de 2003 – l'une des trois victoires qu'il a accumulées cette saison-là. Âgé de 54 ans, Mike Weir participe actuellement au circuit PGA TOUR Champions, où il a décroché sa première victoire lors de l'Insuperity Invitational en 2021.

Le Club de golf Royal Montréal, le plus ancien club en Amérique du Nord, accueille la Coupe des Présidents pour la deuxième fois.

No. 1

This hole is a slightly uphill dogleg to the left. The left side of the fairway is bunkered and a long carry at 320 yards. The green is kidney-shaped, narrowing at the front. The back left plateau of the green slopes away from incoming approach shots.

No. 2

This hole is a dogleg right, slightly downhill and can play as a drivable par 4. The green sits perpendicular to the fairway and has 2 dramatic spines that divide it into 3 distinct areas. A deep bunker guards the left side of the green, while the right side falls away sharply, demanding a very precise touch.

No. 3

This is a slight dogleg right hole. A well-placed drive still leaves the player with a demanding shot to the raised three-tiered green, which is protected by deep bunkers at the left and right front. The green falls away sharply at the back.

No. 4

This difficult hole is an uphill dogleg left with a very narrow tee shot landing area, protected on both sides by bunkers. The player is normally hitting into the prevailing wind. The green is kidney-shaped, narrow at the front and protected at the front left and right by bunkers.

No. 5

This is a very demanding par 3 that requires a very precise shot to another elevated kidney-shaped green. The pattern continues with the front portion of the green being very narrow. It is well protected by deep bunkers at the front left and right and has a pronounced spine through its left and center sections.

No. 6

This is the lone par 5 on the outward nine for the usual routing and one of only two on the Blue Course. There is the potential to hit the green in two, but the prevailing wind is generally into and/or slightly across the player's face. The hole is a dogleg right with a generous tee shot landing area that is bunkered on both sides. The green is large and angled to the fairway. It sits on a plateau with two very deep bunkers at the front and a series of bunkers along the back. The green is relatively flat, but has a demanding putting surface with a number of distinct areas.

No. 7

This is a deceptively short par 3. The player does not want to miss this small, well-bunkered green as they will be faced with a difficult shot from deep bunkers that protect both sides of this narrow green or be left with a challenging flop shot.

No. 8

This is a short, downwind hole with a dogleg left layout and a very generous landing area. This green departs from the kidney shape of most previous greens; it is round and much of the surface is not visible from the area that most players will be hitting their approach shots.

No. 9

This hole leads back to the clubhouse and is a slight dogleg left. The tee shot landing area is bunkered on the left side, requiring a 320-yard carry. The green is elevated, narrow at the front and guarded by deep bunkers on both sides. The green has a pronounced spine from the middle of the back to the center. If the approach shot is not in the same quadrant of the green as the pin, a birdie is highly unlikely.

No. 10

A large pond comes into play down the left side of this hole, starting at 160 yards out from the green and continuing all along from there. The right side of the hole is tree-lined from the tee to the green. The green is situated on a front-right to back-left axis with a waterfall style surface, featuring three separate areas that increase in height from the front to back plateaus.

No. 11

This is an uphill hole with a slight dogleg right. There is a bunker on the right side of the fairway requiring a carry of 260 yards. The right side is also treed from the tee to the green. A very strong fairway bunker turns the hole on the left side at 310 yards. This hole will play at least the full yardage, as the prevailing wind is into the face of the player and most drives will be hitting into a gradual slope. The green is narrow at the front, well-bunkered on both sides and has a spine from the back through the middle, making it essential for an approach shot to be in the same area as the pin.

No. 12

This par 5 plays slightly downhill and most often downwind. The landing area is generous and protected on the left side by a carry bunker at 280 yards, and on the right by a series of bunkers at 290 to 320 yards from the tee. The hole turns to left from the landing area. The fairway dips from this point, rising to a distinct plateau at the green. The hole is reachable in two, but is protected on the left side by step bunkers and has a strategic collection area on the right side. The green moves sharply from back to front and away from the collection area. Any pin location on the right side of the green will require a cautious approach.

No. 13

This downhill par 3 is backed by a stand of mature Sugar Maples. The green has three distinct plateaus with very demanding back pin positions. The front of the green is narrow and well bunkered on both sides.

No. 14

This hole has a large pond on the left side of the fairway which stretches from the green halfway back to the tee. The right side of the fairway has a mature Maple forest from tee to green. The fairway narrows in to a very tight landing area that is bunkered on the right side. Most players will lay up off the tee with a mid to long iron. The green is very narrow with three very distinct sections, with water a factor all along the left side. The front portion of the green is very small and bunkered on the right. This hole can be played from 300 yards, making it a drivable par 4.

No. 15

This hole also has water in play, as a large pond is located in front of and around the left side of the green as well as along the left side of the fairway. A driver may not be the choice off the tee as players will select a club to get them to the best angle for their approach shot to the green. The green is long and narrow with a pair of bunkers on the right side and a pot bunker on the back left between the green and the pond. The back pin placement will sit on a very small plateau and will only be attacked by the most confident players.

No. 16

The hole has a large pond all along the left side. Again, a driver may not be the choice off the tee as accuracy is essential, particularly at this point in the round. The second shot is played over water to an elevated green which is protected on the right side by an intimidating, 'monster' bunker with a collection area on the left.

No. 17

The tee shot is played over a pond that extends down the right side of the green and beyond. The prevailing wind will be a factor as it blows across this hole towards the pond. There is no room for error between this narrow green and the water. The green is bunkered on the left side and has a spine through the middle from back to front.

No. 18

This is a very strong hole that plays to the most challenging green on the Blue Course. Water is a factor off the tee and all down the left side. The tee shot landing area is narrow and bunkered on the right. Only the longest of hitters could consider driving the pond, and only with a favorable wind. The green is elevated with a front left to back right configuration. The back plateau of the green is small and relatively flat; however, the front portion of the green has a steep slope forward which is defended by an imposing bunker. There is no room for error with the approach shot to this green.

Trou 1

Ce trou à normale 4 qui présente un dénivelé ascendant est légèrement coudé vers la gauche. Des fosses de sable du côté gauche bordent l'allée à 320 verges. Ce vert de forme longitudinale est rétréci à l'avant, alors que le palier arrière gauche s'éloigne du centre, rendant le coup d'approche difficile.

Trou 2

Ce trou relativement court est coudé vers la droite et légèrement en descente. Les cogneurs puissants peuvent espérer atteindre le vert sur le coup de départ à la condition d'être précis. Le vert est perpendiculaire à l'allée où on retrouve deux escalades, qui contribuent à former trois zones distinctes. Une fosse profonde protège le côté gauche du vert, tandis que le côté droit qui chute brusquement requiert un coup de précision.

Trou 3

Ce trou légèrement coudé vers la droite nécessite un coup de départ stratégiquement placé, car il faut compter sur un deuxième coup bien dirigé pour atteindre un vert surélevé à trois paliers et protégé par de profondes fosses de sable de chaque côté. Le vert présente un dénivelé abrupt qui tombe brusquement vers l'arrière.

Trou 4

Ce trou coudé vers la gauche en pente ascendante est intimidant et requiert de la précision sur le coup de départ en raison de la zone cible très étroite et protégée des deux côtés par des fosses de sable. Le vent est généralement un facteur dominant sur ce trou. Le vert de forme longitudinale est étroit à l'avant et est protégé sur la gauche et la droite par des fosses de sable.

Trou 5

Une normale 3 qui exige dextérité et précision sur le coup de départ pour atteindre un vert lui aussi surélevé de forme longitudinale. À l'instar des verts précédents, la partie avant de celui-ci est très exigüe. De profondes fosses de sable de chaque côté protègent le vert divisé par une escalade prononcée du centre vers la gauche.

Trou 6

Seul trou à normale 5 sur le neuf d'aller, c'est un des deux seuls que l'on retrouve sur le parcours Bleu. Il est possible d'atteindre le vert en deux coups, mais il faut compter sur le vent dominant qui souffle généralement de front ou légèrement de côté qui complique l'approche. Ce trou coudé vers la droite présente une zone cible réceptive, mais le joueur devra se méfier des fosses de sable qui longent les deux côtés de l'allée. Le vert de bonne dimension, qui est incliné vers l'allée, est sur un palier légèrement surélevé et protégé par de profondes fosses de sable à l'avant de même qu'à l'arrière du vert. Le vert est relativement plat, mais nécessitera un roulé précis tout en douceur.

Trou 7

Cette normale 3 peut sembler facile en raison de la distance relativement courte, mais cela peut être aussi trompeur qu'un mirage dans le désert. Le golfeur doit à tout prix atteindre ce vert étroit bordé de nombreuses fosses de sable, sinon le coup suivant pourrait nécessiter un difficile coup d'approche lobé.

Trou 8

Une normale 4 relativement courte avec un vent favorable, ce trou coudé vers la gauche présente une zone cible généreuse. Le vert de forme allongée, à l'instar de plusieurs autres sur le parcours, est rond et une grande partie de la surface n'est pas visible de la zone où la majorité des joueurs frapperont leurs coups d'approche.

Trou 9

Ce trou qui mène au pavillon est légèrement coudé vers la gauche. Après un coup de départ à 320 verges dans l'allée longée de fosses de sable, le golfeur doit faire preuve de précision pour atteindre un vert étroit et protégé par des fosses de sable relativement creuses de chaque côté. Le vert présente une escalade prononcée du centre-arrière vers le milieu. Si le coup d'approche ne se loge pas dans la même portion du vert que le fanion, l'oiselet sera improbable.

Trou 10

Un étang de bonne dimension entre en jeu sur le côté gauche de ce trou, à partir de 160 verges en avant du vert. Le côté droit du trou est bordé d'arbres du tertre de départ jusqu'au vert. Le vert est situé sur un axe d'avant-droite à l'arrière-gauche, avec une surface en cascade présentant trois zones distinctes aux paliers ascendants vers l'arrière.

Trou 11

Un trou en montée qui présente une allée en coudée vers la droite. Un coup de départ de 260 verges ou plus dans les airs, est nécessaire pour éviter la fosse de sable du côté droit de l'allée qui est aussi bordée d'arbres jusqu'au vert. Une imposante fosse d'allée, à 310 verges du vert, amorce un crochet vers la gauche en direction du vert. Le vent dominant sur ce trou contribuera à limiter la distance obtenue sur le coup de départ. Étroit à l'avant, le vert, qui est bien protégé de chaque côté par des fosses de sable, présente une escalade de centre vers l'arrière, qui nécessitera un coup d'approche à proximité du fanion.

Trou 12

L'allée en pente et le vent dominant contribuent à rendre ce trou à normale 5 ardu. Généreuse et permissive, l'allée est toutefois protégée par une imposante fosse de sable à 280 verges du tertre de départ. Le long cogneur devra se méfier d'une série d'obstacles de sable positionnés entre 290 et 320 verges du tertre de départ. Le deuxième coup doit être négocié en frappant vers la gauche. À partir de cette distance, l'allée plonge avant le vert. Le trou est accessible en deux coups, mais les fosses de sable placées du côté gauche et une aire de récupération à droite rendent l'entrée au vert difficile. Le vert tombe brusquement de l'arrière vers l'avant, s'éloignant de la zone de récupération. L'emplacement du fanion sur le côté droit du vert nécessitera une approche prudente.

Trou 13

Bordé par une série d'érables à sucre matures, cette longue normale 3 présente un dénivelé décroissant qui s'ouvre sur un vert à trois paliers, avec un fanion difficile d'accès lorsqu'il est placé sur la partie arrière du vert. La partie avant du vert est étroite et est protégée par des fosses de sable aménagées de chaque côté.

Trou 14

Ce trou a un étang qui s'étend le long du côté gauche de l'allée jusqu'à l'arrière du vert. Le côté droit de l'allée est, quant à lui, bordé d'une forêt d'érables entre le tertre de départ et le vert. L'allée qui se rétrécit nécessitera un coup de départ précis puisque des fosses de sable sont également en jeu du côté droit. La plupart des joueurs opteront pour un positionnement stratégique en frappant un fer moyen ou long. Le vert très étroit comporte trois sections bien distinctes et l'eau du côté gauche est un facteur à ne pas négliger. La partie avant du vert est limitée et protégée par une fosse de sable sur la droite. Les joueurs de puissance peuvent atteindre le vert sur le coup de départ si les conditions leur sont favorables sur ce trou à normale 4.

Trou 15

L'eau est aussi en jeu sur ce trou. Il est bordé par un étang qui protège le vert à l'avant et du côté gauche, où il longe une partie de l'allée. La prudence incitera le joueur à délaisser le bois #1 sur le tertre de départ, optant plutôt pour un bâton qui leur permettra de se positionner stratégiquement pour attaquer le vert sur le second coup. De forme longitudinale et relativement étroite, le vert est protégé par deux trappes de sable aménagées du côté droit ainsi qu'une fosse creuse à l'arrière, entre le vert et l'étang. Le fanion placé sur un petit palier ne pourra être attaqué que par les joueurs possédant un haut niveau de confiance sur pareils coups.

Trou 16

Ce trou a est bordé d'un grand étang qui longe le côté gauche de l'allée. Une fois de plus, le joueur aura avantage à délaisser le bois #1 à la faveur d'un autre bâton, puisque la précision est essentielle, surtout à ce stade du parcours. Le deuxième coup doit franchir l'obstacle d'eau pour atteindre le vert surélevé protégé par une gigantesque et intimidante fosse de sable du côté droit et une aire de récupération sur la gauche.

Trou 17

Le coup de départ doit franchir l'étang qui s'étend le long du côté droit du vert et au-delà. Le vent dominant sera un facteur, car il souffle en travers du trou vers l'étang. Il n'y a pas de marge d'erreur possible entre ce vert étroit et l'eau. Le vert est protégé par des fosses de sable sur le côté gauche et présente une escalade de l'avant à l'arrière du vert.

Trou 18

L'un des tous les plus complexes du parcours Bleu. L'eau est en jeu sur toute la longueur du côté gauche de l'allée. Le coup de départ est crucial, car il doit tenir compte de l'étréitesse de l'allée et des fosses de sable sur la droite. Seuls les puissants cogneurs peuvent espérer se rendre jusqu'à l'étang, à la condition de profiter d'un vent favorable. Le vert surélevé présente une configuration penchant de gauche à droite. La pallier arrière du vert est restreint et relativement plat, toutefois la partie avant du vert est en pente prononcée en direction d'une imposante fosse de sable aménagée près du vert. Le joueur ne dispose d'aucune marge de manœuvre pour son coup d'approche.
