**Extended forecast** – Patchy areas of fog will be possible Friday morning. Otherwise, it will be a mostly sunny and warm day with highs in the mid-80s. Another trough of low-pressure is expected to approach the northwest coast this weekend with low clouds and patchy fog possible Saturday and Sunday mornings with cooler high temperatures in the 70s. A few showers will be possible Sunday night into Monday as the trough moves into California.

Forecast prepared by meteorologist Stewart Williams.
