Extended forecast – Showers and a few thunderstorms will be likely to start the day Saturday morning with a lull possible late morning before additional showers and thunderstorms develop ahead of the approaching cold front during the afternoon. Storms could be strong to severe in the afternoon with gusty winds and heavy rainfall. Drier conditions and cooler temperatures overspread the region Saturday night and continue Sunday into Monday with partly cloudy to mostly sunny skies and highs in the 70s.

Forecast prepared by meteorologist Stewart Williams.
