Outlook for the rest of the Championship

- **Rest of Saturday 20th** – An erratic band of rain moving in from the west bringing the chance of an extended period of heavier rain to develop during the day, timings remain uncertain, although likely to be during the afternoon. Rainfall (most likely): 10-15mm. Winds: S to SSE 5-8mph gusts 8-12mph at first, a chance of becoming variable 3-5mph at times during the afternoon before likely switching W or NW 5-8mph, gust 9-13mph in the evening. High: 17°C (63°F).
- **Sunday 21st** – High confidence for a drier, brighter day to finish the Championship. Still the chance for a few light showers, but good dry interludes are expected between any that do develop. Rainfall: 0mm, 30% up to 1mm. Winds: W to SW 7-10mph gusts 12-15mph, increasing W to SW 15-18mph gusts 22-25mph during the middle of the day. Likely easing SW 5-10mph gusts 10-15mph by late afternoon or early evening. High: 18°C (64°F).
