Extended forecast – Sunny, breezy and much colder conditions can be expected Friday with lows in the 40s and highs struggling to reach 60 degrees during the afternoon. It will continue to be breezy with gusts 25-30 mph making it feel more like the upper 30s to low 40s during the morning hours. Otherwise, sunny and cool conditions will continue through the weekend, however the breeze is expected to weaken Saturday and become light for Sunday. This will make it feel much warmer with highs returning to the upper 60s and into the low 70s Sunday and Monday.
