Winds (mph)	SW→WNW 10-15 G20	NW 14-18 G25	NW 15-20 G30	NW 10-15	WNW→S 4-8

Extended forecast – Scattered showers and isolated thunderstorms will be possible through early to mid-afternoon Wednesday before the cold front pushes through the area. Skies will clear late in the day with much cooler temperatures expected Thursday through the rest of the weekend. Despite sunny skies, temperatures will start each day in the 40s with highs only reaching the low to mid 60s. Breezy to windy conditions Thursday and Friday will make it feel much cooler as well.

Forecast prepared by meteorologist Stewart Williams.
