Additional Notes

- First two weeks of September exceeded 14" of rain (September 2023 had just 5" total).
- The nines are flipped for the tournament to provide better spectator views and finish.
- Course is 101 years old and borders a naval airbase, which is the birthplace of the Blue Angels.
- Course is scheduled for a bunker renovation in 2025.
- The 2022 renovation included green construction, grassing of greens, tees and fairways, improved drainage and irrigation, and native area expansion.

Since 1926 the Golf Course Superintendents Association of America (GCSAA) has been the top professional association for the men and women who manage golf courses in the United States and worldwide. From its headquarters in Lawrence, Kan., the association provides education, information and representation to 20,000 members in more than 78 countries. GCSAA's mission is to serve its members, advance their profession and improve communities through enjoyment, growth and vitality of the game of golf.
