Number of Holes Water is in Play: 4

Soil Conditions: Clay

Water Sources: James River

Drainage Conditions: Excellent

Turfgrass

Greens: 777 bentgrass .105"

Tees: Tifsport bermuda / Zeon zoysia .475"

Fairways: Tifsport bermudagrass .500"

Rough: Vamont bermudagrass 2.5"

Additional Notes

- All the bunkers were renovated this year under the direction of Andrew Green and went from 55 to 61 total bunkers. A new drainage system was installed, and new sand was added.
- Due to cooler weather the bermudagrass areas of the course have stopped growing.
- A rain event will take longer for the course to dry out due to the shorter days and lower sun angle.
- Christian Sain was a 2022 GCSAA Grassroots Ambassador Leadership Award winner for his efforts working with congress on behalf of the golf industry.

Since 1926 the Golf Course Superintendents Association of America (GCSAA) has been the top professional association for the men and women who manage golf courses in the United States and worldwide. From its headquarters in Lawrence, Kan., the association provides education, information and representation to 20,000 members in more than 78 countries. GCSAA's mission is to serve its members, advance their profession and improve communities through enjoyment, growth and vitality of the game of golf.
