0530 AM Update

Friday, 26 July 2024

Synopsis -

At 0530 AM, skies were clear and temperatures much cooler across the area at 11 C (51 F) with west winds blowing at 5 MPH making it feel even colder. Sunshine this morning followed by scattered clouds this afternoon with a slight chance for a few brief spotty showers between 2 PM - 5 PM today but generally we stay dry and mild. Saturday will feature another front passing through the area with a slight chance for isolated afternoon showers on Saturday but back to some sun for Sunday as high-pressure builds into the area from the SW. Winds today will blow from the west this morning and shift to WSW this afternoon and increase to 10 - 20 for a few hours in the late afternoon.
