6 AM Update

Saturday, 27 July 2024

Synopsis -

At 6 AM, high clouds blanket the area but these will break up this morning allowing some sunshine to peek through for most of today. A weak front will move in from the west by late this afternoon increasing our cloud cover and bringing us a chance for an isolated shower between 5 PM - 8 PM tonight. High-pressure builds into the area from the SW on Sunday bringing us plenty of sunshine and warm afternoon temperatures. Winds today will remain much lower than yesterday from the SW 8 - 12 MPH on for a few hours this afternoon.
