Extended forecast – Friday, dry conditions with partly cloudy skies. Winds will be generally light from south-southeast, with gusts to 15-18 mph at times late morning/afternoon. A ridge of high pressure will keep the weather pattern quiet Friday through Sunday with dry weather. Winds will be breezy at times over the weekend, generally peaking midday through the afternoons. Temperatures will be warmer than normal this week with lows in the mid to upper 60s and highs into the lower 80s.
