Overview

The Compliance Solutions Championship is held annually at The Patriot Golf Club in Owasso, Oklahoma. The tournament is one of four Korn Ferry Tour Finals events that help determine which players will earn PGA TOUR membership each season. The top 20 players in the season-long standings at the conclusion of the Finals – the 2025 Korn Ferry Tour Championship – will earn PGA TOUR membership for the 2026 season.

As of 2023 on the Korn Ferry Tour, there are no longer separate point standings for pre-Finals and Finals events, but rather a cumulative standings structure. A Finals event is no longer a competition for TOUR cards between the top 75 on the Korn Ferry Tour and Nos. 126-200 in the FedExCup standings. “Finals” now refers to the final four events of the season, where Korn Ferry Tour members compete for increased purses and points allocation.

The four Finals events – which includes the Compliance Solutions Championship – feature \$1.5 million purses and award 600 points to each winner. The 2025 Compliance Solutions Championship is the third of the four Finals events, featuring field of the top-120 players and ties from the points list. The fields for the Finals will be progressively reduced, starting with 156 players for event No. 1, 144 players for event No. 2 and finishing with 75 players in the final event. The preceding 22 events on the schedule will have a minimum purse of \$1 million – a 67% increase from 2021 to 2023 – and award 500 points to the winner.

The field for the Compliance Solutions Championship will compete in 72 holes of stroke play, with a cut to the top-65 players and ties after 36 holes. Golf Channel will broadcast tournament coverage from Thursday’s opening round to the trophy presentation on Sunday.

The Compliance Solutions Championship is proud to support our two primary beneficiaries, Folds of Honor and AutismOklahoma.

Folds of Honor

Folds of Honor is a 501(c) (3) nonprofit organization that provides educational scholarships to the spouses and children of fallen or disabled military and first responders. Our educational scholarships support private school tuition or tutoring in grades K-12, tuition for college, technical or trade school,

and post-graduate work, including a master's degree, doctorate, or professional program. Since its inception in 2007, Folds of Honor has awarded over 61,000 scholarships totaling about \$295 million in all 50 states. Among the students served, 45 percent are minorities. It is rated a four-star charity by Charity Navigator and Platinum on Candid. Folds of Honor was founded by Lt Col Dan Rooney, the only-ever F-16 fighter pilot (with three combat tours in Iraq) and PGA Professional. He is currently stationed at Headquarters Air Force Recruiting Service Detachment 1, at Joint Base San Antonio-Randolph, Texas. For more information or to donate in support of a Folds of Honor scholarship visit foldsofhonor.org.

The Patriot Golf Club

The land that would become the Clubhouse of The Patriot sits at the crest of a prominent bluff in Rogers County, Oklahoma, at an elevation of 716 feet above sea level. These scenic lands had been assembled over many decades, becoming known as Greenhill Farm, and eventually acquired by the Oxley family in 1972. In 2001, representatives of the Oxley Family began discussions with David Charney, Pete Kourtis and Greg Simmons of the Owasso Land Trust regarding their vision for the land. These discussions resulted in the commitment to develop and/or preserve more than 2,700 acres of the historic Greenhill Farm. The land was named Stone Canyon and became Oklahoma's largest planned unit development.

The Patriot Golf Club is the product of a chance meeting between Lt. Col Dan Rooney, founder of The Folds of Honor Foundation, and David Charney, Co-Developer of the Stone Canyon Development. Both men were late substitutes in a charity golf tournament and happened to be paired together. Both men dreamed large and loved golf. In 2009, The Oxley family's Greenhill Properties, LLC, together with Owasso Land Trust, donated land to Patriot Golf Course, LLC. Soon thereafter, Dan Rooney began calling potential members, giving tours - either by off-roading or by helicopter - on a patch of ground that would later become The Patriot. At the time, the brave Founding Members belonged more to a dream than a golf club.

The design of the course was entrusted to Robert Trent Jones, Jr. His team included Jay Blasi and Bruce Charlton. With over 100 years of combined design experience, they believed preserving the natural beauty of the land contributes to the pleasure of the golfing experience. By 2008, Jones Jr. had designed more than 245 courses on four continents. Under the direction of Bill Kubly, Landscapes Unlimited would be given the task of uncovering The Patriot's 19 holes. The Patriot's first superintendent, Jeremy Dobson, was also instrumental in the construction effort. Jeremy and his team worked tirelessly to help give birth to The Patriot. The talented group was responsible for the construction of the course and bringing Robert Trent Jones, Jr.'s vision to life. The Patriot was to be bold and test a player's skill and resolve. True to the natural contours of the

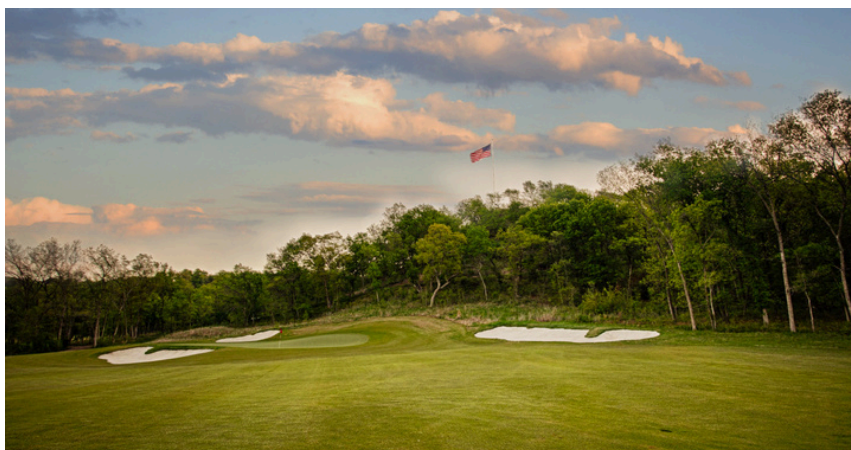

The Patriot Golf Club

land, golfers experience 7,158 yards of Oklahoma's lowland marshes, mature woodlands, upland prairies and dramatic limestone canyons.

The Patriot officially opened for business on May 19, 2010 and experienced modest growth in the years that followed. Soon, the membership began to outgrow the original clubhouse and The Patriot started dreaming bigger. With vision and resources, Managing Equity Partner Paul Sisemore willed The Patriot forward to undergo construction on a new world-class clubhouse. Our Equity Partners include David Bond, Sanjay Meshri, Dan Rooney, John Rooney, Tom Russell, Paul Sisemore, Eddy Gibbs, and Owasso Land Trust. In the Spring of 2016, a multi-phase expansion plan including a new Clubhouse, Pool, and Golf House, was presented to The Patriot Membership.

The Patriot aspires to provide a private retreat for local and national members who are passionate about the game, appreciate its history and traditions, and are drawn to the Club's unique setting and deep sense of Patriotism. The Patriot's focus is to create a family-oriented environment with social activities, unique member events and world-class golf. The Patriot combines lodging, pool, dining and other amenities to further enhance its distinctive environment.

Central to our mission is our desire to be a refuge from daily life, a place of tranquility that promotes reflection on that which is most important. This is best exemplified at 1300 hours, when activity stops at The Patriot to honor those who sacrifice on our behalf.
