Sunday Forecast – A breezy and warm day can be expected with temperatures warming into the mid to upper 80s ahead of a developing low-pressure system and cold front. A southwest wind will increase by mid-day to 10-15 gusting to 20 mph and eventually shifting west. There will be a slight chance for showers late day into the evening hours. But the higher the chances for showers and isolated thunderstorms will be after midnight.

Forecast prepared by meteorologist Stewart Williams.
