Today – Typhoon Halong is located 150 miles off the coast of Yokohama this morning. It's equivalent to a Category 4 Hurricane in the U.S. The heavy rain bands will remain just off the coastline with just a few light showers possible here in Yokohama. Winds will peak around noon with sustained winds at 20-25mph and peak gusts near 40mph. Winds will rapidly decrease this evening as the Typhoon departs.

Sunrise: 542am / Sunset: 515pm
