Temp (min/max)	Low: 74°F	High: 94°F	Low: 74°F	High: 93°F
Winds (mph)	S 10-15 G20-25	S → S/SE 15-20 G25-30	S 12-17 G20-25	S → S/SE 12-17 G20-25

Extended forecast – Dry conditions are anticipated on Saturday, with breezy to windy conditions forecast throughout the day with south to south-southeasterly winds sustained at 10-20 mph and gusting between 20-30 mph. Some showers and thunderstorms may become possible Sunday afternoon ahead of a cold front set to sweep through Sunday night. Breezy south to south-southeasterly winds will continue Sunday. Widespread rain and thunderstorms will occur overnight Sunday into early Monday. There may be a break in rain and storm activity for a portion of Monday morning before thunderstorms become numerous once more for the afternoon and evening hours. Heat indices will top out in the middle to upper 90s this weekend.

Forecast prepared by meteorologist Joe Halvorson.
