

Scottish Open Forecast

6 AM Update

Friday, 11 July 2025

Synopsis -

Winds will be light this morning with mostly sunny skies and temperatures warming to around 22C (72F). The afternoon sea breeze will develop and will become breezy this afternoon with clouds developing late. Winds will ease as temperatures cool this evening and skies will become mostly clear tonight. Areas of fog will develop after midnight and linger through 8am tomorrow then skies will become mostly sunny with temperatures reaching 23C(73F). Winds will increase from the east-northeast in the afternoon. In the evening areas of sea haar (fog) will move in from the sea and linger through the overnight. The haar will hang around through the morning on Sunday but will clear away by afternoon. Winds will remain breezy from the east-northeast with max temperatures around 22C (70F).
