**Extended forecast** – Hot and humid conditions will continue Friday and again Saturday with highs in the low 90s. The chances for showers and thunderstorms will increase late Saturday afternoon into the evening as a cold front approaches from the west. The front will slowly move through the state Sunday keeping the chance for showers and a few thunderstorms in the forecast into the afternoon. Drier conditions will return late afternoon and continue into Monday with cooler temperatures.

Forecast prepared by meteorologist Stewart Williams.
