**Today – Severe Thunderstorm Watch Until 12pm!** A line of strong to severe thunderstorms will weaken as it approaches the Charlotte area this morning. Showers and a few thunderstorms will be likely by 7am and will weaken further to scattered showers as they exit the area around 10AM. Once the precipitation exits, skies will be come partly cloudy this afternoon with highs warming into the mid-80s. A southwest breeze will increase and shift out of the west 14-18 gusting 25-28 mph as well.

**Sunrise: 6:16am / Sunset: 8:20pm**
