MEDICAL EXTENSION SUMMARY

If a player earns the points required to reach the top 125 threshold, he is eligible to play the remainder of the season out of the Major Medical category. If a player earns the points required to reach the top 150 threshold, but falls short of top 125, he is eligible to play the remainder of the season out of the 126-150 category, subject to reshuffle. If he does not reach either of these thresholds, he will fall back into the highest category for which he is eligible, or lose status.
