### Aon Next 10/Swing 5 Breakdown:

As the third week of the FedExCup Regular Season gets underway at The American Express, players will have their first opportunity to earn FedExCup points towards the Aon Swing 5, a new eligibility pathway with access to Signature Events. With the PGA TOUR Season returning to a calendar-year spanning January to August, each week has greater impact in the season-long race for the FedExCup as well as in-season stakes, with Full-Field Events holding additional consequence through the Aon Next 10 and Aon Swing 5.

The Aon Next 10 and Aon Swing 5 are eligibility pathways for players, not already qualified, to play their way into Signature Events via the FedExCup standings.

- Aon Next 10: Top 10 available players, not otherwise exempt, from FedExCup standings
- Aon Swing 5: Top five available players, not otherwise exempt, who have earned the most FedExCup points from the swings leading up to each Signature Event

The top five players not otherwise exempt who earn the most FedExCup points during the Sony Open in Hawaii, The American Express and Farmers Insurance Open will qualify for the AT&T Pebble Beach Pro-Am, while the top five players not otherwise exempt who earn the most FedExCup points during those three events and the WM Phoenix Open, will qualify for The Genesis Invitational. The Aon Next 10 for the AT&T Pebble Beach Pro-Am and The Genesis Invitational was determined through the FedExCup Fall standings.
