SCORING IN STROKE PLAY (Rule 3.3b)

- After each hole during the round, the marker should confirm with the player the number of strokes on that hole and enter that gross score on the scorecard.
- When the round has ended, the marker must certify the hole scores on the scorecard.
- The player should check the hole scores entered by the marker and raise any issues with the Committee. He must make sure the marker certifies the hole scores on the scorecard, certify the hole scores himself and promptly return it to the Committee.
- If the player had more than one marker, each marker must certify the scores for those holes where he or she was the marker, but if one of the markers saw the player play all of the holes, that marker may certify the scores for all the holes.
