

Headlines

- Plenty of dry and fine weather expected Sunday
- Just a small chance of rain or showers developing
- Light or gentle winds throughout

Summary

	Sunday 0600 to 1200	Sunday 1200 to 1800	Sunday 1800 to 2400	Monday 0000 to 0600
Overview	Often cloudy though a few brighter spells possible at times. Very small chance of the odd shower developing, possibly drizzly to begin with. Mainly dry	Variable cloud but some bright or sunny spells probable. Very likely staying dry, just a small chance of a shower or perhaps a slightly longer spell of rain occurring	Likely to turn cloudier through the evening. A chance of rain but probably remaining largely, if not completely dry until after sunset	Overcast. A few outbreaks of rain possible overnight with a very small chance of turning heavier and more persistent
