## Outlook for the rest of the Championship

- **Rest of Friday 18<sup>th</sup>** – Cloudy to start, some light drizzly showers possible, then turning brighter. Risk of showers developing, these could heavy at times, easing into the evening. Rainfall: 0-5 mm (10% 8-10 mm). Winds: Mainly S 3-8 gust 10-15 mph, becoming N or NW 3-5 mph by evening. High: 21°C (70°F).
- **Saturday 19<sup>th</sup>/Sunday 20<sup>th</sup>** – Low confidence in detail but expected to remain changeable with the potential for heavy showers or longer periods of rain. Longer spells of dry weather are likely at times, particularly for Saturday, with a greater chance of wetter conditions on Sunday. Winds are forecast to be mainly light or gentle, with a generally NE direction on Saturday, becoming generally N on Sunday.
