Temp (min/max)	61/78	60/74	56/72
Winds (mph)	WSW 10-15 G20	NW→NE 7-14	NE 10-15

Extended forecast – Partly cloudy skies and breezy conditions can be expected ahead of an approaching cold front. The front will push through the area Saturday night into early Sunday morning dry with only a slight chance of showers expected. Cooler and drier air will slowly overspread the region from the north Sunday into Monday with mostly sunny skies returning. Highs Sunday will reach the low to mid-70s with low 70s expected on Monday.

Forecast prepared by meteorologist Stewart Williams.
