**Extended Forecast** – Partly cloudy skies are expected overnight tonight through this weekend with mostly sunny skies returning by early next week. Some areas of fog will be possible before 10am on Sunday morning as the marine layer off the coast approaches the area. Overnight lows will be in the lower 50s with daytime highs in the upper 60s to lower 70s. Light and variable winds each morning will trend SSW to WSW with a few afternoon gusts up to 15 mph.

Forecast prepared by meteorologist Marcus Hustedde.
