

## **Angel Cabrera (Round 2)**

### **Great round today. What was going well for you?**

Thank you very much. I hit the driver very well today. I made some putts. Really happy all day.

### **Seeing your name on top of the leaderboard. How great does that feel?**

Very happy to be on the top of the leaderboard. It's my first time being on top of the PGA TOUR Champions leaderboard. I'm enjoying this.

### **Talk about that five-hole stretch you played in five under with the two eagles.**

I hit the ball very well on the back nine. That was the key of the round. Been hitting really, really straight with the driver. I hit two very good shots with my driver. Second shot on the first ball made eagle, and then I started rolling on the back nine.

### **Just how excited are you trying to win? It's been a while since you've won.**

I'm very happy to be in contention. I'm working really, really hard to be back in the winner's circle. I'm going to try really hard to do it tomorrow.
