

ANGEL CABRERA PRESS CONFERENCE (POST ROUND 1)
SANFORD INTERNATIONAL – FRIDAY, SEPTEMBER 12, 2025

Angel, 6 under start, bogey-free. Just tell us about your round and what was going well.

Well, I played good today. I hit good tee shots, I made some putts, I played really good.

Did you feel good about your game coming into this week? Did you feel you were trending this way?

Yeah, I feel very good. My putter is better now. I got two more rounds, but I feel very good.

How does it feel to play that well on your birthday?

laughs A good gift! Today, I play good, I'm very happy. It was a great day.

Was there any specific part of your game that was working well today?

The short game, putter. The putter was perfect today. I make some for par, make some for birdie. I think the putter's the key.

Has that been holding you back the last few weeks, your putter?

Yeah, I change it every week. And this week, I think it's correct now.

It's the birthday putter!

Yeah, it's the birthday putter.

How do you continue this momentum tomorrow (Saturday)?

Well, tomorrow's another day. Day by day.
