

ROUND 3 QUICK QUOTES
October 12, 2025

MARK WALKER (+2)

Q. Well, that was no fun, was it?

MARK WALKER: Not a lot of fun. Not the right day you want to try to make a move, move up some spots.

Q. What now for you?

MARK WALKER: What now? Not sure. I don't know what this is going to look like moving forward. May be done, golf may be over. Not sure yet, but we'll see.

Q. Why do you say that?

MARK WALKER: Just because they're limiting the spots, there's nowhere to play. It's just getting harder and harder to even get a start out here.

Q. What did you learn this year about you?

MARK WALKER: Oh, about me. Learned that I was very persistent, I didn't give up. I went through some rough patches in the middle of the year. Really struggled with my game, tried to just keep fighting, working on it. I didn't -- for 75 percent of the year I didn't have my game. Kind of started coming around at the very end, but a little too late. A little too late in the year for it to come around. Just put me in a bad spot to where I had to make up too much ground.

Q. We met a few years ago at Mitsubishi. Has your time out here been fun?

MARK WALKER: Yeah, it has. I really enjoy it. Yeah, it's been a good time, I have no complaints. It's been wonderful.

Q. What will you miss?

MARK WALKER: Just miss the competition, miss the guys out here. Competition mainly. Everybody wants to -- that's what gets you up in the morning, waking up and knowing you have a place to compete and test your game.
