

The Senior Open Forecast

6 AM Update

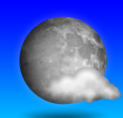

Saturday, 26 July 2025

Synopsis -

Skies should remain mostly cloudy throughout the morning with light winds out of the west. Around midday, a weak cold front will move through, resulting in a chance for spotty showers from 12 PM to 4 PM. Clouds will briefly break up in the afternoon with winds slightly strengthening and becoming northwesterly. Mostly cloudy skies will continue into Sunday while a gentle breeze persists. On Monday, expect plenty of sunshine while conditions remain breezy.
