Extended forecast – Friday, dry with partly cloudy skies. Northeast winds in the morning turn more easterly in the afternoon, with gusts up to 20 mph (32 kmh). Saturday, dry weather likely holds with partly cloudy skies, though a very low chance of an isolated shower cannot be completely ruled out. No thunderstorms are expected. Winds remain steady from the northeast to east. Sunday, dry weather with mostly sunny skies. Winds Sunday will again be from the northeast to east, with gusts up to 20 mph (32 kmh) in the afternoon. A warming trend is expected each day through Sunday, with highs reaching back into the mid to upper 80s F (lower 30s C) this weekend.
