Extended forecast – Saturday, expect mostly sunny to partly cloudy skies with a chance of a few widely scattered showers/storms developing in the area, highest chance after 3pm. Southeast breezes come up for Saturday, with gusts to 18 mph in the late morning/afternoon. Sunday, conditions become less favorable for showers/storms, but some isolated activity still cannot be completely ruled out, mainly higher terrain areas in the late afternoon/evening. Winds on Sunday will be light from the southeast.
