Temp (min/max)	62/81	63/83	68/89
Winds (mph)	Var-ESE 3-6	SW 3-6 G10	SW 4-8 G10-12

Extended forecast – Pleasant conditions continue through Saturday with gradually warming into the upper 70s to low 80s. Sunday looks to be the warmest and most humid day this week with high temperatures approaching 90F. The increased heat and humidity on Sunday brings along increased shower/t-storm chances. Winds look to remain relatively calm on Friday and increase slightly out of the southwest this weekend, but will largely remain below around 10 mph.
