**Extended forecast** – The sea breeze/pop-up thunderstorm pattern continues through the weekend. The mornings will remain mostly sunny, but between 3-5pm each afternoon if a sea breeze develops, it may bring pop-up thunderstorms to the area. Winds will remain from the east-southeast with wind gusts near 20mph each day. Temperatures each afternoon will rise into the upper 80s. Overnight Sunday into Monday a cold front is expected to pass through the area changing the wind direction to the NW, and bringing a chance of scattered thunderstorms in the afternoon.
