Extended forecast – Saturday morning and afternoon are expected to remain dry and partly cloudy. After 7pm a line of thunderstorms is likely to move through the area. Most of the thunderstorms will have passed through the area by sunrise Sunday, but some scattered showers and isolated thunderstorms will remain possible throughout the day. Temperatures will continue to cool off each day with highs in the 80s Saturday and 70s Sunday and Monday. Winds will remain gusty with sustained winds in the teens and wind gusts between 20-30mph.
