**Sunday** – As a wave of moisture moves over the area, a few rounds of showers will be possible today. Each shower may produce a heavy downpour but should move out quickly. The highest chance for a shower at the course is around 5pm. Winds will pick up in the mid morning and remain steady through the afternoon with most gusts near 15mph and a few 20mph gusts possible from the east to northeast. Temperatures will rise into the mid 80s with a heat index around 90F in the afternoon.

**Rainfall: Trace-0.1", in each round of showers | Sunrise: 6:28am/Sunset: 7:09pm**
