Extended forecast – Dry and pleasant conditions to persist through Friday with sunny skies and temperatures reaching the 70s. A more unsettled weather pattern develops this weekend with rain chances retuning to the Austin Saturday afternoon through Sunday morning. Lightning will be possible Saturday night/Sunday morning. With the rain/clouds, temperatures likely remain in the 60s this weekend with east to northeast winds in place. Gusts around 20 mph will be possible.

Forecast prepared by meteorologist Kyle Koval.
