**Extended forecast** – High pressure will provide mostly sunny to partly cloudy skies and hot conditions through Saturday, with highs in the low 90s. The heat index will make it feel like 98F during the afternoon. A cold front is expected to move into Southern Florida, increasing the chance for showers and thunderstorms Sunday, especially during the afternoon and evening hours. Rainfall may be heavy at times, with up to 1"-2" of rain possible. Showers and a few thunderstorms will linger into Monday before drying out late in the day.
