

# Masters Tournament

## 7 AM Weather Update

### Friday, April 10, 2026

**Synopsis:** Sunny skies and dry conditions are forecast throughout the day with the temperature set to reach a high near 80F this afternoon. Light winds will be from a northeasterly to east-northeasterly direction. Dry air will remain firmly in place through the weekend, with relative humidity dropping to 20–30% each afternoon as high pressure strengthens across the Southeast. Mostly sunny skies will be maintained through the weekend with temperatures rising into the mid-80s.
