**Today** – Cloudy skies in the morning will clear, giving way to partly cloudy to mostly sunny skies by late morning/afternoon. Dry weather is expected, though an isolated shower cannot be completely ruled out with the sea breeze, mainly between 12-5pm. Winds will be light from the west in the morning turning more southerly in the afternoon behind a sea breeze, with gusts up to 15-18 mph. **Rainfall: Trace, if any.**  
**Sunrise: 619am / Sunset: 806pm**
