Today – A weak trough will bring mainly cloudy skies to the region for this morning with light winds out of the southeast. Clouds will give way to sunshine by midday with winds turning to the west-northwest. Winds will increase later this afternoon from the northwest gusting up to 22mph. Light showers and drizzle will be possible this morning and a few showers may move down off the Pennines this afternoon. Max temperatures will reach 21C.

Tonight – Winds will begin to diminish after 1800 hours with showers ending after 2100 hours. Skies will be partly cloudy overnight with low temperatures around 13C.
