**Today – HAPPY FIRST DAY OF SPRING!!!!** It's going to be a beautiful day for the first day of spring with sunny skies and highs in the low to mid-70s this afternoon. It will still be breezy out of the northeast before the sea breeze shifts the wind more out of the northwest this afternoon. The wind will average 10-15 mph with gusts to 20 mph during the afternoon.

**Extended forecast** – High pressure move south into the gulf weakening the wind flow across the state and provide warmer temperatures through the weekend. Light wind each morning will increase out of the west or northwest each afternoon as the sea breeze moves inland. Highs each day will likely reach the mid to upper 70s before the sea breeze cools temperatures back into the low 70s.
