

ZACH JOHNSON POST-ROUND 2 PRESS CONFERENCE

SANFORD INTERNATIONAL – SATURDAY, SEPTEMBER 12, 2026

Zach, 64 in the 2nd round to get to 7 under. It looked like you 13 fairways and 17 greens today – tell us about your round and what went well.

I go to the bogey. *laughs* I always go to the bogey when you have a little wedge in your hand, don't you? Terrible second shot, awful pitch, and my putt almost hit my left foot, so...bogey.

But yeah, there were so many good things. I struck the ball awesome. I saw some things earlier this week, it was really encouraging – the ball-striking. My distance control was better as the day persisted and certainly as the week's persisted, so that was good too. But, hit the middle of the face a lot today, especially off the tee.

You responded to the bogey with three straight birdies, right?

Yeah, that's my wife's favorite stat. Thanks honey. *laughs*

You said earlier in the week it's your first time around this course. I don't know if getting used to it is the question with the weather we've had the last 48 hours, but are you getting used to it?

Yeah, I think so. I had two practice rounds; vastly different conditions than yesterday and even this morning. But now it's starting to play more like what I practiced and the winds are similar to my practice rounds, so in that respect, it's not as warm, but it's fabulous out. But yeah, I'm starting to understand where not to go, where to go, how to navigate, and commitment and quality shots today were the key.
