Sunday forecast – High pressure, combined with a low-pressure system spinning off the Carolina coast, will bring breezy and cool conditions throughout the day. Morning temperatures will start in the low 40s, with an NNE breeze of 10–15 mph and gusts of 20–25 mph making it feel like the mid to upper 30s. Despite plenty of sunshine, temperatures will struggle to reach the low 60s during the afternoon, keeping conditions on the cool side.
