THE SENIOR PGA TOUR DIVISION BOARD

The Senior PGA TOUR, formerly a department within the overall structure of the PGA TOUR, became an operating division of the PGA TOUR in October, 1985. The restructuring, along with the naming of a nine-man Senior PGA TOUR Division Board, gives the Senior TOUR greater ability to deal with its particular policies, opportunities and issues.

The nine-member Board, is composed of the following:

Four Player Directors, elected by the Senior PGA TOUR membership.

Four Independent Directors, representing the public interest. One serves as Chairman of the Board.

One PGA Director, who is the Honorary President of the PGA of America.

A Player Advisory Council consults with the Policy Board.

ABOUT THE COMMISSIONER

Deane R. Beman

Born: April 22, 1938

Birthplace: Washington, DC

Family: Wife, Judy; five children

Entering his 16th year as Commissioner of the PGA TOUR, Deane R. Beman has overseen the most explosive period of growth in the TOUR's history, since succeeding Joseph C. Dey, Jr., on March 1, 1974.

During the Beman administration, the "business side" of the PGA TOUR has shown dramatic growth and now includes many heretofore uncharted paths, each designed to help encourage continued prosperity and to ensure the future of the game.

PGA TOUR Investments, Inc., created just six years ago, has already grown to include 13 "Stadium Golf" facilities nationally, and opened in December, 1986, in Clearwater, FL, the first in a network of "Family Golf Centers." In addition to providing state-of-the-art tournament and teaching golf arenas, Tournament Players Clubs and Family Golf Centers have been instrumental in the growth of PGA TOUR assets, which have climbed from \$730,000 to more than \$70 million during the Beman era.

PGA TOUR Properties, the joint marketing venture of the TOUR and PGA of America, continues to make steady progress in its quest to open new opportunities in golf for commercial sponsors and the TOUR's members. The Nabisco Golf competitions on the Regular TOUR and the Premier Cup involvement with the Senior TOUR, an infusion of millions of dollars combined for players, sponsors and charities, is the largest example of these efforts.

PGA TOUR Productions, introduced in 1985, is the TOUR's first-ever in-house TV/audio-visual production entity, the creative possibilities of which are nearly limitless. Tournament highlight films, vignettes, commercials, specialty pieces and the acclaimed "Inside the PGA TOUR" weekly half-hour show airing on ESPN are several of Production's successful projects.

Other important innovations introduced during the Beman administration include a professional Agronomy department, the Nabisco Stats program, electronic scoreboards, "Official Golf Destinations" and the Centinela Fitness Training Center.

Competitively, the Beman era has witnessed the birth of the SENIOR PGA TOUR which started in 1980 with two events and has grown to 41 events this year. In all, over 90 tournaments are on the combined slate with prize money having increased from \$8.2 million in 1974 to close to \$60 million this year.

The Player Retirement Plan, inaugurated in 1983, has already contributed \$10 million toward the future benefit of active Plan participants, and larger contributions are expected in future years.

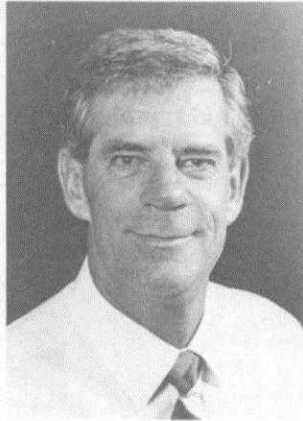

Charity, easily the TOUR's leading money winner during the Beman era, continues to benefit at a yearly record pace. Contributions by American Golf Sponsors to charitable organizations rose to another unprecedented total of \$18.4 million and will again be substantially supplemented by \$2 million in the Nabisco Team Charity Competition.

During his active years as a player, Beman established an enviable slate of accomplishments, compiling one of the great amateur records of all time. He won United States Amateur titles in 1960 and 1963 and the British Amateur championship in 1959. As an amateur, Beman was a member of four Walker Cup teams, four World Amateur Cup teams and three U.S. Americas Cup squads.

At the age of 29, in 1967, he left a prosperous insurance brokerage firm in Bethesda, MD, to join the PGA TOUR as a full-time player. During his six-year professional career, he won the 1969 Texas Open, 1970 Greater Milwaukee Open, 1972 Quad Cities Open and 1973 Shrine-Robinson Classic.

A BRIEF HISTORY OF THE SENIOR PGA TOUR

The SENIOR PGA TOUR, tabbed by many as the most successful professional sports venture of the 1980s, began rather inauspiciously from discussions during 1979 in which leading senior players expressed an interest in playing several "senior" events, provided sponsors could be found and if the PGA TOUR would administer the tournaments. Prior to that time, only certain special events for tournament professionals over the age of 50 were held, most notably the Legends of Golf and the PGA Seniors Championship.

A landmark meeting on January 16, 1980, laid the formal groundwork for the SENIOR PGA TOUR. Attending that meeting were Sam Snead, Julius Boros, Gardner Dickinson, Bob Goalby, Don January and Dan Sikes—all leaders on the Career Money List. Sikes was named Chairman of what became known as the Senior Advisory Council, and Snead was named Honorary Chairman.

At that meeting, it was recognized that any senior tour would have to trade on the reputations and images made by PGA TOUR players over their long years of activity on that tournament circuit. Eligibility criteria were therefore centered around a player's position on the Career Money List and number of career victories.

It was also determined that such a senior tour could succeed only with a format emphasizing pro-am play. So, the format for play was set with a field of 50 players (later expanded to 52) so that two rounds of pro-am play could be held and that one of these pro-am rounds could be made an official round of the tournament.

After approval of the new SENIOR PGA TOUR by the Tournament Policy Board of the PGA TOUR on January 22, 1980, work began on establishing events for Senior TOUR play. Two tournaments were conducted in 1980, one in Atlantic City, NJ, and the other in Melbourne, FL.

The Senior TOUR grew steadily over the next few years with five events in 1981, 11 in 1982 and 18 tournaments by 1983. Prize money offered for players on the 50-and-over circuit tallied over \$3 million for the 1983 season. Miller Barber and Don January, fellow Texans, emerged as the dominant players with each winning two money titles in the first four years of the Senior TOUR, and between them, a total of 21 events. Among the other notable performers on the Senior TOUR during that stretch was a five-time winner, Arnold Palmer.

Expansion and growth continued in 1984 with 24 tournaments on the schedule worth over \$5 million in prize money, prompting January to publicly state, "If you'd have told me back in 1980 that we'd have this many events and be playing for this much money, I'd have said you were crazy."

By 1985, the Senior TOUR was large enough, 27 events worth over \$6 million, to merit its establishment as a Division of the PGA TOUR, a distinct and separate operating and financial entity, with Senior TOUR net revenue going to fund a newly-created Senior Player Retirement Plan. To help guide this fast growing circuit, a SENIOR PGA TOUR Division Board was formed consisting of three Independent Directors, three Player Directors and the immediate Past President of the PGA of America. The Division Board was later expanded from seven to nine with the addition of another Independent Director and Player Director.

Of considerable note to the Senior TOUR was the announcement prior to the 1985 season that Mazda Motors of America was joining the Senior TOUR as Presenting Sponsor for a three-year period. Mazda's commitment to the Senior TOUR included underwriting a substantial portion of the production costs for several cable telecasts each year, sponsorship of the Senior TOUR's first-ever season-long bonus pool (\$300,000) and sponsorship of the season-ending Mazda Champions, a team event placing the top Senior TOUR players with the top LPGA players, and offering a first prize of \$500,000 to the winning team.

While 1985 also saw a separate logo and licensing program developed for the Senior

TOUR, on the playing front, a different face dominated the scene. Australian Peter Thomson, a five-time British Open winner, won a record nine tournaments during the 1985 season and 10 events in a 12-month stretch. The last event of the year, however, was won by a new Senior entry, Gary Player.

The following year, former two-time Vardon Trophy winner Bruce Crampton took top honors with seven Senior TOUR victories from the 28 tournaments on the 1986 schedule, while two rookies, Chi Chi Rodriguez and Dale Douglass, finished second and third on the final money list, respectively.

The start of the 1987 season marked the entry of another major corporate sponsor as the Vantage brand of R. J. Reynolds Tobacco Company introduced their Vantage Program to the 35-event Senior circuit. The Vantage involvement included a \$1 million season-long team points competition called the Vantage Cup; the sponsorship of the first \$1 million tournament on the Senior TOUR, called the Vantage Championship; sponsorship of a series of major Vantage Tournaments; sponsorship of a SUPER SENIORS Competition for players 60 years old and above, and a new advanced electronic scoreboard system and a remodeled consumer activity pavilion, both formerly used on the Regular TOUR.

The size of Senior TOUR tournament fields was expanded to 72 players in 1987, and for the first time, the pro-am portion and tournament portion of events were separated. For standard events, the two-day pro-am was held on Wednesday and Thursday with pros only competing Friday through Sunday. That format remains in effect today.

Expansion of the Vantage Cup highlighted the 1988 campaign, as the Senior circuit grew to 37 events. In addition to refining its existing programs, Vantage began sponsorship of the Senior TOUR's first-ever statistical program, with season-ending leaders in each of 10 stats categories receiving cash bonuses. Bob Charles, the most successful left-hander in golf history, enjoyed a record-setting year, establishing a new single-season earnings mark on the Senior TOUR as he pocketed \$533,929.

Television coverage also has expanded to keep pace with the growing interest in the Senior TOUR. Twenty-one events are slated to air on national television in the coming year, including nine tournaments scheduled for major network telecast.

Don Bies, Lou Graham and Homero Blancas all made successful debuts on the Senior TOUR in 1988, and a sizable group of established PGA TOUR performers will join the loop in 1989. That new crop of Senior rookies will be led by Lee Trevino with more than \$3 million in Regular TOUR earnings, along with George Archer and Frank Beard, each of whom surpassed the \$1 million mark on TOUR.

PREMIER BRAND JOINS SENIOR TOUR

After a highly successful two-year relationship, R.J. Reynolds Tobacco Co. has converted its sponsorship for the Senior PGA TOUR from Vantage to its new Premier brand for 1989. In addition, prize money in each of the new Premier Cup programs has been substantially increased.

The Premier Cup, the season-long bonus pool competition rewarding Senior TOUR players and the tournaments they represent, will be increased to \$1.5 million, a jump of \$500,000. The competition is based on cumulative earnings of players and the three-man teams drafted by Senior TOUR tournaments each year. Players vie for \$750,000 in bonuses, which in 1989 will be awarded as official money for the first time. The leading individual will collect \$112,500. The remaining \$750,000 will be distributed to the tournaments, with the event represented by the winning trio receiving \$100,000. All participating tournaments will receive a minimum of \$10,000.

The Premier Cup season will be altered for 1989 to coincide with the official money season which runs with the calendar year.

Formerly the Vantage Super Seniors, the Premier Classics division will expand to 22 events in the coming year. The Premier Classics events, with 12-man fields of players age 60 and over with at least one PGA TOUR or Senior TOUR victory, are conducted as segments of selected tournaments.

The 1989 Premier Championship again will be the richest event on the Senior TOUR, with a \$500,000 purse hike boosting the total prize money for the tournament to \$1.5 million. This year's Premier Championship winner will receive \$200,000. The Premier Classics will compete for \$150,000 at the championship, with the winner taking home \$30,000.

In addition to these three Premier Cup components, Premier brand will sponsor the season-long statistical program on the Senior TOUR, as well as the electronic scoreboard system and the consumer activity pavilion.

"With Premier's sponsorship and expanded programs and purses, the Senior TOUR has tremendous growth opportunity," said PGA TOUR Commissioner Deane R. Beman. "This new sponsorship further emphasizes RJR Nabisco's long-range corporate commitment to the TOUR."

PREMIER STATS

For the second consecutive year, the Senior PGA TOUR will enjoy a season-long statistical program sponsored by R.J. Reynolds. Beginning with the MONY Tournament of Champions in January, statistics will be kept in 10 distinct categories, with Premier awarding a cash bonus to the 10 individual champions at the conclusion of the season.

The 10 statistical categories include Scoring, Driving Distance, Driving Accuracy, Greens in Regulation, Par-Breakers, Putting, Eagles, Birdies, Sand Saves, and All-Around.

The statistics in each of these classifications are gathered at each Senior TOUR event by walking scorers accompanying each group. The Senior TOUR's official statistician then enters the data into a computer which feeds the information back to TOUR headquarters in Ponte Vedra, FL. There the weekly lists and standings are compiled. Epson computer products are used to gather and tabulate the data.

Epson, the "Official Computer Products of the PGA TOUR and SENIOR PGA TOUR," again will sponsor the Epson Senior Stats Match, a competition featuring the leaders in each of the statistical categories.

MAZDA PRESENTS THE SENIOR PGA TOUR

Introduced prior to the 1985 season, Mazda Motors of America, inc., joined the Senior PGA TOUR as the Presenting Sponsor of all Senior TOUR cable telecasts.

The 1989 Mazda program includes the following:

- The exclusive presenting sponsorship to all non-network telecasts of SENIOR PGA TOUR events, with 12 tournaments slated for cablecast this season. In addition, Mazda is underwriting a substantial portion of the production costs for each of these Mazda-presented broadcasts.

- Sponsorship of a season-ending special event, The Mazda Champions, offering the richest first-place prize money in professional golf: \$500,000. The 54-hole event teams the top 10 players from the 1989 Senior TOUR money list, plus the top two players from the Combined Career Money List (Regular and Senior TOUR combined) not already exempt, with the top 12 LPGA performers from year-long competition on that tour. The 1988 Mazda Champions, won by the team of Dave Hill and Colleen Walker, took place at the Hyatt-Dorado Beach in Dorado Beach, Puerto Rico. The 1989 event will be held at the same site and again will feature an \$850,000 purse.

In addition to the current lineup of the program, Mazda also sponsored the first-ever season-long bonus pool on the SENIOR PGA TOUR. For the last three campaigns, the top 10 point-winners in a year-long competition have shared in a \$300,000 Mazda Bonus Pool. The results of last year's Mazda Series Bonus Pool follow.

CENTINELA FITNESS CENTER

In 1986 Centinela Hospital Medical Center expanded its association with the PGA TOUR and sponsored a mobile training center for the SENIOR PGA TOUR. The Centinela Fitness center on the senior circuit was officially dedicated at the Seiko-Tucson Match Play Championship at Randolph Park in Tucson, AZ on November 1 of that year.

One of the most popular innovations on both the Regular and Senior TOURs, the center is a mobile gymnasium that includes a state of the art line of Diversified Products exercise equipment, massage tables, television, stereo, and a full line of vitamins and nutritional products.

Staffed by qualified physical therapists and athletic trainers, the Fitness Center makes use of Centinela's research to help players attain optimum fitness. The center travels to the vast majority of Senior TOUR events across the country, providing both rehabilitative and preventative care.

Additionally, Centinela Hospital Medical Center will provide each Senior TOUR player with a personal physical conditioning program based on that individual's current level of fitness and will provide internationally recognized orthopedist Dr. Frank Jobe of the National Athletic Health Institute for consultations with players. Dr. Jobe, an expert in sports medicine, is a consultant to the PGA TOUR on health matters.

The Fitness Center has made its impact over the past three years with many players finding the center and the available technicians an invaluable aid to their success on the Senior TOUR. In fact, many players have commented that they would have been unable to compete in some tournaments without this facility and the training staff to administer to them.

In addition to the involvement of Diversified Products, one of the top names in exercise equipment on the market today, several other leading companies will add to the quality of the Fitness Center.

Coppertone (a product of Schering-Plough, Inc.), the leading manufacturer of skin-care products in the country, will provide their products to the Fitness Center in 1989. After extensive research with TOUR players, Coppertone has developed a line of skin-care products which are now available in leading pro shops.

Advil (a product of Whitehall Labs) will support the center by providing some of the top pain-relievers available on the market today. Like the other sponsors of this facility, Advil also will be exploring new methods of providing better health-care products for golfers.

As has been the case since the introduction of the Fitness Center, Foot-Joy, the leading name in golf shoes and casual shoes on the PGA TOUR, will be providing a quality line of fitness shoes to be used in the mobile training facility. Foot-Joy is the "Official Athletic/Fitness Shoe of the PGA TOUR."

Moex, which manufactured the Fitness Center in Albany, OR, is one of the world's leaders in expandable facilities. The mobile center quickly expands to provide 500 square feet of floor space and comfortably accommodates sophisticated training equipment including stationary bicycles, weight sets, and massage tables.

PGA TOUR Marketing Partners

Travel Partners

Because tournament and amateur golf experiences often involve travel, the PGA TOUR has formed "Travel Partner" alliances with airlines, cruise lines, car rental companies, even foreign countries.

An exciting new travel activity is the "Official Golf Destination (OGD)." So far, tourism groups in **Jamaica, Puerto Rico, the Bahamas, and Florida's First Coast** (the Jacksonville area) have joined with the PGA TOUR to promote golf tourism in their areas, and more will be added in '89.

Resorts in official destination areas may participate in the TOUR's Agronomy Program. Joint efforts by TOUR agronomists and greens superintendents at resort courses mean quality playing conditions at OGD golf courses.

Another travel partner of the PGA TOUR, **Delta Air Lines** promotes air travel to golf destinations, and offers discount air travel to TOUR players and staff.

The "Golf Ahoy" program by **Royal Caribbean Cruise Line** is a boon to TOUR players who want to become Host Golf Professionals for a cruise, a venture that enhances the cruise for vacationers as well.

The Marriott Corporation offers discounts on its top-quality hotel accommodations across the country to PGA TOUR players and staff.

And **National Car Rental System** has aligned with the PGA TOUR to provide players and staff with reasonable rates on new, top-of-the-line rental cars.

On-Site Marketing Partners

Some companies co-sponsor PGA TOUR and SENIOR PGA TOUR tournaments. Still others—"Marketing Partners"—operate in partnership with the TOUR to provide a whole range of functions to the tournaments themselves.

SportsBand is new to the PGA TOUR in 1989. This on-course "radio station" allows fans to rent lightweight headsets and keep abreast of what's happening all over the tournament course. Golf-related features are part of the package.

The Premier Stats program is computed daily on **Epson Computers**, another marketing partner of the PGA TOUR. At the end of each season, winners in each statistical category compete in the Epson Senior Stats Match®.

Many PGA TOUR co-sponsored tournaments feature a host of related activities. **United Van Lines Clinics** offer instruction from Senior TOUR pros, along with a variety of prizes for fans. **Merrill Lynch Shoot-Outs** allow touring pros to win additional prize money, and the events are fun for fans, too.

MCI provides players' locker rooms with long-distance telephone service.

Nikon and **Kodak** provide service to the national media through their presence at on-site tournament press facilities.

Two top-flight golfing magazines, **Golf Digest** and **Golf Magazine**, are involved with the PGA TOUR at tournament sites. Golf Magazine provides copies of **TOUR Magazine**, and Golf Digest offers **Senior TOUR Journal** at senior events. Both publications are targeted directly at PGA TOUR fans.

Other PGA TOUR Partners

Ram Golf, a leading name in the golf industry, is the exclusive distributor of the PGA TOUR line of clothing worn by many players at TOUR events. Pro shops around the country carry Ram's complete line of TOUR clothing and accessories.

In Japan, **Dentsu** distributes a variety of TOUR materials to Japanese golfers and handles Japanese TV coverage of TOUR tournaments.

A carpet company, **Karastan Bigelow**, offers discounted commercial carpet to golf facilities owned or operated by PGA TOUR pros, and gives members and staff discounts on home carpeting as well.

The **Michelin Tire Company** joins with the TOUR to produce the annual National Long Drive Contest held in the Bahamas. This nationally televised event showcases the longest hitters in golf and is always a good show.

New to the TOUR in 1989 are **Carrera** glasses made by **Optyl Eyewear Fashion International Corporation**. Eyecare is important to all people, but in particular to professional athletes especially those that spend such a great deal of time outdoors. This new agreement will help protect our players from potential long range problems.

In 1988, **MasterCard International**, through **Maryland Bank, N.A.**, joined with the PGA TOUR and the PGA of America to offer affinity credit cards for golfers. A percentage of each purchase charged to the cards is returned to PGA TOUR charities.

The **PGA TOUR MasterCard Affinity Card** raised substantial dollars for charity after its introduction in the spring of 1988. To order this card, which features the famed island 17th hole at the TPC at Sawgrass, call 1-800-847-7378.

TOURNAMENT PLAYERS CLUBS

**Tournament
Players Club**

The brainchild of the PGA TOUR, the Tournament Players Club concept has within the decade of the 80's gone from a dream to a network that now encompasses 13 courses in eight states.

It was the TOUR's view that the spectator had been left out in golf course design throughout the years and when it came time for the PGA TOUR to build its own home course, the opportunity presented itself to build a course that not only challenged the players, but allowed spectators to see the action as never before.

It's called "Stadium Golf" and once you've viewed a tournament on a Stadium Golf Course, you'll understand why the network has grown so rapidly in such a short period of time.

Spectator mounds abound that afford fans unrestricted views whether on tee shots, fairway shots or on the greens. In fact, the 18th hole at the original TPC at Sawgrass can accommodate crowds of some 30,000 people—all with a clean view of the action. You won't see any periscopes at an event on a Players Club.

The network began with the club at Sawgrass where it annually hosts the THE PLAYERS Championship and quickly grew into the present number of 13. All TPC's are designed to host PGA TOUR or Senior PGA TOUR events and to date the clubs have been designed by some of the top architects in the business—Pete Dye, Jack Nicklaus, Arnold Palmer, Arthur Hills, Jay Morrish, Bob Cupp and the Von Hagge/Devlin team to name a few.

In addition, one of the things that adds a bit of spice to all TPC's is that PGA TOUR players are assigned to serve as consultants to the designer. To date, Ed Sneed, Tom Weiskopf, Fuzzy Zoeller, Hubert Green, Craig Stadler and Ben Crenshaw have been among those lending their expertise to the TPC Network.

Truly a nationwide country club, a membership at one TPC affords the member a chance to play at any of the other clubs across the country and an opportunity to view the greatest players in the world in action on his own course once a year.

In fact, Tournament Players Clubs are developed only in places where such courses will substantially improve tournament sites. In short, they are built with the guidance and expertise of the PGA TOUR and financed by the local real estate developers, to provide fans with the best possible atmosphere in which to enjoy tournament golf, and to offer a challenging and rewarding golf experience for members. Only in cases where local tournament sponsoring organizations whole-heartedly endorse such deals are Tournament Players Clubs practical or prudent.

While there is ultimately no definitive number of Tournament Players Clubs planned, the PGA TOUR will always judge a potential site's merits with the concerns of the fans, the developer and the local tournament sponsors in mind.

Since the Tournament Players Club at Sawgrass opened in 1980, the TPC Network has now truly become "the best set of clubs in America."

MERRILL LYNCH SHOOT-OUT SERIES

A real winner on the Regular TOUR for two seasons, the Merrill Lynch Shoot-Out Series will join the SENIOR PGA TOUR in 1989.

A 10-man competition covering nine holes of play, the Merrill Lynch Shoot-Out Series will be held at 10 different SENIOR PGA TOUR events in 1989 with the top players collecting \$3,000 from the \$10,200 purse.

What is a Shoot-Out? The format is easy to understand and a delight to watch. Ten players begin, and on each hole the player with the highest score is dropped from the field. Should more than one player tie for the high score, a sudden-death playoff involving a pitch, chip or long putt will be held. The player farthest from the hole is eliminated.

The field for each Shoot-Out consists of that tournament's defending champion, the top three players entered in that tournament from the current year's money list, the top three players in that tournament from the Combined Career Money List, and three sponsor selections.

At season's end, a Shoot-Out championship will be held (date and site TBA) in which 10 players will vie for additional prize money. The field for the final competition will consist of the top five money-winners on the 1989 SENIOR PGA TOUR Official Money List, the top three money-winners from the season-long Shoot-Out series, and two sponsor selections.

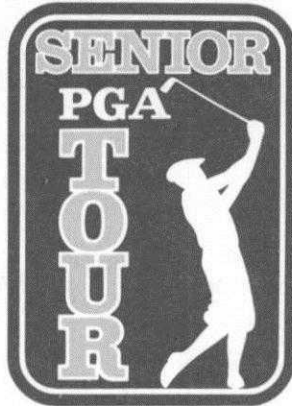

The 1989 Merrill Lynch Shoot-Out Series competitions will be held on the Tuesday of tournament week.

UNITED VAN LINES TO SPONSOR GOLF CLINICS AGAIN IN 1989

One of the goals of the PGA TOUR is to foster growth in the sport of golf. Toward that end, United Van Lines and its local agents will sponsor golf clinics at 15 SENIOR PGA TOUR events in 1989.

The United Van Lines Clinics, designed for golfers of all ages, will feature prominent Senior TOUR players demonstrating the basics of the game while providing entertaining talk. Fans in attendance will have the opportunity to pick up tips from some of the greatest names in the history of golf. In addition, assorted prizes will be available.

Over the past several years, clinics on the PGA TOUR and SENIOR PGA TOUR have entertained thousands of golf fans, young and old alike, and the United Van Lines Clinics on the 1989 senior circuit will continue to develop and promote interest in the game.

MEDIA REGULATIONS

The General Regulations

The following regulations are to be followed by *all* members of the Media:

1. An *ARMBAND* is necessary to walk inside the galley ropes. Remain *not more than an arm's length from the ropes*, so as to blend into the gallery and appear to be a part of the gallery at all times.
2. Players are not to be distracted during play. DO NOT interview players or ask them to pose for photographs during their round.
3. DO NOT interview players or ask them to pose for photographs during their practice sessions prior to their round except by prior arrangement with the player.
4. If an interview is to be conducted in the practice areas, either the range or the putting green, it must be done by PRIOR ARRANGEMENT WITH THE PLAYER and up against the ropes and NOT in the middle of the areas where it could be distracting to other players.
5. DO NOT disturb players at their 18th green and/or scoring tent until after they have checked, signed and returned their scorecards.

Working Press Regulations

To avoid embarrassment to you and distraction to the contestants:

1. Do not walk or stand in playing areas.
2. Follow directions of marshals and other officials.
3. Do not interview during play. The leading players each day—and others requested—will be interviewed following their rounds in the Press Room interview area.

Tape Recorder Regulations

1. All tape recorder work should be done in the proximity of the Press Room and/or Clubhouse.
2. Tape recorders are *NOT* permitted in the locker room.
3. Tape recorders are *NOT* permitted within the playing area of the golf course unless written permission has been granted from the PGA TOUR and/or the tournament sponsor.

Rain Delay Guidelines

1. During rain delay situations, NO ONE other than players and essential staff will be permitted in the locker room. This means the Media is not permitted in the locker room in such situations. However, whenever possible, arrangements will be made to provide players for interviews during such situations.
2. Fully accredited members of the news media WILL BE WELCOMED into the locker room at all other times to carry out their assigned duties. (Note: Cameras and tape recorders are NOT permitted.)

PHOTOGRAPHY REGULATIONS

This Tournament is essentially for the players and spectators. Fair play requires that there be no noise or other distractions. The interests of all others must be subordinated to the players interests. The result of any one shot could decide the Tournament.

Only ACCREDITED PHOTOGRAPHERS for RECOGNIZED NEWS MEDIA will be permitted to take pictures during the Tournament. Photo assistants may be issued a credential, but not photo arm bands for access inside the ropes. Photography will be restricted to news use. Commercial and personal photography is prohibited (except that spectators may take pictures on practice days and during a Pro-Am). Free lance photographers shooting on speculation will NOT BE ACCREDITED.

The following regulations apply to accredited news and television photographers and videotape cameramen as a condition of the privilege of taking pictures:

General—All Photographers

A photographer must not ask a player to pose or in any way verbally distract a player during a round.

If a player or an official requests that no photographs be taken in a certain situation, the request must be honored immediately, without discussion.

A camera must not be pointed at a player about to make a stroke in any manner which might tend to disturb him or distract his attention.

At the 9th and the 18th greens, photographers must not approach, delay or distract a player until he has checked, signed and returned his scorecard to the proper official. Under the Rules of Golf, a player turning in an incorrect scorecard in stroke play may be disqualified.

Cameras are not permitted in the locker room.

Use of golf carts or other means of transportation on the course during tournament play is prohibited.

Still Photographers

Only still photographers to whom armbands have been issued will be permitted inside gallery ropes. They must station themselves immediately inside such ropes, and not more than an ARM'S LENGTH FROM THE ROPES, so as to blend into the gallery and appear to be part of the gallery. They must not take conspicuous positions in the open. Any photographer who violates this regulation will forfeit the right to working inside the ropes and possibly to work at the tournament.

Close-up action shots are prohibited.

All pictures must be taken at appreciable distances, as far from the players as possible and from angles which are not acute to the line of play.

When working at a green, photographers must not position themselves directly in a player's putting line.

Pictures, even from a distance, may not be made until the player has completed his stroke. The photographer must not release his camera shutter until the shot is made.

Television/Videotape Cameramen

Television and videotape filming may be done from inside the gallery ropes, or from areas approved by the PGA TOUR. All camera personnel who have been issued PHOTO armbands will be permitted inside the gallery lines but this does not include other members of the crew. Camera personnel must station themselves immediately inside the gallery lines, not more than an arm's length from those lines, so as to blend into the gallery. They must not take conspicuous positions in the open.

Filming may be done from such locations during a player's stroke, provided modern equipment that produces a minimum of noise is used.

Post-round interviews must be filmed far enough away from the arena of play to eliminate the possibility of distraction to those competing.

Difficulties will be avoided if photographers are fair and will treat players as they themselves would wish to be treated in similar circumstances.

The cooperation of all photographers will be appreciated.
