THE SENIOR PGA TOUR DIVISION BOARD

The Senior PGA TOUR, formerly a department within the overall structure of the PGA TOUR, became an operating division of the PGA TOUR in October, 1985. The restructuring, along with the naming of a nine-man Senior PGA TOUR Division Board, gives the Senior TOUR greater ability to deal with its particular policies, opportunities and issues.

The nine-member Board, is composed of the following:

Four Player Directors, elected by the Senior PGA TOUR membership.

Four Independent Directors, representing the public interest. One serves as Chairman of the Board.

One PGA Director, who is the Past President of the PGA of America.

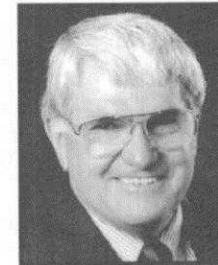

A Player Advisory Council consults with the Policy Board.

ABOUT THE COMMISSIONER

Deane R. Beman

Born: April 22, 1938

Birthplace: Washington, DC

Family: Wife, Judy; five children

Entering his 19th year as Commissioner of the PGA TOUR, since succeeding Joseph C. Dey, Jr., on March 1, 1974, Deane R. Beman has overseen the most explosive period of growth in the TOUR's history.

During the Beman administration, the "business side" of the PGA TOUR has shown dramatic growth and now includes many heretofore uncharted paths, each designed to help encourage continued prosperity and to ensure the future of the game.

PGA TOUR Investments, Inc., created 11 years ago, has already grown to include 15 Tournament Players Clubs nationally with more clubs in the planning stage across the United States. 1989 saw the unveiling of TPC International with a Players Club in Japan. December, 1986 saw the opening of the first "Family Golf Center" in Clearwater, Florida, a network that has grown to include another Family Golf Center at the Golf Club of Jacksonville, a municipal course operated by the PGA TOUR for the city of Jacksonville. In addition to providing tournament state-of-the-art facilities, Tournament Players Clubs have been instrumental in the growth of the PGA TOUR assets, which have climbed from \$730,000 to more than \$175 million during the Beman era.

The marketing arm of the PGA TOUR continues to make steady progress in its quest to open new opportunities in golf for commercial sponsors and the TOUR's members. Long-term programs with Coca-Cola and IBM, to be initiated in 1992, are the latest in a long line of marketing efforts designed to infuse for the combined benefit of players, sponsors and charities.

1991 also saw the birth of PGA TOUR Partners, whose mission is to enhance the golf experience for serious fans by giving them a unique, inside look at the PGA TOUR, and providing charitable support to worthy non-profit organizations. In less than a year the Partners program now includes over 37 thousand members.

PGA TOUR Productions, created in 1985, is the TOUR's first-ever in-house TV/audio visual production entity. Created to produce tournament highlight video films, vignettes, commercials, specialty pieces and the acclaimed "Inside the PGA TOUR," a weekly half-hour show airing on ESPN, Productions added "Inside the SENIOR PGA TOUR" in 1991. "Inside the PGA TOUR" was nominated for an ACE Award honoring cable television's best for the second consecutive year.

Other important innovations introduced during the Beman administration include a professional Agronomy department, PGA TOUR Stats Program, Electronic scoreboards, "Official Golf Destinations" and establishment of mobile fitness training centers, sponsored by Centinela, on both TOUR's. Competitively, the Beman era has witnessed the birth of the Senior PGA TOUR which started with two events in 1980 and has grown to its present 43 events. The Ben Hogan Tour, born in 1990, has been a success by all measures and has provided aspiring professionals with TOUR-like competition as a stepping stone to the PGA TOUR. In all, over 120 tournaments are on the combined Tours, and total prize money has increased from \$8.2 million in 1974 to over \$84 million for the 1992 season.

The player Retirement Plan was instituted in 1983 to help provide PGA TOUR members with a stable source of income upon retirement from tournament competition by virtue of their performance on the TOUR. At the time, establishment of the Plan was viewed as a significant step towards bringing the TOUR closer to the ranks of other "major" sports with respect to player benefits. The Plan has already contributed over \$13 million towards the future benefit of active player participants.

Charity has easily been the TOUR's leading money winner during the Beman era. Surpassing the \$19 million mark for the third straight year in 1991, the American Golf Sponsors and the PGA TOUR have donated over \$115 million over the past six TOUR seasons alone. Combined total of all three tours is expected to top the \$25 million mark this year.

During his active years as a player, Beman established an enviable slate of accomplishments, compiling one of the great amateur records of all-time. He won the USGA Amateur title in 1960 and 1963, and the British Amateur Championship in 1959. Beman was a member of four Walker Cup teams, four World Amateur Cup teams and three U.S. America's Cup Squads.

In 1967, at the age of 29, he left a prosperous insurance brokerage firm in Bethesda, MD, to join the PGA TOUR as a full-time player. During his 6-year professional career, won the 1969 Texas Open, 1970 Greater Milwaukee Open, 1972 Quad Cities Open and the 1973 Shrine-Robinson Classic before hanging up his spikes to become the Commissioner in 1974.

A BRIEF HISTORY OF THE SENIOR PGA TOUR

The SENIOR PGA TOUR, tabbed by many as the most successful professional sports venture of the 1980s, began rather inauspiciously from discussions during 1979 in which leading senior players expressed an interest in playing several "senior" events, provided sponsors could be found and if the PGA TOUR would administer the tournaments. Prior to that time, only certain special events for tournament professionals over the age of 50 were held, most notably the Legends of Golf and the PGA Seniors Championship.

A landmark meeting on January 16, 1980, laid the formal groundwork for the SENIOR PGA TOUR. Attending that meeting were Sam Snead, Julius Boros, Gardner Dickinson, Bob Goalby, Don January and the late Dan Sikes—all leaders on the All-Time Money List. Sikes was named chairman of what became known as the Senior Advisory Council, and Snead was named honorary chairman.

At that meeting, it was recognized that any senior tour would have to trade on the reputations and images made by PGA TOUR players over their long years of activity on that tournament circuit. Eligibility criteria were therefore centered around a player's position on the All-Time Money List and number of career victories.

It was also determined that such a senior tour could succeed only with a format emphasizing pro-am play. So, the format for play was set with a field of 50 players (later expanded to 52) so that two rounds of pro-am play could be held and one of these pro-am rounds could be made an official round of the tournament.

After approval of the new SENIOR PGA TOUR by the Tournament Policy Board of the PGA TOUR on January 22, 1980, work began on establishing events for Senior TOUR play. Two tournaments were conducted in 1980, one in Atlantic City, NJ, (won by Don January) and the other in Melbourne FL (won by Charlie Sifford).

The Senior TOUR grew steadily over the next few years with five events in 1981, 11 in 1982 and 18 tournaments by 1983. Prize money offered for players on the 50-and-over circuit tallied over \$3 million for the 1983 season. Miller Barber and Don January, fellow Texans, emerged as the dominant players with each winning two money titles in the first four years of the Senior TOUR, and between them, a total of 21 events. Among the other notable performers on the new circuit during that stretch was a five-time winner, Arnold Palmer. Expansion and growth continued in 1984 with 24 tournaments on the schedule worth over \$5 million in prize money, prompting January to publicly state, "If you'd have told me back in 1980 that we'd have this many events and be playing for this much money, I'd have said you were crazy."

By 1985, the Senior TOUR was large enough, 27 events worth over \$6 million, to merit its establishment as a division of the PGA TOUR, a distinct and separate operating and financial entity, with Senior TOUR net revenue going to fund a newly-created Senior Player Retirement Plan. To help guide this fast growing circuit, a SENIOR PGA TOUR Division Board was formed consisting of three Independent Directors, three Player Directors and the immediate Past President of the PGA of America. The Division Board was later expanded from seven to nine with the addition of another Independent Director and Player Director.

Of considerable note to the Senior TOUR was the announcement prior to the 1985 season that a cable television package on ESPN had been put together allowing seven events to enjoy national cable exposure. With the production costs partially funded by Mazda Motors of America, Mazda also helped create the Senior TOUR's first-ever season-long bonus pool (\$300,000) and sponsored a \$1 million season-ending team event in conjunction with the LPGA.

While 1985 also saw a separate logo and licensing program developed for the Senior TOUR, on the playing front, a different face dominated the scene. Australian

Peter Thomson, a five-time British Open winner, won a record nine tournaments during the 1985 season and 10 events in a 12-month stretch. The last event of the year, however, was won by a new senior entry, Gary Player.

The following year, former two-time Vardon Trophy winner Bruce Crampton took top honors with seven Senior TOUR victories from the 28 tournaments on the 1986 schedule, while two rookies, Chi Chi Rodriguez and Dale Douglass, finished second and third on the final money list, respectively.

The start of the 1987 season marked the entry of another major corporate sponsor as the Vantage brand of R. J. Reynolds Tobacco Company introduced their Vantage Program to the 35-event senior circuit. The Vantage involvement included a \$1 million, season-long team points competition called the Vantage Cup; the sponsorship of the first \$1 million tournament on the Senior TOUR, called the Vantage Championship; sponsorship of a series of major Vantage tournaments; sponsorship of a SUPER SENIORS Competition for players 60 years old and above, and a new advanced electronic scoreboard system and remodeled consumer activity pavilion, both formerly used on the Regular TOUR.

The size of Senior TOUR tournament fields was expanded to 72 players in 1987, and for the first time, the pro-am portion and tournament portion of events were separated. For standard events, the two-day pro-am was held on Wednesday and Thursday with pros only competing Friday through Sunday. That format remains in effect today.

Expansion of the Vantage Cup highlighted the 1988 campaign, as the senior circuit grew to 37 events. In addition to refining its existing programs, Vantage began sponsorship of the Senior TOUR's first-ever statistical program, with season-ending leaders in each of 10 stats categories receiving cash bonuses. Bob Charles, the most successful left-hander in golf history, enjoyed a record-setting year, establishing a new single-season earnings mark on the Senior TOUR as he pocketed \$533,929.

Continued growth marked the 1989 season, as Senior TOUR tournament fields were increased to 78 players and Frank Beard, Mike Hill, Jim Dent and George Archer made successful debuts. R.J. Reynolds hosted an expanded \$1.5 million Championship, offered another \$750,000 in individual bonus money, and yet another \$750,000 in bonuses to other Senior TOUR tournaments. With the RJR bonus money counting as "official" prize money, Charles again set the earnings pace with a record \$725,887.

In 1990, golf's "Big Four" were reunited on the senior scene. The arrival of Lee Trevino and Jack Nicklaus, together again with Palmer and Player, lifted the popularity of the Senior TOUR to unprecedented levels at the start of the new decade. 1990 also marked the introduction of Cadillac Motor Car Division as the umbrella sponsor for Senior TOUR cable telecasts. Though five players surpassed the previous single season earnings record, Trevino was the dominant performer, notching seven wins and finishing out of the top 10 only twice in 28 starts. His official earnings total of \$1,190,518 not only made him the Senior TOUR's first "million-dollar man," but also the year's leading money-winner in all of golf.

Mike Hill became the second senior to cross the magical seven-digit figure in 1991, earning \$1,065,657 and winning five times. PGA TOUR Productions also introduced, "Inside the SENIOR PGA TOUR", and ESPN aired the new program for 39 consecutive weeks during the season.

In 1992, the Senior TOUR will make its debut in the state of Alabama in August with the Bruno's Memorial Classic in Birmingham. 25 events are slated for national television coverage with nine Senior TOUR telecasts being broadcast on network. Cadillac, the official car of the SENIOR PGA TOUR, will add a 16th event to its Cadillac Series on ESPN as the Digital Seniors Classic near Boston enters the fold.

In all, Senior TOUR players in 1992 will compete in 42 events worth more than \$26 million in total prize money, including \$21 million in official purses for the first time.

SENIOR PGA TOUR ELIGIBILITY REQUIREMENTS

In order to be eligible for an official SENIOR PGA TOUR event, a player must be at least 50 years of age prior to the first tournament round.

1. Eligibility for Exempt Status in 1992 (in order of priority):
 - a. Top 31 available players from the 1990 Official Money List (Floor of net 50);
 - b. Top 31 available players from the Combined Career Money List (not otherwise exempt; Floor of net 70);
 - c. Top eight available players from the 1991 SENIOR PGA TOUR National Qualifying Tournament, in order of finish;
 - d. Winners of SENIOR PGA TOUR events for one year from the date of their victory, if not otherwise exempt;
 - e. Past Champions of official PGA TOUR events, excluding team events, in their first two years of participation on the Senior TOUR. Eligibility in this category is on a space-available basis only after the floors of all other exempt categories have been reached.
 - f. Special Medical Extension.

2. Eligibility for Non-exempt Players:
 - a. Four spots in each tournament field from open qualifying;
 - b. Four sponsor exemptions per tournament.

NOTE: The above requirements apply to standard 78-player format for open SENIOR PGA TOUR events. Invitational tournaments may employ varying criteria.

VANTAGE CLASSICS ELIGIBILITY

The Vantage Classics competition consists of all players within the starting field who are 60 years of age or older. The competition takes place over the first 36 holes of a 54-hole event or the first 54 holes of a 72-hole tournament. Vantage Classics earnings are unofficial, but the participants earn official money for their position of finish in the overall tournament.

VANTAGE GOLF MOVES INTO SIXTH SENIOR TOUR SEASON

The Vantage brand of the R.J. Reynolds Tobacco Co will again continue its major sponsorship of the SENIOR PGA TOUR in 1992 under a different name -- Vantage Golf.

The Vantage Golf program, now in its sixth year, will maintain its two-fold bonus competition worth \$2 million that will run for the entire Senior TOUR season. The individual competition is based on a player's annual earnings, while the team race takes into account the cumulative earnings of three-man teams drafted by various Senior TOUR events. Players will vie for \$1 million in individual bonus money, with the leading money-winner at the conclusion of the year receiving a top prize of \$150,000 in official money. 34 tournaments will participate in the 1992 Vantage Golf program and will divide the other \$1 million based on the cumulative performance of the three players selected in the January draft. The event represented by the winning trio of players will collect a top prize of \$150,000, while the last-place tournament receives \$12,500.

Twenty-five Senior TOUR events will host Vantage Classics competitions in 1992, with all players in the tournament field age 60 and over competing in a "tournament within a tournament". The Vantage Classics event concludes one round prior to the overall tournament, and while Vantage Classics earnings are unofficial, the players earn official money for their finish in the main tournament.

The Senior TOUR's richest event, the \$1.5 million Vantage Championship, will again be played on the historic Championship Course at Tanglewood Park outside Winston-Salem, NC. The winner of the 1992 Vantage Championship will collect \$202,500, while the Vantage Classics champion earns \$30,000.

VANTAGE SCOREBOARDS

The electronic Vantage Scoreboard systems have become an integral part of the Senior TOUR since they were first introduced in 1987 as part of the Vantage Cup program. The systems provide fans and players with updated status reports, current scores, biographical information, statistical facts, special reports and messages. The boards are not only designed to handle the rigors of cross-country travel, but they can also withstand all types of weather conditions while on site.

In 1988, the original systems were replaced with the state-of-the-art equipment that is in operation today. The Vantage Scoreboards feature "Glowcube" technology from Daktronics, Inc. of Brookings, S.D.—the manufacturer of the electronic scoreboards for the 1988 Winter Olympics. The "Glowcube" technology driven by Epson computers allows for faster scoring and better graphics. Data is transmitted through radio signals, thus eliminating the need for costly telephone lines over the entire course.

MERRILL LYNCH SHOOT-OUT SERIES

The Senior TOUR version of the Merrill Lynch Shoot-Out series has become a popular staple for golf fans across the country over the last three years and will return in 1992 with an even larger schedule of events than in previous seasons and a bigger pot at the end of the rainbow.

Merrill Lynch Shoot-Outs will be part of 15 Senior TOUR tournaments in the 1992 campaign, the largest number ever. The nine-hole competitions, conducted on Tuesday of tournament week, will feature top Senior TOUR players battling for \$12,650 in prize money at each contest, with the weekly winner taking home \$4,000.

A Merrill Lynch Shoot-Out begins with 10 players, and on each hole the player with the highest score is eliminated. Ties are broken by a sudden-death "shoot-out," involving a pitch, chip, bunker shot or putt. The individual whose ball comes to rest farthest from the hole is ousted from the field.

Each Merrill Lynch Shoot-Out comprises the defending champion of that particular tournament, the top three players entered in that tournament from the current money list, the top three players in the tournament from the All-Time money list and three sponsor selections.

At the end of the season, Merrill Lynch will sponsor its fourth Senior Shoot-Out Championship featuring the top five money-winners from the Senior TOUR official money list, the top three available players from the year-long Merrill Lynch Shoot-Out series and two sponsor selections. The finale will be held on December 15, 1992 at Fisher Island, near Miami, FL with the overall purse being increased to \$250,000 this year. The champion will take home a check for \$90,000.

1992 MARKS THIRD YEAR FOR CADILLAC SERIES

Cadillac **SENIOR** PGA TOUR SERIES

The Senior TOUR and Cadillac Motor Car Division join for the third year of their partnership in 1992, as Cadillac returns as the "Official Car of the SENIOR PGA TOUR" and the umbrella sponsor for Senior TOUR telecasts on ESPN.

Cadillac's involvement has helped propel the Senior TOUR into a prominent position on national cable television. As the umbrella sponsor for the ESPN telecasts, Cadillac underwrites a share of the television production costs for each of the "Cadillac Series" events. The series will expand to 16 events in 1992 with the Digital Seniors Classic in Concord, MA, slated to make its first appearance on the ESPN schedule.

Since 1990, Cadillac and ESPN have provided the Senior TOUR with broader television coverage than ever before. Three-day coverage of Cadillac Series events will continue to feature the more popular and consistent airtimes which have resulted in significant gains in ratings over the last two seasons.

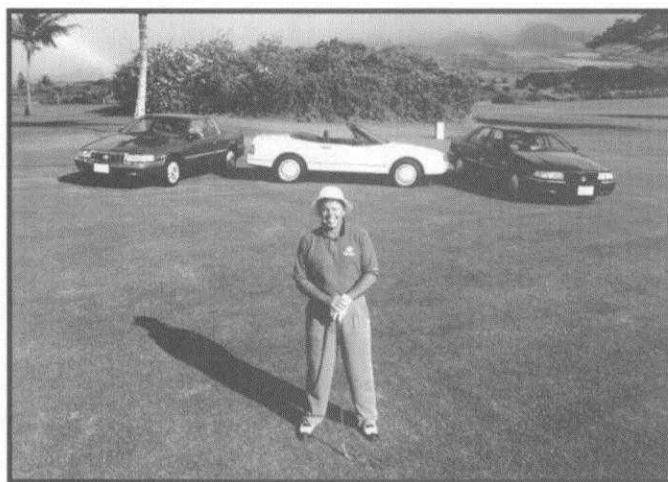

As the Senior TOUR's Official Car, Cadillac supplies courtesy cars for each event in the Cadillac Series plus a fleet of cars for use by the Senior TOUR's on-site tournament staff and headquarters staff.

In 1992, for the third year, Cadillac will award its three-car premium series-Allante, Eldorado Touring Coupe and Seville STS-to the leading overall performer in the Cadillac Series. Performance is based on official prize money earned in the 16 Cadillac Series events. Last year, Senior TOUR Rookie-of-the-Year Jim Colbert dominated the Cadillac Series to take home the three-car Cadillac collection.

Cadillac continues to be a very active marketing partner, helping to promote the Senior TOUR by running "tune-in-and-watch" advertisements in a wide range of major publications and creating special dealer tie-ins and promotions in conjunction with each Cadillac Series event.

CENTINELA HOSPITAL FITNESS CENTER

In 1986, Centinela Hospital Medical Center expanded its association with the PGA TOUR by providing a mobile training center for the SENIOR PGA TOUR. The Centinela Hospital Fitness Center (CHFC) on the senior circuit was officially dedicated at the Seiko-Tucson Match Play Championship at Randolph Park in Tucson, Arizona, on November 1 of that year.

One of the most popular innovations on both the PGA TOUR and SENIOR PGA TOUR, the CHFC is a mobile gymnasium that includes state-of-the-art exercise equipment, massage tables, television, stereo and a full line of vitamins and nutritional products.

Staffed by qualified physical therapists, the CHFC makes use of Centinela's research to help players attain and maintain optimum fitness. The CHFC travels to the vast majority of Senior TOUR events across the country, providing both rehabilitative and preventive care.

Additionally, Centinela Hospital Medical Center provides each Senior TOUR player with a personal physical conditioning program based on that individual's current level of fitness and provides internationally recognized orthopedists Dr. Frank Jobe and Dr. Lewis Yocum of Centinela Hospital's Fitness Institute for consultations with players. Dr. Jobe, Medical Director of the PGA TOUR, is also team physician for the Los Angeles Dodgers; Dr. Yocum, Assistant Medical Director of the PGA TOUR, is an orthopedic consultant to the California Angels.

The CHFC has made its impact over the past six years with many players finding the van and available technicians an invaluable aid to their success on the Senior TOUR. In fact, many players have commented that they would have been unable to compete in some tournaments without this facility.

"There is no question that we are very fortunate to have the Centinela Hospital Fitness Center on the Senior TOUR," said Bruce Crampton. "Originally, I was looking for a program that would provide me with flexibility and longevity for the TOUR. Working out in the van makes me much more relaxed on the course. I ride the bike and get rid of stress."

Centinela Hospital's Biomechanics Laboratory has done research and testing on professional golfers' swings and, based on the results, developed scientific exercise programs which are available through books and videotapes. These programs, designed by Dr. Jobe and Dr. Yocum, have helped countless golfers stretch their potential while minimizing their risk of injury. For information on how you can benefit from Centinela Hospital's exclusive golf programs, call Champion Press at (213) 673-4660, ext. 8669.

As has been the case since the introduction of the Centinela Hospital Fitness Center, **FootJoy, Inc.**, the leading name in golf and casual shoes on the PGA TOUR, provides a quality line of fitness shoes to be used in the mobile training facility. Foot-Joy, Inc. is the "Official Athletic/Fitness Shoe of the PGA TOUR." **Coppertone** (a product of Schering-Plough, Inc.), the leading manufacturer of skincare products in the country, began providing their products to the CHFC in 1989. After extensive research with TOUR players, Coppertone has developed a line of skincare products which are now available in leading pro shops. **Advil** (a product of Whitehall Labs) supports the van by providing some of the top painrelievers available on the market today. Like the other sponsors of this facility, Advil will be exploring new methods of providing better healthcare products for golfers. **Moex**, which manufactured the CHFC in Albany, OR, is one of the world's leaders in expandable facilities. The mobile center quickly expands to provide 500 square feet of floor space and comfortably accommodates sophisticated training equipment including stationary bicycles, weight sets, and massage tables.

TOURNAMENT PLAYERS CLUBS

The original concept of the PGA TOUR, The Tournament Players Clubs have within the decade of the 80's gone from a dream to a network that now encompasses 22 courses in 12 states and with the addition of TPC International, two countries.

It was the TOUR's view that the spectator had been left out in golf course design throughout the years and when it came time for the PGA TOUR to build its own course, the opportunity presented itself for the TOUR to build a course that not only challenged the players, but allowed spectators to see the action as never before.

It's called "Stadium Golf" and once you've viewed a tournament on a Stadium Golf Course, you'll understand why the network has grown in such a short period of time.

Spectator mounds now allow fans unrestricted views whether on tee shots, fairway shots or on the greens. In fact, the 18th hole at the original TPC at Sawgrass can accommodate crowds of some 30,000 people and all have a clear view of the action. You won't see any periscopes at an event on a Players Club course.

The network began in 1980 with the club at Sawgrass, the facility that annually hosts THE PLAYERS Championship, and quickly grew into the present number of 22. All TPCs are designed to host PGA TOUR or SENIOR PGA TOUR events and to date, the clubs have been designed by some of the top architects in the business – Pete Dye, Arnold Palmer, Arthur Hills, Jay Morrish, Bob Cupp, the Von Hagge/Devlin team and Jack Nicklaus to name just a few.

In addition, one of the things that adds a bit of spice to all TPCs is that a PGA TOUR player (or in some cases, two) are assigned to serve as a consultant to the designer. To date, Ed Sneed, Tom Weiskopf, Fuzzy Zoeller, Hubert Green, Craig Stadler, Ben Crenshaw, Al Geiberger and Chi Chi Rodriguez have been among those lending their expertise to the TPC Network.

In reality it is a nationwide country club. A membership at one TPC affords a person a chance to play at any of the other clubs across the country and an opportunity to view the greatest players in the world in action on his own course once a year.

Since the Tournament Players Club at Sawgrass opened, the TPC Network has now truly become "the best set of clubs in America."

Golf fans saw plenty of action at the TPC of Michigan during last year's Mazda presents The Senior Players Championship.

MEDIA REGULATIONS

THE GENERAL REGULATIONS

The following regulations are to be followed by *all* members of the Media:

1. An **ARM BAND** is *necessary* to walk inside the galley ropes. Remain *not more than an arm's length from the ropes*, so as to blend into the gallery and appear to be a part of the gallery at all times.
2. Players are not to be distracted during play. **DO NOT** interview players or ask them to pose for photographs during their round.
3. **DO NOT** interview players or ask them to pose for photographs during their practice sessions prior to their round except by prior arrangement with the player.
4. If an interview is to be conducted in the practice areas, either the range or the putting green, it must be done by **PRIOR ARRANGEMENT WITH THE PLAYER** and up against the ropes and **NOT** in the middle of the areas where it could be distracting to other players.
5. **DO NOT** disturb players at their 18th green and/or scoring tent until after they have checked, signed and returned their scorecards.

WORKING PRESS REGULATIONS

To avoid embarrassment to you and distraction to the contestants:

1. Do not walk or stand in playing areas.
2. Follow directions of marshals and other officials.
3. Do not interview during play. The leading players each day—and others requested—will be interviewed following their rounds in the Press Room interview area.

TAPE RECORDER REGULATIONS

1. All tape recorder work should be done in the proximity of the Press Room and/or Clubhouse.
2. Tape recorders are **NOT** permitted in the locker room.
3. Tape recorders are **NOT** permitted within the playing area of the golf course unless written permission has been granted from the PGA TOUR and/or the tournament sponsor.

RAIN DELAY GUIDELINES

1. During rain delay situations, **NO ONE** other than players and essential staff will be permitted in the locker room. This means the Media is not permitted in the locker room in such situations. However, whenever possible, arrangements will be made to provide players for interviews during such situations.
2. Fully accredited members of the news media **WILL BE WELCOMED** into the locker room at all other times to carry out their assigned duties. (Note: Cameras and tape recorders are **NOT** permitted.)

This Tournament is essentially for the players and spectators. Fair play requires that there be no noise or other distractions. The interests of all others must be subordinated to the players interests. The result of any one shot could decide the Tournament.

Only **ACCREDITED PHOTOGRAPHERS** for **RECOGNIZED NEWS MEDIA** will be permitted to take pictures during the Tournament. Photo assistants may be issued a credential, but not photo arm bands for access inside the ropes. Photography will be restricted to news use. Commercial and personal photography is prohibited (except that spectators may take pictures on practice days and during a ProAm). Free lance photographers shooting on speculation will **NOT BE ACCREDITED**.

The following regulations apply to accredited news and television photographers and videotape cameramen as a condition of the privilege of taking pictures:

PHOTOGRAPHY REGULATIONS

GENERAL—ALL PHOTOGRAPHERS

- Photography will be restricted to NEWS use only. COMMERCIAL and PERSONAL photography is prohibited (except that spectators may take pictures on practice days and during a pro-am). Freelance photographers shooting on speculation WILL NOT BE ACCREDITED.
- A photographer must not ask a player to pose or in any way verbally distract a player during a round.
- If a player or an official requests that no photographs be taken in a certain situation, the request must be honored immediately, without discussion.
- A camera must not be pointed at a player about to make a stroke in any manner which might tend to disturb him or distract his attention.
- At the 9th and the 18th greens, photographers must not approach, delay or distract a player until he has checked, signed and returned his scorecard to the proper official. Under the Rules of Golf, a player turning in an incorrect scorecard in stroke play may be disqualified.
- Cameras are not permitted in the locker room.
- Use of golf carts or other means of transportation on the course during tournament play is prohibited.

STILL PHOTOGRAPHERS

- Only still photographers to whom armbands have been issued will be permitted inside gallery ropes. They must station themselves immediately inside such ropes, and not more than an ARM'S LENGTH FROM THE ROPES, so as to blend into the gallery and appear to be part of the gallery. They must not take conspicuous positions in the open. Any photographer who violates this regulation will forfeit the right to working inside the ropes and possibly to work at the tournament.
- Close-up action shots are prohibited.
- All pictures must be taken at appreciable distances, as far from the players as possible and from angles which are not acute to the line of play.
- When working at a green, photographers must not position themselves directly in a player's putting line.
- Pictures, even from a distance, may not be made until the player has completed his stroke. The photographer must not release his camera shutter until the shot is made.

TELEVISION/VIDEOTAPE CAMERAMEN

- Television and videotape filming may be done from inside the gallery ropes, or from areas approved by the PGA TOUR. All camera personnel who have been issued PHOTO armbands will be permitted inside the gallery lines but this does not include other members of the crew. Camera personnel must station themselves immediately inside the gallery lines, not more than an arm's length from those lines, so as to blend into the gallery. They must not take conspicuous positions in the open.
- The only EXCEPTIONS to the above regulation concerns workers from the presenting network, or the TOUR's own Production company who have greater liberties in filming the event. Only these two groups will be allowed to move freely inside the ropes.
- Filming may be done from the locations described above during a player's stroke, provided modern equipment that produces a minimum of noise is used.
- Post-round interviews must be filmed far enough away from the arena of play to eliminate the possibility of distraction to those competing.

Difficulties will be avoided if photographers are fair and will treat players as they themselves would wish to be treated in similar circumstances.

The cooperation of all photographers will be appreciated.

OFFICIAL PGA TOUR GOLF DESTINATIONS

CATALONIA, SPAIN

Catalonia, Spain, is the TOUR's newest golf travel destination. Official Golf Destinations are a program to help avid golfers find great golf vacation sites. And this one's a real winner.

Catalonia is the site of the 1992 Olympics. And it's the PGA TOUR's first European golf travel destination. With very, very good reason.

Catalonia, the region surrounding Barcelona, is chocked full of beautifully kept golf courses that are, as yet, nearly undiscovered by American golf travelers. Go north of Barcelona to the rocky Costa Brava, and play a variety of seaside and mountain courses. Wide, tree-lined fairways are almost a trademark of the region -- but don't be lulled into security. These courses are tough, and fun.

And so is the sightseeing. Climb up into the ancient city of Pals. See how people lived in the 13th century -- and how they're still living today. Visit the weird and wonderful Dali Museum in Figueres. View ruins at Empuries that are half a century older than Christ.

To the south of Barcelona is the sunny Costa Daurada, where the biggest water hazard is the Mediterranean Sea that's visible from almost every course. Olive trees are everywhere, and the courses vary in difficulty from a pleasant afternoon's round to a vendetta with nature.

Sights to see here include plenty of awesome Roman ruins at Tarragona. Wide sandy beaches everywhere make this a mecca for European tourists.

A two-hour drive out of Barcelona leads to the Pyrennes, and a beautiful course you can play in the morning, then (in the spring and fall) ski in the afternoon. Or vice versa. The choices are all yours in Catalonia.

Choose sight-seeing, in Barcelona itself, too. This is a tourist's paradise. Stroll down Las Ramblas, a wide avenue made just for ambling. Pop into a shop or two. Buy some flowers. Then visit the strange and wonderful Sagrada Familia cathedral, still unfinished after 100 years. And that's only a start.

If you've never been to Barcelona, now is the time to go. If you've visited before but never played golf, now is the time to inspect the courses carefully, one at a time.

The Olympics are coming to Catalonia -- and so is golf! This is the year to travel to Catalonia. Be there!

BRITISH COLUMBIA

British Columbia is another Official PGA TOUR Golf Destination. The operative words here are "Spectacular." "Gorgeous." "Beautiful." And there are plenty of golf travel opportunities to match.

From coastal Victoria and Vancouver to the high interior mountains, this lovely province in Western Canada offers extremely fine golf courses and resorts in breathtaking settings.

Courses on the coast of British Columbia are lush and green nearly all year round, thanks to the warm gulfstream current that flows by its shores. That current creates a warm, Mediterranean climate almost all year -- and long summer days mean tee times that begin as early as 7 a.m. Excellent coastal courses include the Royal Colwood and Victoria Golf Clubs in Victoria.

OFFICIAL PGA TOUR GOLF DESTINATIONS

In addition to golf, be sure to visit both cities: picturesque Victoria and busy Vancouver. Then take time for some great salmon fishing or watch the whales at Robson Bight before you travel inland.

The central portion of the province is what British Columbians call "The Interior." This area gets the most sunshine of any part of the province. There's golf aplenty from April to October, and little rain (though there's plenty of snow in winter). Particularly interesting courses include Kamloops' Rivershore (a Robert Trent Jones course). Gallagher's Canyon at Kelowna is reputed to be one of the province's most challenging tracks. Although only a morning's drive from Vancouver, the interior is light years away in terms of hustle and bustle. Scores of clear lakes mean plenty of water sports, and a relaxed, country-club atmosphere prevails.

But you haven't really seen British Columbia until you've seen its mountains. The Canadian Rockies are home to some of the most spectacular golf in the world. Resort courses here feature golf in summer and skiing in winter -- all surrounded by rugged beauty on the grandest scale. Play the popular Whistler Resort. Or visit the hot springs at Radium Hot Springs and Fairmont Hot Springs, then play golf on their excellent courses.

Wherever you go in British Columbia, the golf is terrific. The scenery is spectacular. And there's plenty to do and see.

No doubt about it. British Columbia deserves the status of Official PGA TOUR Golf Destination. Check it out!

THE BAHAMAS

Golf has become, in recent years, a vital part of any golfer's vacation getaway to the Bahamas. This Official PGA TOUR Golf Destination represents a joint venture between the Bahamas Ministry of Tourism and two local tourism boards, in an enthusiastic effort to attract American golfers to its island shores.

Five top Bahamian golf courses join forces with quality vacation resorts for a complete golf holiday. To ensure the best golf conditions possible, each participating course receives advice on golf course maintenance from PGA TOUR Agronomy Services.

The Cable Beach/Paradise Island Promotion Board offers three beautiful seaside resort courses at top resorts: Paradise Island, Crystal Palace, and the more secluded Divi Bahamas. Even a terrible tee shot can't ruin the ocean vistas you'll find at almost every turn.

Tight, narrow fairways and a seaside links atmosphere prevail at Crystal Palace, while Paradise Island is more open, with more water hazards. The unique Divi course is hilly, and spiced

with the ruins of old stone houses.

A short hop takes you to Grand Bahama Island, site of some of the most luxurious golf in the Caribbean. The Grand Bahama Island Promotion Board points with pride to the Ruby and Emerald Courses connected with the beautiful Bahamas Princess Hotel and Resort. The rough here is actually jungle, and shots that land in the rough usually require a one-stroke penalty.

The Lucaya Golf and Country Club, near Freeport, offers some truly spectacular golf. The course allows golfers the freedom of solitude, as each fairway is separate from the next. There's only one water hazard, but a lot of "target golf."

Of course, golf isn't all there is to do in the Bahamas. There's eating -- conch in every conceivable form, and many other local delicacies as well. And there's shopping. The Straw Market in Nassau is a must-see. In Freeport, try the funky International Bazaar and the modern Port Lucaya. And of course, the Caribbean sea is everywhere.

However you choose to spend your Bahamian vacation, make sure golf is an integral part. The Bahamas are THE golf spot in the Caribbean.

See for yourself.
