A BRIEF HISTORY OF THE SENIOR PGA TOUR

The SENIOR PGA TOUR, tabbed by many as the most successful professional sports venture of the 1980s, began rather inauspiciously from discussions during 1979 in which leading senior players expressed an interest in playing several "senior" events, provided sponsors could be found and if the PGA TOUR would administer the tournaments. Prior to that time, only certain special events for tournament professionals over the age of 50 were held, most notably the Legends of Golf and the PGA Seniors Championship.

A landmark meeting on January 16, 1980, laid the formal groundwork for the SENIOR PGA TOUR. Attending that meeting were Sam Snead, Julius Boros, Gardner Dickinson, Bob Goalby, Don January and the late Dan Sikes—all leaders on the All-Time Money List. Sikes was named chairman of what became known as the Senior Advisory Council, and Snead was named honorary chairman.

At that meeting, it was recognized that any senior tour would have to trade on the reputations and images made by PGA TOUR players over their long years of activity on that tournament circuit. Eligibility criteria were therefore centered around a player's position on the All-Time Money List and number of career victories.

It was also determined that such a senior tour could succeed only with a format emphasizing pro-am play. So, the format for play was set with a field of 50 players (later expanded to 52) so that two rounds of pro-am play could be held and one of these pro-am rounds could be made an official round of the tournament.

After approval of the new SENIOR PGA TOUR by the Tournament Policy Board of the PGA TOUR on January 22, 1980, work began on establishing events for Senior TOUR play. Two tournaments were conducted in 1980, one in Atlantic City, NJ, (won by Don January) and the other in Melbourne, FL (won by Charlie Sifford).

The Senior TOUR grew steadily over the next few years with five events in 1981, 11 in 1982 and 18 tournaments by 1983. Prize money offered for players on the 50-and-over circuit tallied over \$3 million for the 1983 season. Miller Barber and Don January, fellow Texans, emerged as the dominant players with each winning two money titles in the first four years of the Senior TOUR, and between them, a total of 21 events. Among the other notable performers on the new circuit during that stretch was a five-time winner, Arnold Palmer. Expansion and growth continued in 1984 with 24 tournaments on the schedule worth over \$5 million in prize money, prompting January to publicly state, "If you'd have told me back in 1980 that we'd have this many events and be playing for this much money, I'd have said you were crazy."

By 1985, the Senior TOUR was large enough, 27 events worth over \$6 million, to merit its establishment as a division of the PGA TOUR, a distinct and separate operating and financial entity, with Senior TOUR net revenue going to fund a newly-created Senior Player Retirement Plan. To help guide this fast growing circuit, a SENIOR PGA TOUR Division Board was formed consisting of three Independent Directors, three Player Directors and the immediate Past President of the PGA of America. The Division Board was later expanded from seven to nine with the addition of another Independent Director and Player Director.

Of considerable note to the Senior TOUR was the announcement prior to the 1985 season that a cable television package on ESPN had been put together allowing seven events to enjoy national cable exposure. With the production costs partially funded by Mazda Motors of America, Mazda also helped create the Senior TOUR's first-ever season-long bonus pool (\$300,000) and sponsored a \$1 million season-ending team event in conjunction with the LPGA.

While 1985 also saw a separate logo and licensing program developed for the Senior TOUR, on the playing front, a different face dominated the scene. Australian Peter Thomson,

a five-time British Open winner, won a record nine tournaments during the 1985 season and 10 events in a 12-month stretch. The last event of the year, however, was won by a new senior entry, Gary Player.

The following year, former two-time Vardon Trophy winner Bruce Crampton took top honors with seven Senior TOUR victories from the 28 tournaments on the 1986 schedule, while two rookies, Chi Chi Rodriguez and Dale Douglass, finished second and third on the final money list, respectively.

The start of the 1987 season marked the entry of another major corporate sponsor as the Vantage brand of R. J. Reynolds Tobacco Company introduced their Vantage Program to the 35-event senior circuit. The Vantage involvement included a \$1 million, season-long team points competition called the Vantage Cup; the sponsorship of the first \$1 million tournament on the Senior TOUR, called the Vantage Championship; sponsorship of a series of major Vantage tournaments; sponsorship of a SUPER SENIORS Competition for players 60 years old and above, and a new advanced electronic scoreboard system.

The size of Senior TOUR tournament fields was expanded to 72 players in 1987, and for the first time, the pro-am portion and tournament portion of events were separated. For standard events, the two-day pro-am was held on Wednesday and Thursday with pros only competing Friday through Sunday. That format remains in effect today.

The Senior TOUR grew to 37 events in 1988 and Vantage began sponsorship of the Senior TOUR's first-ever statistical program, with season-ending leaders in each of 10 stats categories receiving cash bonuses. Bob Charles, the most successful left-hander in golf history, enjoyed a record-setting year, establishing a new single-season earnings mark on the Senior TOUR as he pocketed \$533,929.

Continued growth marked the 1989 season, as Senior TOUR tournament fields were increased to 78 players. R.J. Reynolds hosted an expanded \$1.5 million Championship, offered another \$750,000 in individual bonus money, and yet another \$750,000 in bonuses to other Senior TOUR tournaments. With the RJR bonus money counting as "official" prize money, Charles again set the earnings pace with a record \$725,887.

In 1990, golf's "Big Four" were reunited on the senior scene. The arrival of Lee Trevino and Jack Nicklaus, together again with Palmer and Player, lifted the popularity of the Senior TOUR to unprecedented levels at the start of the new decade. 1990 also marked the introduction of Cadillac Motor Car Division as the umbrella sponsor for Senior TOUR cable telecasts. Though five players surpassed the previous single season earnings record, Trevino was the dominant performer, notching seven wins and finishing out of the top 10 only twice in 28 starts. His official earnings total of \$1,190,518 not only made him the Senior TOUR's first "million-dollar man," but also the year's leading money-winner in all of golf.

Mike Hill became the second senior to cross the magical seven-digit figure in 1991, earning \$1,065,657 and winning five times. PGA TOUR Productions also introduced, "Inside the SENIOR PGA TOUR", and ESPN aired the new program for 39 consecutive weeks during the season.

Lee Trevino, despite a hand injury in mid-season, again was the leading money-winner on the Senior TOUR in 1992. His \$1,027,002 total made him the first player to surpass seven figures twice in a career. The Senior circuit also welcomed Raymond Floyd to the fold and he made history by becoming the first player to win on both the PGA TOUR and SENIOR PGA TOUR in the same season.

THE SENIOR PGA TOUR DIVISION BOARD

The SENIOR PGA TOUR, formerly a department within the overall structure of the PGA TOUR, became an operating division of the PGA TOUR in October, 1985. The restructuring, along with the naming of a nine-man SENIOR PGA TOUR Division Board, gives the Senior TOUR greater ability to deal with its particular policies, opportunities and issues.

The nine-member Board, is composed of the following:

Four Player Directors, elected by the SENIOR PGA TOUR membership.

Four Independent Directors (one yet to be determined at press time), representing the public interest. One serves as Chairman of the Board.

One PGA Director, who is the Past President of the PGA of America.

A Player Advisory Council consults with the Policy Board.

ABOUT THE COMMISSIONER

Deane R. Beman

Born: April 22, 1938

Birthplace: Washington, DC

Family: Wife, Judy; five children

Entering his 20th year as Commissioner of the PGA TOUR, since succeeding Joseph C. Dey, Jr., on March 1, 1974, Deane R. Beman has overseen the most explosive period of growth in the TOUR's history.

During the Beman administration, the "business side" of the PGA TOUR has shown dramatic growth and now includes many heretofore uncharted paths, each designed to help encourage continued prosperity and to ensure the future of the game.

PGA TOUR Golf Course Properties has grown to include 14 Tournament Players Clubs nationally with more clubs in the planning stage across the United States. TPC International was started in 1989 with a Players Club in Japan. The Golf Club of Jacksonville, a municipal course operated by the PGA TOUR for the city of Jacksonville, opened in 1989, followed by the Golf Club of Miami the next year. In addition to providing tournament state-of-the-art facilities, Tournament Players Clubs have been instrumental in the growth of the PGA TOUR assets, which have climbed from \$730,000 to more than \$200 million during the Beman era.

The marketing arm of the PGA TOUR continues to open new opportunities in golf for commercial sponsors and the TOUR's members. Long-term programs with Coca-Cola and IBM that were initiated in 1992 and the replacement of the Ben Hogan Company with NIKE to form the NIKE Tour are the latest in a long line of marketing efforts designed for the combined benefit of players, sponsors and charities.

PGA TOUR Partners was started in 1991 to enhance the golf experience for serious fans by giving them a unique, inside look at the PGA TOUR, and providing charitable support to worthy non-profit organizations. In less than two years the Partners program now includes over 75,000 members.

PGA TOUR Productions, created in 1985, is the TOUR's in-house TV/audio visual production entity. Created to produce tournament highlight video films, vignettes, commercials, specialty pieces and the acclaimed "Inside the PGA TOUR," a weekly half-hour show airing on ESPN, Productions added "Inside the SENIOR PGA TOUR" in 1991.

Other important innovations introduced during the Beman administration include a professional agronomy department, PGA TOUR Stats Program, electronic scoreboards, "Official Golf Destinations" and establishment of mobile fitness training centers, sponsored by Centinela. Competitively, the Beman era has witnessed the birth of the Senior PGA TOUR which started with two events in 1980 and has grown to its present 43 events. The NIKE Tour, born in 1990, has been a success by all measures and has provided aspiring professionals with TOUR-like competition as a stepping stone to the PGA TOUR. In all there are 118 tournaments on the combined Tours, and total prize money has increased from \$8.2 million in 1974 to more than \$97 million for the 1993 season.

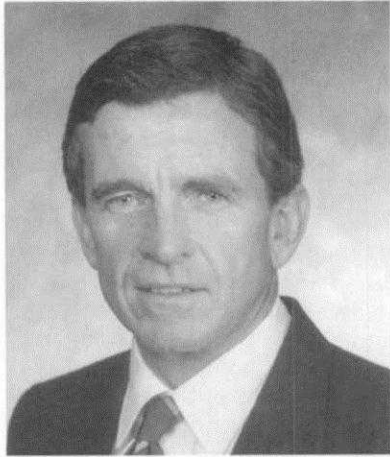

The Player Retirement Plan was instituted in 1983 to help provide PGA TOUR members with a stable source of income upon retirement from tournament competition. At the time, establishment of the plan was viewed as a significant step towards bringing the TOUR closer to the ranks of other "major" sports with respect to player benefits.

Charity has easily been the TOUR's leading money winner during the Beman era. Surpassing the \$20 million mark in 1992, the American Golf Sponsors and the PGA TOUR have donated over \$135 million over the past seven TOUR seasons alone. In the fall of 1992 the TOUR and the American Golf Sponsors surpassed the \$200 million mark in donations since 1938.

During his active years as a player, Beman established an enviable slate of accomplishments, compiling one of the great amateur records of all-time. He won the U.S. Amateur title in 1960 and 1963 and the British Amateur Championship in 1959. Beman was a member of four Walker Cup teams, four World Amateur Cup teams and three U.S. America's Cup Squads.

In 1967, at the age of 29, he left a prosperous insurance brokerage firm in Bethesda, MD, to join the PGA TOUR as a full-time player. During his six-year professional career, he won the 1969 Texas Open, 1970 Greater Milwaukee Open, 1971 Quad Cities Open (Unofficial), 1972 Quad Cities Open and the 1973 Shrine-Robinson Classic before hanging up his spikes to become Commissioner in 1974.

Official PGA TOUR Golf Destinations

CATALONIA, SPAIN

Catalonia, Spain, the newest PGA TOUR golf travel destination, received widespread publicity as host of the 1992 Summer Olympic Games. Soon, it may be equally well-known as a golf destination.

The courses in Catalonia are as diverse as the scenery. Seaside and mountain courses can be found at Costa Brava, north of Barcelona. To the South is the Mediterranean Sea, which is visible from nearly every course in the area. Finally, a course in the Pyrenees, two hours to the east, lets you play golf in the morning and, in the spring and fall, ski in the afternoon...or vice versa.

BRITISH COLUMBIA

British Columbia offers a wide variety of spectacularly beautiful golf travel opportunities.

Coastal Victoria and Vancouver courses allow play nearly year-round thanks to warm currents offshore. The central region gets the most sunshine of any part of the province, with plenty of golf available from April to October. The eastern mountains, meanwhile, offer some of the most spectacular and ruggedly beautiful golf in the world.

RJR GOLF AND SENIOR TOUR SET FOR SEVENTH SEASON

R.J. Reynolds Tobacco Co. continues its major sponsorship of golf on the Senior TOUR under a different name and a different philosophy in 1993. The RJR Golf Program, now entering its seventh season, will no longer feature an individual competition or a tournament team competition. Instead, the company's commitment will be redistributed to benefit 36 different Senior TOUR events over the course of the year.

RJR Golf will contribute \$150,000 towards the purse at each of six senior events on the schedule -- The Royal Caribbean Classic, The Vantage at The Dominion, The Las Vegas Senior Classic, The Southwestern Bell Classic, The Kroger Senior Classic and The Bank of Boston Senior Golf Classic. In addition, the company will contribute a check for \$22,500 to each of 36 tournaments on the Senior TOUR slate to aid in the administration and operation of each event.

Twenty-five Senior TOUR tournaments will again host the popular Vantage Classics competitions this year and the weekly purse will be increased from \$70,000 to \$90,000. All participants in the tournament field age 60 and over are eligible to compete in the "tournament within a tournament". The Vantage Classics event concludes one round prior to the overall event, and while Vantage Classics earnings are unofficial, the players earn official money based on their finish in the main tournament.

Historic Tanglewood Park outside Winston-Salem, NC, remains the venue for the \$1.5 million Vantage Championship -- the richest event on the SENIOR PGA TOUR. The winner of the 1993 Vantage Championship will again collect \$202,500, while the Vantage Classics champion earns \$30,000.

The company will also continue its Vantage Aces program. Any senior professional making a hole-in-one during an official round of a Senior TOUR event will receive a \$2,000 bonus check and RJR Golf will contribute an additional \$1,000 towards the tournament charity. Last year, a record 18 Vantage Aces were recorded on the Senior TOUR by 18 different players.

R.J. REYNOLDS SCOREBOARDS

The electronic R.J. Reynolds Scoreboard systems have become an integral part of the Senior TOUR since they were first introduced in 1987. The systems provide fans and players with updated status reports, current scores, biographical information, statistical facts, special reports and messages. The boards are not only designed to handle the rigors of cross-country travel, but they can also withstand all types of weather conditions while on site.

In 1988, the original systems were replaced with the state-of-the-art equipment that is in operation today. The RJR Scoreboards feature "Glowcube" technology from Daktronics, Inc. of Brookings, S.D. -- the manufacturer of the electronic scoreboards for the 1988 Winter Olympics and the 1992 Summer games in Barcelona, Spain. The "Glowcube" technology, driven by computers, allows for faster scoring and better graphics. Data is transmitted through radio signals, thus eliminating the need for costly telephone lines over the entire course.

CADILLAC EXTENDS SENIOR TOUR SPONSORSHIP AGREEMENT

Cadillac
SENIOR
PGA TOUR SERIES

Cadillac Motor Division has stepped up its involvement with the SENIOR PGA TOUR with an agreement for an extension of its sponsorship role. The extension covers four years, 1993 through 1996. Under the terms of the contract beginning this year, Cadillac returns as the "Official Car of the SENIOR PGA TOUR", increases its role as the umbrella sponsor for Senior TOUR telecasts on ESPN and for the first time, enjoys title sponsorship of an official event on the Senior TOUR schedule.

Since 1990, Cadillac has helped propel the Senior TOUR into a prominent position on national cable television. As the umbrella sponsor for ESPN telecasts, Cadillac underwrites a share of the television production costs for each of the "Cadillac Series" events. In 1993, the "Cadillac Series" expands to 17 events with the addition of a new tournament, the Cadillac NFL Golf Classic, and will increase by one each year through 1996 when 20 events appear on ESPN cable television.

On Memorial Day weekend this year at the Upper Montclair Country Club in Clifton, N.J., many of the top stars in the National Football League will be paired with golf's living legends in a unique pro-am format at the Cadillac NFL Golf Classic.

Each season since 1990, Cadillac and ESPN have provided the Senior TOUR with broader television coverage than ever before. Three-day coverage of Cadillac Series events will continue to feature the more popular and consistent airtimes which have resulted in significant gains in ratings over the last three seasons.

As the Senior TOUR's Official Car, Cadillac supplies courtesy cars for each event in the Cadillac Series plus a fleet of cars for use by the Senior TOUR's on-site tournament staff and headquarters staff.

The winner of this year's Cadillac Series will take home two new 1994 Cadillacs. Cadillac will also award 1994 automobiles to both the second- and third-place finishers in the 1993 series. Performance is based on official prize money earned in the 17 Cadillac Series events. Last year, Senior TOUR Player of the Year Lee Trevino outdueled 1991 Cadillac Series winner Jim Colbert to take home a trio of automobiles.

MERRILL LYNCH SHOOT-OUT SERIES

The Senior TOUR version of the Merrill Lynch Shoot-Out series has become a popular staple for golf fans across the country over the last four years and will return in 1993 with an even larger schedule of events than in previous seasons and a bigger pot at the end of the rainbow.

Merrill Lynch Shoot-Outs will be part of 17 Senior TOUR tournaments in the 1993 campaign, the largest number ever. The nine-hole competitions, conducted on Tuesday of tournament week, will feature top Senior TOUR players battling for \$12,650 in prize money at each contest, with the weekly winner taking home \$4,000.

A Merrill Lynch Shoot-Out begins with 10 players, and on each hole the player with the highest score is eliminated. Ties are broken by a sudden-death "shoot-out," involving a pitch, chip, bunker shot or putt. The individual whose ball comes to rest farthest from the hole is ousted from the field.

Each Merrill Lynch Shoot-Out comprises the defending champion of that particular tournament, the top three players entered in that tournament from the current money list, the top three players in the tournament from the All-Time money list and three sponsor selections.

At the end of the season, Merrill Lynch will sponsor its fourth Senior Shoot-Out Championship featuring the top five money-winners from the Senior TOUR official money list, the top two available players from the year-long Merrill Lynch Shoot-Out series and three sponsor selections.

CENTINELA FITNESS CENTER

In 1986, Centinela Hospital Medical Center expanded its association with the PGA TOUR by providing a mobile training center for the SENIOR PGA TOUR. The Centinela Hospital Fitness Center (CHFC) on the senior circuit was officially dedicated at the Seiko-Tucson Match Play Championship at Randolph Park in Tucson, Arizona, on November 1 of that year.

One of the most popular innovations on both the PGA TOUR and SENIOR PGA TOUR, the CHFC is a mobile gymnasium that includes state-of-the-art exercise equipment, massage tables, television, stereo and a full line of vitamins and nutritional products.

Staffed by qualified physical therapists, the CHFC makes use of Centinela's research to help players attain and maintain optimum fitness. The CHFC travels to the vast majority of Senior TOUR events across the country, providing both rehabilitative and preventive care.

Additionally, Centinela Hospital Medical Center provides each Senior TOUR player with a personal physical conditioning program based on that individual's current level of fitness and provides internationally recognized orthopedists Dr. Frank Jobe and Dr. Lewis Yocum of Centinela Hospital's Fitness Institute for consultations with players. Dr. Jobe, Medical Director of the PGA TOUR, is also team physician for the Los Angeles Dodgers; Dr. Yocum, Assistant Medical Director of the PGA TOUR, is an orthopedic consultant to the California Angels.

The CHFC has made its impact over the past six years with many players finding the van and available technicians an invaluable aid to their success on the Senior TOUR. In fact, many players have commented that they would have been unable to compete in some tournaments without this facility.

"There is no question that we are very fortunate to have the Centinela Hospital Fitness Center on the Senior TOUR," said Bruce Crampton. "Originally, I was looking for a program that would provide me with flexibility and longevity for the TOUR. Working out in the van makes me much more relaxed on the course. I ride the bike and get rid of stress."

Centinela Hospital's Biomechanics Laboratory has done research and testing on professional golfers' swings and, based on the results, developed scientific exercise programs which are available through books and videotapes. These programs, designed by Dr. Jobe and Dr. Yocum, have helped countless golfers stretch their potential while minimizing their risk of injury. For information on how you can benefit from Centinela Hospital's exclusive golf programs, call Champion Press at (213) 673-4660, ext. 8669.

Coppertone (a product of Schering-Plough, Inc.), the leading manufacturer of skincare products in the country, began providing their products to the CHFC in 1989. After extensive research with TOUR players, Coppertone has developed a line of skincare products which are now available in leading pro shops. **Advil** (a product of Whitehall Labs) supports the van by providing some of the top painrelievers available on the market today. Like the other sponsors of this facility, Advil will be exploring new methods of providing better healthcare products for golfers. **Moex**, which manufactured the CHFC in Albany, OR, is one of the world's leaders in expandable facilities. The mobile center quickly expands to provide 500 square feet of floor space and comfortably accommodates sophisticated training equipment including stationary bicycles, weight sets, and massage tables.

TOURNAMENT PLAYERS CLUBS

An original concept of the PGA TOUR, Tournament Players Clubs have within the decade of the '80s gone from a dream to a network that now encompasses 21 courses in 12 states and, with the addition of TPC International, two countries.

It was the TOUR's view that the spectator had been left out in golf course design throughout the years. When it came time for the PGA TOUR to build its own course, the opportunity presented itself to build a course that not only challenged the players but also allowed spectators to see the action as never before.

It's called "Stadium Golf"-- and once you've viewed a tournament on a Stadium Golf Course, you'll understand why the network has grown in such a short period of time.

Spectator mounds abound that afford fans unrestricted views whether on tee shots, fairway shots or on the greens. In fact, the 18th hole at the original TPC at Sawgrass can accommodate crowds of some 30,000 people--all with a clear view of the action. You won't see any periscopes at an event on a Players Club course.

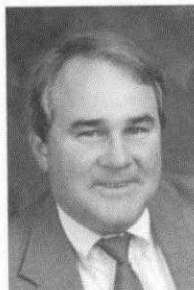

The network began in 1980 with the club at Sawgrass, where it annually hosts THE PLAYERS Championship, and quickly grew into the present number of 21. All TPCs are designed to host PGA TOUR or SENIOR PGA TOUR events, and to date the clubs have been designed by some of the top architects in the business--Pete Dye, Arnold Palmer, Arthur Hills, Jay Morrish, Bob Cupp, the Von Hagge/Devlin team and Jack Nicklaus, to name just a few.

In addition, one of the things that adds a bit of spice to all TPCs is that a PGA TOUR player (or, in some cases, two) is assigned to serve as consultant to the designer. To date, Ed Sneed, Tom Weiskopf, Fuzzy Zoeller, Hubert Green, Craig Stadler, Ben Crenshaw, Al Geiberger and Chi Chi Rodriguez have been among those lending their expertise to the TPC Network.

In reality a nationwide country club, a membership at one TPC affords the member a chance to play at any of the other clubs across the country and an opportunity to view the greatest players in the world in action on his own course once a year.

Since the Tournament Players Club at Sawgrass opened, the TPC Network has now truly become "the best set of clubs in America."

PGA TOUR PRODUCTIONS

To Find a New Home in Saint Johns County

PGA TOUR Productions, the in-house television and video production company of the PGA TOUR, is planning a move to more spacious state-of-the-art facilities in St. John's County, FL.

The planned move comes on the heels of one of the most exciting years in the history of PGA TOUR Productions. For the third consecutive year, "Inside the PGA TOUR" was nominated for cable television's highest honor, the ACE Award, as Best Sports Information Series. "Inside the PGA TOUR" and "Inside the SENIOR PGA TOUR" are broadcast each week on ESPN.

In addition, PGA TOUR Productions, in conjunction with Bridge TV, produced a documentary on the evolution of golf entitled "Golf and All Its Glory," which first aired on BBC Scotland and will be distributed worldwide.

Along with the latest in television and communication technology, PGA TOUR Productions, in association with the new PGA TOUR Hall of Fame, will house the world's most extensive library of golf footage.

The PGA TOUR Hall of Fame and PGA TOUR Productions will join the long list of attractions in St. John's County. Vacationers from around the world flock to the area to enjoy a wide array of leisure activities.

The PGA TOUR Productions van covers TOUR events across the country.

PGA TOUR PRODUCTIONS (cont.)

Ponte Vedra Beach, in addition to being the home of the PGA TOUR, features elegant resorts with luxury accommodations, exquisite service and world-class amenities. Sailing, swimming and relaxing on quiet stretches of beach are favorite pastimes.

Just 30 minutes south of Ponte Vedra Beach is the historic city of St. Augustine, the oldest permanent European settlement in North America. The city's European heritage is evident today in the picturesque architecture and narrow streets of the restored Spanish Quarter, as well as many historic sites.

St. John's County offers a number of exciting vacation spots. The PGA TOUR Hall of Fame will be a notable addition to that list.

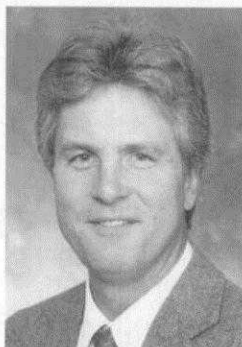

"Inside the PGA TOUR" and "Inside the SENIOR PGA TOUR" are produced weekly by PGA TOUR Productions..

MEDIA REGULATIONS

THE GENERAL REGULATIONS

The following regulations are to be followed by *all* members of the Media:

1. An *ARM BAND* is necessary to walk inside the galley ropes. Stay within an arm's length of the ropes, so as to blend into the gallery and appear to be part of the gallery at all times.
2. Players are not to be distracted during play. DO NOT interview players or ask them to pose for photographs during their round.
3. DO NOT interview players or ask them to pose for photographs during their practice sessions prior to their round except by prior arrangement with the player.
4. If an interview is to be conducted in the practice areas, either the range or the putting green, it must be done by PRIOR ARRANGEMENT WITH THE PLAYER and up against the ropes and NOT in the middle of the areas where it could be distracting to other players.
5. DO NOT disturb players at their 18th green and/or scoring tent until after they have checked, signed and returned their scorecards.

WORKING PRESS REGULATIONS

To avoid embarrassment to you and distraction to the contestants:

1. Do not walk or stand in playing areas.
2. Follow directions of marshals and other officials.
3. Do not interview during play. The leading players each day—and others requested—will be interviewed following their rounds in the Press Room interview area.

TAPE RECORDER REGULATIONS

1. All tape recorder work should be done in the proximity of the Press Room and/or Clubhouse.
2. Tape recorders are *NOT* permitted in the locker room.
3. Tape recorders are *NOT* permitted within the playing area of the golf course unless written permission has been granted from the PGA TOUR and/or the tournament sponsor.

RAIN DELAY GUIDELINES

1. During rain delay situations, NO ONE other than players and essential staff will be permitted in the locker room. This means the Media is not permitted in the locker room in such situations. However, whenever possible, arrangements will be made to provide players for interviews during such situations.
2. Fully accredited members of the news media WILL BE WELCOMED into the locker room at all other times to carry out their assigned duties. (Note: Cameras and tape recorders are NOT permitted.)

This Tournament is essentially for the players and spectators. Fair play requires that there be no noise or other distractions. The interests of all others must be subordinated to the players' interests. The result of any one shot could decide the Tournament.

Only ACCREDITED PHOTOGRAPHERS for RECOGNIZED NEWS MEDIA will be permitted to take pictures during the Tournament. Photo assistants may be issued a credential, but not photo arm bands for access inside the ropes. Photography will be restricted to news use. Commercial and personal photography is prohibited (except that spectators may take pictures on practice days and during a Pro-Am). Free lance photographers shooting on speculation will NOT BE ACCREDITED.

The following regulations apply to accredited news and television photographers and videotape cameramen as a condition of the privilege of taking pictures:

PHOTOGRAPHY REGULATIONS

GENERAL—ALL PHOTOGRAPHERS

- Photography will be restricted to NEWS use only. COMMERCIAL and PERSONAL photography is prohibited (except that spectators may take pictures on practice days and during a pro-am). Freelance photographers shooting on speculation WILL NOT BE ACCREDITED.
- A photographer must not ask a player to pose or in any way verbally distract a player during a round.
- If a player or an official requests that no photographs be taken in a certain situation, the request must be honored immediately, without discussion.
- A camera must not be pointed at a player about to make a stroke in any manner which might tend to disturb him or distract his attention.
- At the 9th and the 18th greens, photographers must not approach, delay or distract a player until he has checked, signed and returned his scorecard to the proper official. Under the Rules of Golf, a player turning in an incorrect scorecard in stroke play may be disqualified.
- Cameras are not permitted in the locker room.
- Use of golf carts or other means of transportation on the course during tournament play is prohibited.

STILL PHOTOGRAPHERS

- Only still photographers to whom armbands have been issued will be permitted inside gallery ropes. They must station themselves immediately inside such ropes, and not more than an ARM'S LENGTH FROM THE ROPES, so as to blend into the gallery and appear to be part of the gallery. They must not take conspicuous positions in the open. Any photographer who violates this regulation will forfeit the right to working inside the ropes and possibly to work at the tournament.
- Close-up action shots are prohibited.
- All pictures must be taken at appreciable distances, as far from the players as possible and from angles which are not acute to the line of play.
- When working at a green, photographers must not position themselves directly in a player's putting line.
- Pictures, even from a distance, may not be made until the player has completed his stroke. The photographer must not release his camera shutter until the shot is made.

TELEVISION/VIDEOTAPE CAMERAMEN

- Television and videotape filming may be done from inside the gallery ropes, or from areas approved by the PGA TOUR. All camera personnel who have been issued PHOTO armbands will be permitted inside the gallery lines, but this does not include other members of the crew. Camera personnel must station themselves immediately inside the gallery lines, not more than an arm's length from those lines, so as to blend into the gallery. They must not take conspicuous positions in the open.
- The only EXCEPTIONS to the above regulation concerns workers from the presenting network or PGA TOUR Productions, who have greater liberties in filming the event. Only these two groups will be allowed to move freely inside the ropes.
- Filming may be done from the locations described above during a player's stroke, provided modern equipment that produces a minimum of noise is used.
- Post-round interviews must be filmed far enough away from the arena of play to eliminate the possibility of distraction to those competing.

Difficulties will be avoided if photographers are fair and will treat players as they themselves would wish to be treated in similar circumstances.

The cooperation of all photographers will be appreciated.
