A BRIEF HISTORY OF THE PGA TOUR

It is not always easy to discover the exact beginning of something. So it is with the PGA TOUR. Certainly, there were professionals who competed against each other from the earliest days of the game.

In 1895, ten professional golfers and one amateur played in the first U.S. Open in Newport, RI. Shortly thereafter, tournaments began to pop up across the country. There was the Western Open in 1899. But this was not "tour" golf. The events lacked continuity.

Interest in the game, however, continued to grow. American professionals were rapidly improving and when John McDermott became the first American-born player to win the U.S. Open, enthusiasm for the game blossomed.

Adding to this growth was a commercially backed exhibition by Englishmen Harry Vardon and Ted Ray. The duo travelled across the country and attracted good crowds wherever they stopped during the warmer months of 1913. A 20-year old, Francis Ouimet, defeated the pair in a playoff for the United States Open Championship at Brookline, MA. Suddenly, golf became front page news and a game for everyone.

In the early twenties, the PGA TOUR saw its first development. Tournaments were held on the West Coast, Texas and Florida. These events were held in the winter and the golfers played their way east and up to Pinehurst in the spring. By the middle of the decade, the Tour was doing relatively well--offering \$77,000 in total prize money.

The TOUR became more structured following World War II and exploded in the late 1950s and early 60s. Flip through the **Facts and Figures** section of this TOUR Book and look at such areas as leading money winners and growth of tournament purses to witness the continuing growth.

When television became a player in the game, the eyes of the world were on golf. This exposure inspired millions to try the game and, at the same time, TV rights fees sent purses soaring. The bulk of these rights fees, which are distributed by the PGA TOUR to all co-sponsors, have gone back into the purses, accounting for the tripling of prize money in the last decade.

The touring professionals began to gain some control of the TOUR in late 1968. Joseph C. Dey was the first commissioner of what was then called the Tournament Players Division. He served from early 1969 through February 28, 1974, and was succeeded by Deane R. Beman, who took office March 1, 1974.

During Beman's administration, the value of tournament purses has escalated at an unprecedented rate; PGA TOUR assets have grown from \$730,000 in 1974 to over \$200 million today, and total revenues have increased from \$3.9 million to over \$229 million in 1992.

Since 1938, PGA TOUR events have donated more than \$200 million dollars to charity. More than \$100 million of that total has been donated since 1988.

The competitive scope of the PGA TOUR is also much broader today. The SENIOR PGA TOUR is considered by many as the sports success story of the 1980s. In 1993, the Nike Tour will enjoy its fourth season as a proving ground for professionals, taking golf to 30 new markets.

Also continuing to grow is the Tournament Players Club Network. When the PGA TOUR opened the Tournament Players Club at Sawgrass in 1980, it introduced the era of Stadium Golf and record-breaking attendance. Owned and operated by the TOUR, the concept means these courses are the only major league sports arenas owned by the players themselves.

ABOUT THE COMMISSIONER

Deane R. Beman

Born: April 22, 1938

Birthplace: Washington, DC

Family: Wife, Judy; five children

Entering his 20th year as Commissioner of the PGA TOUR, since succeeding Joseph C. Dey, Jr., on March 1, 1974, Deane R. Beman has overseen the most explosive period of growth in the TOUR's history.

During the Beman administration, the "business side" of the PGA TOUR has shown dramatic growth and now includes many heretofore uncharted paths, each designed to help encourage continued prosperity and to ensure the future of the game.

PGA TOUR Golf Course Properties has grown to include 14 Tournament Players Clubs nationally with more clubs in the planning stage across the United States. TPC International was started in 1989 with a Players Club in Japan. The Golf Club of Jacksonville, a municipal course operated by the PGA TOUR for the city of Jacksonville, opened in 1989, followed by the Golf Club of Miami the next year. In addition to providing tournament state-of-the-art facilities, Tournament Players Clubs have been instrumental in the growth of the PGA TOUR assets, which have climbed from \$730,000 to more than \$200 million during the Beman era.

The marketing arm of the PGA TOUR continues to open new opportunities in golf for commercial sponsors and the TOUR's members. Long-term programs with Coca-Cola and IBM that were initiated in 1992 and the replacement of the Ben Hogan Company with NIKE to form the NIKE Tour are the latest in a long line of marketing efforts designed for the combined benefit of players, sponsors and charities.

PGA TOUR Partners was started in 1991 to enhance the golf experience for serious fans by giving them a unique, inside look at the PGA TOUR, and providing charitable support to worthy non-profit organizations. In less than two years the Partners program now includes over 75,000 members.

PGA TOUR Productions, created in 1985, is the TOUR's in-house TV/audio visual production entity. Created to produce tournament highlight video films, vignettes, commercials, specialty pieces and the acclaimed "Inside the PGA TOUR," a weekly half-hour show airing on ESPN, Productions added "Inside the SENIOR PGA TOUR" in 1991. "Inside the PGA TOUR" was nominated for an ACE Award honoring cable television's best for the third consecutive year.

Other important innovations introduced during the Beman administration include a professional agronomy department, PGA TOUR Stats Program, electronic scoreboards, "Official Golf Destinations" and establishment of mobile fitness training centers, sponsored by Centinela. Competitively, the Beman era has witnessed the birth of the Senior PGA TOUR which started with two events in 1980 and has grown to its present 43 events. The NIKE Tour, born in 1990, has been a success by all measures and has provided aspiring professionals with TOUR-like competition as a stepping stone to the PGA TOUR. In all there are 118 tournaments on the combined Tours, and total prize money has increased from \$8.2 million in 1974 to more than \$97 million for the 1993 season.

The Player Retirement Plan was instituted in 1983 to help provide PGA TOUR members with a stable source of income upon retirement from tournament competition. At the time, establishment of the plan was viewed as a significant step towards bringing the TOUR closer to the ranks of other "major" sports with respect to player benefits.

Charity has easily been the TOUR's leading money winner during the Beman era. Surpassing the \$20 million mark in 1992, the American Golf Sponsors and the PGA TOUR have donated over \$135 million over the past seven TOUR seasons alone. In the fall of 1992 the TOUR and the American Golf Sponsors surpassed the \$200 million mark in donations since 1938.

During his active years as a player, Beman established an enviable slate of accomplishments, compiling one of the great amateur records of all-time. He won the U.S. Amateur title in 1960 and 1963 and the British Amateur Championship in 1959. Beman was a member of four Walker Cup teams, four World Amateur Cup teams and three U.S. America's Cup Squads.

In 1967, at the age of 29, he left a prosperous insurance brokerage firm in Bethesda, MD, to join the PGA TOUR as a full-time player. During his six-year professional career, he won the 1969 Texas Open, 1970 Greater Milwaukee Open, 1971 Quad Cities Open (Unofficial), 1972 Quad Cities Open and the 1973 Shrine-Robinson Classic before hanging up his spikes to become Commissioner in 1974.

1993 PGA TOUR CHARITY TEAM COMPETITION: Shell Houston Open

1992 SEASON: The TPC at The Woodlands has got to have a special place in Fulton Allem's heart...After winning there in 1991, returned to finish alone in fourth place in 1992...After opening with rounds of 67 and 70, a third round 66 moved him to within a stroke of the third round lead...Only Fred Funk's 10-under-par 62, and 14-under-par total were ahead of Allem...Closed with a 1-over-par 73, but still earned \$57,600...Finished four strokes behind Funk...Had his only other top-10 at the Southwestern Bell Colonial...Finished in a tie for 10th, after opening with rounds of 69-65...Was two strokes behind Corey Pavin at that point.

CAREER HIGHLIGHTS: After struggling through much of the 1991 season, broke into the winner's circle for the first time at the 1991 Independent Insurance Agent Open...Played the final two rounds in 11-under-par to defeat Billy Ray Brown, Mike Hulbert and Tom Kite by a single stroke...Was 143rd on the money list going into the last week of the season, but the win in Houston earned him a two-year exemption...Finished second at the 1987 NEC World Series of Golf to earn his PGA TOUR card without going through the Qualifying School.

OTHER ACHIEVEMENTS: Winner of the 1988 Sun City Million Dollar Challenge...Winner of 11 South African PGA TOUR events and 15 total world wide.

1992 SEASON: Another of the iron-men on the PGA TOUR, played in 35 events during the 1992 season... Only Ed Oougherty with 36 played more tournament golf on the PGA TOUR in 1992... Enjoyed his best weeks early in the season in Florida... After missing the cut five consecutive times, he rebounded to make four straight cuts including top-25 finishes at the Doral Ryder Open and the Honda Classic... His best finish of the year was at the Honda, where he finished in a tie for 11th... Put together three rounds at the Weston Hills Country Club in the 60s, and finished just four strokes behind Corey Pavin at Honda... A week earlier, Hallet rallied on the weekend and finished with a 4-under-par 68 and a 3-under 69, to finish with a tie for 18th.

CAREER HIGHLIGHTS: Enjoyed his best year ever on TOUR in 1991, finishing 49th on the money list with over \$330,000 in earnings... Lost in a playoff at the USF&G Classic in '91... A third round 7-under-par 65 propelled him into contention, and a final round 70 left him tied with Ian Woosnam... Woosnam's par on the second hole was enough to defeat Hallet, but also give him the largest check of his career, \$108,000... Was his second playoff loss in less than six months as late in 1990 lost in a playoff to Kenny Knox at the Buick Southern Open.

OTHER ACHIEVEMENTS: A former hockey player at Bryant College, was also a four time Division II Collegiate All-American... Finished as the runnerup to John Huston in the 1987 Qualifying Tournament... Winner of the 1984 Rhode Island Open, 1985 Massachusetts Open.

1993 PGA TOUR CHARITY TEAM COMPETITION: Phoenix Open

1992 SEASON: Had something of an inconsistent year in 1992, missing more cuts than he made. Started the year by only making two cuts out of his first seven events played... However, rebounded to finish in a tie for 13th at the Doral Ryder Open and picked up \$25,480 in the process... Was just three strokes out of the lead at the halfway point, after opening with a 4-under-par 68 and a 69... A 71 and a 70 left him seven strokes behind the winner Raymond Floyd... Had something of another barren stretch before turning it around at the Anheuser-Busch Golf Classic... Middle rounds of 68 and 66, followed by a 1-under-par 70 propelled him into a tie for sixth place... His 9-under-par 275 total was good for a check for \$35,612 his largest of the year... Closed out his year in strong fashion by also finishing tied for sixth at the Hardee's Golf Classic... Placed his first three rounds in the 60's before a 1-over 71 put him seven strokes behind the winner, David Frost... Collected \$32,375 for that week's work... Suffered a shoulder injury later in the year, which curtailed his play.

OTHER ACHIEVEMENTS: After losing his playing privileges on the PGA TOUR in 1990, joined the Ben Hogan Tour in 1991... Went on to win the first Hogan event that he entered, the Ben Hogan Yuma Open... Later in the year, won the Ben Hogan Macon Open in a playoff... Ultimately finished third on the money list, thus gaining full exempt status on the PGA TOUR in 1992... Best ever finish on the PGA TOUR was a T5 at the 1989 USF&G Classic... Won the 1986 Bermuda Open... Attended the University of Rhode Island on a football scholarship, before making the switch to golf.

SONY RANKING

Originally formulated in 1986, and approved by the PGA TOUR's Tournament Policy Board since 1990, the Sony Ranking is a computerized system which provides a reference source to the relative performances of the world's leading professional golfers.

The Sony Ranking is issued every Monday, following the completion of the previous week's tournaments from around the world. The official events from all the world's golf tours are taken into account. Points are awarded according to the players' finishing positions and the number and ranking of the players in the respective tournament fields.

The Masters Tournament, United States Open, British Open, PGA Championship and THE PLAYERS Championship are rated separately to reflect the higher quality of the events and the stronger fields participating.

The Sony Ranking is based on a three-year "rolling" period weighted in favor of the more recent results. Points accumulated in the most recent 52-week period are multiplied by four, points earned over the previous 52-week period are doubled and points from the first 52-week period are simply added to the total.

Each player is then ranked according to his average points per tournament, which is determined by dividing his total number of points by the number of tournaments he has played over that three-year period. There is a minimum requirement of 20 tournaments for each 52-week period.

For example, if a player was in 32 tournaments in the most recent 52 weeks, 15 tournaments in the previous 52 weeks, and eight tournaments in the first 52 weeks, his divisor would be 72 (32 plus 20 plus 20). A player who was in 32 tournaments in each of the three 52-week periods would have a divisor of 96 (32 plus 32 plus 32).

The winners of the Masters, U.S. Open, British Open and PGA Championship are awarded 50 points (x4) and the winner of THE PLAYERS Championship is awarded 40 points (x4), which also is the most points possible to be earned from winning any other tournament in the world. The winner of a tournament with a strong field would probably received approximately 25-30 points (x4).

Minimum points for the winners of official tour events have been set at six points for Asia and South Africa, eight points for Australia/New Zealand and Japan, and 10 points for Europe and the PGA TOUR. In addition, the PGA Championship in Europe has a minimum of 32 points (x4) for the winner, and the Open Championships of Australia and Japan have a minimum of 16 points (x4) for the winner.

Points are reduced proportionately for tournaments curtailed for 36 or 54 holes because of inclement weather or other reasons.

The Sony Ranking Advisory Committee, and an international panel which includes a representative from the PGA TOUR, meets periodically to review and monitor the Sony Ranking system in order to recommend refinements or modifications for the consideration of the Championship Committee of the Royal and Ancient Golf Club of St. Andrews, the sanctioning body of the Sony Ranking.

The Sony Ranking is available each week at PGA TOUR sites. The current top 20 through THE TOUR Championship follows.

RYDER CUP MATCHES

The Ryder Cup Matches developed from a match played between representatives of the American and British Professional Golfers' Association in England in 1926. That unofficial match, incidentally, was won by the British 13½ to 1½.

Following this highly successful exhibition, Samuel A. Ryder, a wealthy British seed merchant, offered to donate a solid gold trophy bearing his name to be competed for in a series of matches between professionals of the two nations.

From the start of the series through the 1959 Ryder Cup matches, the competition was comprised of four foursome matches one day and eight singles matches the other day, each at 36 holes.

In 1961, the format was changed to provide for four 18-hole foursomes the morning of the first day and four more that afternoon, then for eight 18-hole singles the morning of the second day and eight more that afternoon. As in the past, one point was at stake in each match, so the total number of points was doubled.

In 1963, for the first time, a day of four-ball matches augmented the program to add new interest to the overall competition. This brought the total number of points to 32.

In 1977, the format was altered once again. This time there were five foursomes on the opening day, five four-ball matches on the second day, and ten singles matches on the final day. This reduced the total number of points to 20.

For 1979, eligibility for the Great Britain-Ireland side was expanded to include all British PGA/European TPD members who are residents of European nations.

The 1993 Ryder Cup Matches will be played September 24-26, 1993 at The Belfry, Sutton Coldfield, England

THE RYDER CUP

The USA PGA squad selection is based upon an accumulation of Ryder Cup points from the beginning of the calendar year 1992 through the 1993 PGA Championship. The top ten point-getters qualify for the 12-man team. Then the U.S. Captain will select the final two players to complete the team.

Points are awarded to the first ten positions in each PGA TOUR event on the following basis with points being weighted towards the 1993 season:

PGA Championship, U.S. Open, Masters Tournament and the British Open (1992/1993): 1st-225/300; 2nd-135/180; 3rd-120/160; 4th-105/140; 5th-90/120; 6th-75/100; 7th-60/80; 8th-45/60; 9th-30/40; 10th-15/20.

All other PGA TOUR events (1992/1993): 1st-75/150; 2nd-45/90; 3rd-40/80; 4th-35/70; 5th-30/60; 6th-25/50; 7th-20/40; 8th-15/30; 9th-10/20; 10th-5/10.

If a player who is ineligible finishes in one of those positions, no points are awarded for that position. In order to be eligible, a player must be a U.S. citizen and a member of the PGA of America.

THE VARDON TROPHY

The Vardon Trophy is awarded each year by the PGA of America to the PGA TOUR player who posts the season's best scoring average. The system was amended in 1988 to allow all TOUR members to compete for the prestigious award provided they have played in 60 rounds. The new system also uses an "adjusted" score for purposes of computing the scoring average. The adjusted score is computed based upon the average score of the field at each tournament. As a result, a player's adjusted score may be higher or lower than his actual score. For example, a player shoots 70 each day at a tournament while the field average was 73. His 280 total would then be adjusted to 268 since he actually played 12 shots better than the field did during the tournament. The Vardon Trophy is a bronze colored plaque measuring 39" by 27".

PGA TOUR MARKETING PARTNERS

BUICK

Buick Motor Division is a long-time marketing partner of the PGA TOUR. The relationship between the TOUR and Buick over the last 29 years has led sponsorship of PGA TOUR tournaments across the country.

It all began with the Buick Open, now the PGA TOUR event with the longest continuing sponsorship. The tournament is played in Flint, Mich., Buick's "hometown." Each year, countless Buick employees use their vacation time to volunteer at the event, which they consider their own.

Buick's partnership with the PGA TOUR now includes the sponsorship of four tournaments: the Buick Open (Flint, Mich.); Buick Southern Open (Callaway Gardens, Ga.); the Buick Invitational of California (San Diego, Calif.); and the Buick Classic (Rye, N.Y.).

To enhance fan's awareness of Buick's tournaments, the company has set up a nationwide sweepstakes that encourages fans to test drive and register to win a Buick. The company has said its golf-related promotions are the most successful it has ever run.

COCA-COLA

For the second year, Coca-Cola will sponsor the Coca-Cola Scoreboards on the PGA TOUR. Coca-Cola, in partnership with IBM, has updated the scoreboards, making them timelier and easier to read.

Coca-Cola has provided the capital for the operation of the scoreboards, which display Coca-Cola's corporate logo. The boards provide current scores, statistical data and special reports.

Coca-Cola's relationship with the TOUR can also be seen on the local level. As part of the local package, the soft-drink giant sponsors Coca-Cola Clinics at nearly all tournaments. These events attract all ages each week and feature PGA TOUR members, who demonstrate a few fundamentals and increase interest in the sport.

IBM

In one of the most appropriate sports collaborations ever, IBM entered into an agreement with the PGA TOUR to develop the IBM Scoring System. This is an agreement which benefits everyone, from the players to the television networks to the spectators at each PGA TOUR event.

The IBM Scoring System is so fast that on-course information is ready just 30 seconds after a player completes a hole. Players and galleries know where the field stands at all times.

In addition to the information available on the scoreboards, IBM sets up "fan information centers" around the course. These multi-media setups allow fans to receive a wealth of timely information at the touch of a key at an IBM PC.

DELTA

Delta Air Lines is the "official airline of the PGA TOUR." Delta promotes air travel to golf destinations and keeps its Frequent Fliers abreast of PGA TOUR activities. News of the PGA TOUR appears in Delta's SKY Magazine and all Delta timetables feature schedules from the PGA TOUR and SENIOR PGA TOUR. TOUR members and staff receive special airfares.

MERRILL LYNCH

Merrill Lynch sponsors the popular Merrill Lynch Shoot-Outs at PGA TOUR, SENIOR PGA TOUR and Nike Tour events. The 10-man, nine-hole elimination competitions culminate at year-end finals. The Shoot-Outs are crowd pleasers wherever they are played. ABC will televise the Shoot-Out Final for the PGA TOUR. The SENIOR PGA TOUR Shoot-Out final will air on ESPN. Information on the 1992 Final can be found on page 366.

PGA TOUR MARKETING PARTNERS *continued*

SHARP'S

Sharp's is the "official non-alcoholic beverage" of the PGA TOUR and sponsors the Sharp's Shooters program, now in its third year. Whenever a PGA TOUR member makes a hole-in-one during an official co-sponsored event, the player, the tournament and a charitable organization will receive \$1,000. In addition, the player is entered in the year-end Sharp's Shooters Championship. Information on the 1992 competition can be found on page 367.

HILTON

Hilton Hotels will offer the Hilton Tournament and Course Record Challenge for the fourth consecutive year in 1993. Any player shooting a tournament or course record at a PGA TOUR or SENIOR PGA TOUR event, subject to the guidelines of the program, will receive a \$5,000 credit balance at any domestic Hilton Hotel. In 1992, ten tournament records and eight course records were rewarded through this program. Information about the 1992 program can be found on page 368.

MCI COMMUNICATIONS

MCI Communications provides free long distance telephone service in players' locker rooms at both PGA TOUR and SENIOR PGA TOUR events. MCI also provides PGA TOUR members and staff with MCI long-distance calling cards at discounted rates. The company also sponsors the MCI Heritage Classic each April on the PGA TOUR.

PGA TOUR MARKETING PARTNERS *continued*

EASTMAN KODAK

In its capacity as the "official copier and film products company of the PGA TOUR," the company also furnishes PGA TOUR headquarters with copiers and film supplies.

NATIONAL INTERRENT

National InterRent is the "official car rental company of the PGA TOUR" and offers excellent rental rates to PGA TOUR members and staff. National also supplies the courtesy cars for THE PLAYERS Championship. The company publicizes its relationship with the TOUR in its [Emerald Club Newsletter](#) for frequent renters.

ROYAL CARIBBEAN CRUISE LINE

Royal Caribbean is the "official cruise line of the PGA TOUR." The company offers special Golf Ahcy! cruises along with special cruise rates for PGA TOUR members. In 1993, for the fourth consecutive year, the Royal Caribbean Classic will be played on Key Biscayne, FL., as part of the SENIOR PGA TOUR.

MURATEC

Muratec, which specializes in the manufacture of facsimile machines, is another PGA TOUR licensee. As the TOUR's "official fax machine," Muratec offers special pricing to members. The company continues to sponsor the Murata Reunion Pro-Am, a SENIOR PGA TOUR event.

Official PGA TOUR Golf Destinations

CATALONIA, SPAIN

Catalonia, Spain, the newest PGA TOUR golf travel destination, received widespread publicity as host of the 1992 Summer Olympic Games. Soon, it may be equally well-known as a golf destination.

The courses in Catalonia are as diverse as the scenery. Seaside and mountain courses can be found at Costa Brava, north of Barcelona. To the South is the Mediterranean Sea, which is visible from nearly every course in the area. Finally, a course in the Pyrenees, two hours to the east, lets you play golf in the morning and, in the spring and fall, ski in the afternoon...or vice versa.

BRITISH COLUMBIA

British Columbia offers a wide variety of spectacularly beautiful golf travel opportunities.

Coastal Victoria and Vancouver courses allow play nearly year-round thanks to warm currents offshore. The central region gets the most sunshine of any part of the province, with plenty of golf available from April to October. The eastern mountains, meanwhile, offer some of the most spectacular and ruggedly beautiful golf in the world.

THE BAHAMAS

Golf has become, in recent years, an important part of any vacation getaway in The Bahamas. Five top Bahamian golf courses have joined forces with quality vacation resorts to offer a complete golf holiday. To ensure the best possible course conditions, each participating course receives advice on golf course maintenance from PGA TOUR Agronomy Services.

This cooperation from the tourism industry makes The Bahamas THE golf spot in the Caribbean.

Publications

Business Week

Once again in 1993, Business Week will publish two special supplements which deal exclusively with the PGA TOUR. In the spring, "The 1993 SENIOR TOUR Journal" will be published. "The Business of the PGA TOUR" will be published in mid-year.

Golf Magazine

Golf Magazine covers events on the PGA TOUR in TOUR Magazine. This insert appears in the magazine's January issue and as a handout at most PGA TOUR events. Golf Magazine also produces a supplement which is distributed at Nike Tour events.

Nicklaus to head PGA TOUR Partners

Jack Nicklaus, considered by many to be the greatest golfer in the history of the sport, has been named Chairman of PGA TOUR Partners.

"We are delighted that Jack has agreed to help lead this very important charity," said PGA TOUR Commissioner Deane R. Beman. "We are sure he will bring to it the same dedication and sense of purpose that has been evident throughout his career."

PGA TOUR Partners is a division of PGA TOUR Charities, and Nicklaus has been an avid supporter of the many good works of PGA TOUR Charities. Now that support will come in a new role as chairman and spokesman for PGA TOUR Partners.

"I am honored to become involved in PGA TOUR Partners, which will raise needed money for a number of local and national charities," Nicklaus said. "I look forward to my involvement and increasing commitment and support to charities. In addition to the benefits the Partner members receive, they are able to help the TOUR help others."

"We are very excited about Jack's willingness to serve in this way," said Leo McCullagh, Vice President, PGA TOUR Partners. "His participation will help make more golfers aware of this membership group and its contributions to charity."

Nicklaus, who has 70 career PGA TOUR victories and five SENIOR PGA TOUR victories to his credit, still competes on both tours. Among his victories are six Masters, five PGA Championships, four U.S. Opens, three British Opens and two U.S. Amateurs.

PGA TOUR Partners are entitled to a variety of benefits and privileges including a subscription to ON TOUR Magazine, one-day tournament passes, a copy of the PGA TOUR media guide and participation in the Partners Team Competition.

Anyone interested in joining can call **(800) 545-9920** or write to PGA TOUR Partners, P.O. Box 96808, Washington, DC 20077-7540.

MERRILL LYNCH SHOOT-OUT SERIES

Through seven winning seasons, the Merrill Lynch Shoot-Out Series will return in 1993, bigger and better than ever.

A ten man competition covering nine holes of play, the Merrill Lynch Shoot-Out Series will be held at 18 different PGA TOUR events in 1993 with the weekly winners collecting \$4,000 from the \$12,650 purse.

What is a Shoot-Out? The format is easy to understand and a pleasure to watch. Ten players begin. On each hole, the player with the highest score is dropped from the field. If there is a tie, those players participate in a sudden death playoff where a pitch shot, a chip or a long putt is executed to eliminate the player farthest from the hole.

Weekly Shoot-Outs: The 1993 Merrill Lynch Shoot-Out Series Competitions will be held on Tuesday of tournament week. The field for each Shoot-Out consists of that tournament's defending champion, the six leading money winners entered into that tournament and three sponsor selections.

Shoot-Out Championship: The field for the final competition consists of the top four money winners on the 1993 PGA TOUR Official Money List, the top three money winners from the season-long Shoot-Out Series and three sponsor selections. Ten players will vie for \$500,000 in prize money, with \$130,000 going to the winner. Chip Beck won the title in 1992 at Coeur d'Alene Resort in Idaho.

SHARP'S SHOOTERS

Designed to benefit the most perfect of all golf shots, the Sharp's Shooters program was a rousing success in its second year on the PGA TOUR, and promises more of the same for the 1993 campaign.

Weekly: For every hole-in-one made by a PGA TOUR member during an official tournament round, Sharp's pays \$3,000: \$1,000 to the player, \$1,000 to the tournament where the hole-in-one was made, and \$1,000 to a charitable organization designated by Sharp's and the PGA TOUR.

During the 1992 season, there were 33 holes-in-one made by 31 different players. Mark Calcavecchia and Nolan Henke each collected two aces during the year.

Year-End: In addition to the prize money earned during the year, a year-end Sharp's Shooter Championship is held in conjunction with THE TOUR Championship. All Sharp's Shooters, along with all of the contestants in The TOUR Championship, are given two non-consecutive shots at making a hole-in-one. Any player making a hole-in-one during the Championship receives \$1 million. Although no player made a hole-in-one in 1992, cash prizes were awarded for closest to the pin in each of the two rounds of the competition and results are listed below.

Charity: At the Sharp's Shooter Championship, the year-long charitable donation was awarded to the American Red Cross, earmarked for Hurricane Andrew relief. A total of \$40,000 was contributed to this fund.

The following players were Sharp's Shooters in 1992:

Mark Calcavecchia, Phoenix Open. **Bruce Lietzke**, Phoenix Open. **Greg Hickman**, AT&T Pebble Beach National Pro-Am. **Hal Sutton**, Northern Telecom Open. **Larry Rinker**, Buick Invitational of California. **Doug Martin**, Nissan Los Angeles Open. **Jay Delsing**, Nissan Los Angeles Open. **Ed Dougherty**, Nissan Los Angeles Open. **Chip Beck**, THE PLAYERS Championship. **Richard Zokol**, Freeport-McMoRan Classic. **Jeff Sluman**, Masters. **Corey Pavin**, Masters. **Bob Gilder**, MCI Heritage Classic. **Billy Mayfair**, BellSouth Classic. **John Inman**, Kemper Open. **Gil Morgan**, Federal Express St. Jude Classic. **David Edwards**, Buick Classic. **Brandel Chamblee**, Buick Classic. **Lon Hinkle**, Buick Classic. **Mike Smith**, Buick Classic. **Nolan Henke**, Centel Western Open. **Mark Calcavecchia**, Centel Western Open. **Brad Fabel**, Anheuser-Busch Classic. **Roger Maltbie**, Canon Greater Hartford Open. **Fran Quinn**, Canon Greater Hartford Open. **Jerry Anderson**, Canon Greater Hartford Open. **Scott Gump**, The International. **Nolan Henke**, The International. **Russ Cochran**, Greater Milwaukee Open. **Greg Kraft**, Canadian Open. **Ron Streck**, Hardie's Classic. **Jim McGovern**, Walt Disney World/Oldsmobile Classic.

CENTINELA FITNESS CENTER

The "Official Hospital of the PGA TOUR" since 1984, Centinela Hospital Medical Center in Inglewood, CA, again will sponsor the Centinela Hospital Fitness Center (CHFC) on TOUR in 1993.

One of the most popular innovations on the circuit, the CHFC is a mobile gymnasium that includes state-of-the-art exercise equipment, television, stereo, three treatment tables, various physical therapy modalities, and a full line of vitamins.

Staffed by qualified physical therapists, the CHFC travels to the vast majority of TOUR events across the country providing both rehabilitative and preventative care.

Through its first nine years on the TOUR, the Centinela Hospital Fitness Center has attracted the interest of virtually every player with at least 80% using the mobile unit on a regular basis. Housed in a 45-foot long trailer (expandable to 24' wide when parked), the Centinela Hospital Fitness Center enables TOUR pros to maintain peak levels of performance at absolutely no cost to the individual player.

According to Dr. Frank Jobe, Medical Director of the PGA TOUR and team physician to the Los Angeles Dodgers, "Centinela Hospital Medical Center provides each player with a personal physical conditioning program based on that individual's current level of conditioning." Dr. Jobe is assisted by Dr. Lewis Yocum, his associate and orthopedic consultant to the California Angels.

The CHFC has made its impact with many players finding the center and available technicians an invaluable aid to their success on the TOUR. In fact, many players have commented that they would have been unable to compete in some tournaments without the facility.

"If they had this setup several years ago" Fuzzy Zoeller said, "it might have saved me from having back surgery."

"If it wasn't for Centinela Hospital's Fitness Center," said Curtis Strange, "I wouldn't be here."

Centinela Hospital's Biomechanics Laboratory has done research and testing on professional golfers' swings and, based on the results, developed scientific exercise programs which are available through books and videotapes. These programs, designed by Dr. Jobe and Dr. Yocum, have helped countless golfers stretch their potential while minimizing their risk of injury. For more information, contact Centinela Hospital.

Coppertone (a product of Schering-Plough, Inc.), the leading manufacturer of skincare products in the country, began providing their products to the CHFC in 1989, including lip balm, insect spray and hair/scalp protection, in addition to sun screen.

Advil (a product of Whitehall Labs) has supported the Centinela Hospital Fitness Van by providing some of the leading pain-relievers available on the market today. As is the case with the other sponsors of this facility, Advil will also be exploring new ways of providing better healthcare products for golfers.

The products contributed by each sponsor of the Centinela Hospital Fitness Van have helped make the facility such a success that a similar Fitness Van was introduced on the Senior TOUR in late 1986.

PGA TOUR AND AGS DONATE RECORD \$22 MILLION TO CHARITY IN 1992

A record \$22,223,055 in charitable contributions was raised by PGA TOUR events in 1992.

The \$22.2 million figure, which topped the old record of \$20,191,000 set in 1990, included \$20.2 million from the American Golf Sponsors and a combined \$2 million from the PGA TOUR Charity Team Competition and the PGA TOUR Partners Team Charity Competition.

"This contribution clearly reflects the commitment to charity throughout our 45 tournament organizations," AGS President Eric Fredricksen said. "It would not be possible without the support of all corporate sponsors and the 53,000 tournament volunteer force associated with the AGS."

"This has been a wonderful year from the charity standpoint and it is especially impressive given the economic climate," said PGA TOUR Commissioner Deane R. Beman. "We are very proud of our charity record and extend congratulations and thanks to our players, corporate sponsors, volunteers and the AGS for making this all possible."

In September the TOUR and the AGS announced that overall charitable contributions from PGA TOUR events had reached \$200 million.

This year's figure raises to \$62.2 million the total given in the first three years of this decade. To put that figure into perspective, it took nearly 50 years (1938-1984) for TOUR events to generate that much in charitable contributions.

TOURNAMENT PLAYERS CLUBS

An original concept of the PGA TOUR, Tournament Players Clubs have within the decade of the '80s gone from a dream to a network that now encompasses 21 courses in 12 states and, with the addition of TPC International, two countries.

It was the TOUR's view that the spectator had been left out in golf course design throughout the years. When it came time for the PGA TOUR to build its own course, the opportunity presented itself to build a course that not only challenged the players but also allowed spectators to see the action as never before.

It's called "Stadium Golf"-- and once you've viewed a tournament on a Stadium Golf Course, you'll understand why the network has grown in such a short period of time.

Spectator mounds abound that afford fans unrestricted views whether on tee shots, fairway shots or on the greens. In fact, the 18th hole at the original TPC at Sawgrass can accommodate crowds of some 30,000 people--all with a clear view of the action. You won't see any periscopes at an event on a Players Club course.

The network began in 1980 with the club at Sawgrass, where it annually hosts THE PLAYERS Championship, and quickly grew into the present number of 21. All TPCs are designed to host PGA TOUR or SENIOR PGA TOUR events, and to date the clubs have been designed by some of the top architects in the business--Pete Dye, Arnold Palmer, Arthur Hills, Jay Morrish, Bob Cupp, the Von Hagge/Devlin team and Jack Nicklaus, to name just a few.

In addition, one of the things that adds a bit of spice to all TPCs is that a PGA TOUR player (or, in some cases, two) is assigned to serve as consultant to the designer. To date, Ed Sneed, Tom Weiskopf, Fuzzy Zoeller, Hubert Green, Craig Stadler, Ben Crenshaw, Al Geiberger and Chi Chi Rodriguez have been among those lending their expertise to the TPC Network.

In reality a nationwide country club, a membership at one TPC affords the member a chance to play at any of the other clubs across the country and an opportunity to view the greatest players in the world in action on his own course once a year.

Since the Tournament Players Club at Sawgrass opened, the TPC Network has now truly become "the best set of clubs in America."

PGA TOUR PRODUCTIONS

To Find a New Home in Saint Johns County

PGA TOUR Productions, the in-house television and video production company of the PGA TOUR, is planning a move to more spacious state-of-the-art facilities in St. Johns County, FL.

The planned move comes on the heels of one of the most exciting years in the history of PGA TOUR Productions. Most golf fans know PGA TOUR Productions by its award-winning "Inside the PGA TOUR" and "Inside the SENIOR PGA TOUR" which are broadcast each week on ESPN.

PGA TOUR Productions continues to produce a wide variety of programs such as the Merrill Lynch Senior Shootout, United Van Line Aces and the Chrysler Long Drive Championship. Productions also serves its worldwide clientele with travel videos, tournament and pro-am highlight programs, corporate promotional and sales videos and public service announcements.

A highlight of 1992 was a co-production with Bridge TV and the BBC on golf around the world entitled "Golf and All Its Glory." The six one-hour programs will be seen internationally.

Along with the latest in television and communication technology, PGA TOUR Productions, in association with the new PGA TOUR Hall of Fame, will house the world's most extensive library of golf footage.

The PGA TOUR Productions van covers TOUR events across the country.

PGA TOUR PRODUCTIONS (cont.)

The PGA TOUR Hall of Fame and PGA TOUR Productions will join the long list of attractions in St. Johns County. Vacationers from around the world flock to the area to enjoy a wide array of leisure activities.

Ponte Vedra Beach, in addition to being the home of the PGA TOUR, features elegant resorts with luxury accommodations, exquisite service and world-class amenities. Sailing, swimming and relaxing on quiet stretches of beach are favorite pastimes.

Just 30 minutes south of Ponte Vedra Beach is the historic city of St. Augustine, the oldest permanent European settlement in North America. The city's European heritage is evident today in the picturesque architecture and narrow streets of the restored Spanish Quarter, as well as many historic sites.

St. Johns County offers a number of exciting vacation spots. The PGA TOUR Hall of Fame will be a notable addition to that list.

"Inside the PGA TOUR" and "Inside the SENIOR PGA TOUR" are produced weekly by PGA TOUR Productions..

MEDIA REGULATIONS

THE GENERAL REGULATIONS

The following regulations are to be followed by *all* members of the Media:

1. An *ARMBAND* is *necessary* to walk inside the galley ropes. Stay within an arm's length of the ropes, so as to blend into the gallery and appear to be part of the gallery at all times.
2. Players are not to be distracted during play. **DO NOT** interview players or ask them to pose for photographs during their round.
3. **DO NOT** interview players or ask them to pose for photographs during their practice sessions prior to their round except by prior arrangement with the player.
4. If an interview is to be conducted in the practice areas, either the range or the putting green, it must be done by **PRIOR ARRANGEMENT WITH THE PLAYER** and up against the ropes and **NOT** in the middle of the areas where it could be distracting to other players.
5. **DO NOT** disturb players at their 18th green and/or scoring tent until after they have checked, signed and returned their scorecards.

WORKING PRESS REGULATIONS

To avoid embarrassment to you and distraction to the contestants:

1. Do not walk or stand in playing areas.
2. Follow directions of marshals and other officials.
3. Do not interview during play. The leading players each day—and others requested—will be interviewed following their rounds in the Media Room interview area.

TAPE RECORDER REGULATIONS

1. All tape recorder work should be done in the proximity of the Media Room and/or Clubhouse.
2. Tape recorders are **NOT** permitted in the locker room.
3. Tape recorders are **NOT** permitted within the playing area of the golf course unless written permission has been granted from the PGA TOUR and/or the tournament sponsor.

RAIN DELAY GUIDELINES

1. During rain delay situations, **NO ONE** other than players and essential staff will be permitted in the locker room. This means the Media is not permitted in the locker room in such situations. However, whenever possible, arrangements will be made to provide players for interviews during such situations.
2. Fully accredited members of the news media **WILL BE WELCOMED** into the locker room at all other times to carry out their assigned duties. (Note: Cameras and tape recorders are **NOT** permitted.)

This Tournament is essentially for the players and spectators. Fair play requires that there be no noise or distractions. The interests of all others must be subordinated to the player's interests. The result of any one shot could decide the Tournament.

Only **ACCREDITED PHOTOGRAPHERS** for **RECOGNIZED NEWS MEDIA** will be permitted to take pictures during the Tournament. Photo assistants may be issued a credential, but not photo arm bands for access inside the ropes. Photography will be restricted to news use. Commercial and personal photography is prohibited (except that spectators may take pictures on practice days and during a Pro-Am). Free lance photographers shooting on speculation will **NOT BE ACCREDITED**.

The following regulations apply to accredited news and television photographers and videotape cameramen as a condition of the privilege of taking pictures:

PHOTOGRAPHY REGULATIONS

GENERAL—ALL PHOTOGRAPHERS

- Photography will be restricted to NEWS use only. COMMERCIAL and PERSONAL photography is prohibited (except that spectators may take pictures on practice days and during a pro-am). Freelance photographers shooting on speculation WILL NOT BE ACCREDITED.
- A photographer must not ask a player to pose or in any way verbally distract a player during a round.
- If a player or an official requests that no photographs be taken in a certain situation, the request must be honored immediately, without discussion.
- A camera must not be pointed at a player about to make a stroke in any manner which might tend to disturb him or distract his attention.
- At the 9th and the 18th greens, photographers must not approach, delay or distract a player until he has checked, signed and returned his scorecard to the proper official. Under the Rules of Golf, a player turning in an incorrect scorecard in stroke play may be disqualified.
- Cameras are not permitted in the locker room.
- Use of golf carts or other means of transportation on the course during tournament play is prohibited.

STILL PHOTOGRAPHERS

- Only still photographers to whom armbands have been issued will be permitted inside gallery ropes. They must station themselves immediately inside such ropes, and not more than an ARM'S LENGTH FROM THE ROPES, so as to blend into the gallery and appear to be part of the gallery. They must not take conspicuous positions in the open. Any photographer who violates this regulation will forfeit the right to working inside the ropes and possibly to work at the tournament.
- Close-up action shots are prohibited.
- All pictures must be taken at appreciable distances, as far from the players as possible and from angles which are not acute to the line of play.
- When working at a green, photographers must not position themselves directly in a player's putting line.
- Pictures, even from a distance, may not be made until the player has completed his stroke. The photographer must not release his camera shutter until the shot is made.

TELEVISION/VIDEOTAPE CAMERAMEN

- Television and videotape filming may be done from inside the gallery ropes, or from areas approved by the PGA TOUR. All camera personnel who have been issued PHOTO armbands will be permitted inside the gallery lines but this does not include other members of the crew. Camera personnel must station themselves immediately inside the gallery lines, not more than an arm's length from those lines, so as to blend into the gallery. They must not take conspicuous positions in the open.
- The only EXCEPTIONS to the above regulation concern workers from the presenting network, or PGA TOUR Productions who have greater liberties in filming the event. Only these two groups will be allowed to move freely inside the ropes.
- Filming may be done from the locations described above during a player's stroke, provided modern equipment that produces a minimum of noise is used.
- Post-round interviews must be filmed far enough away from the arena of play to eliminate the possibility of distraction to those competing.

Difficulties will be avoided if photographers are fair and will treat players as they themselves would wish to be treated in similar circumstances.

The cooperation of all photographers will be appreciated.
