## A BRIEF HISTORY OF THE PGA TOUR

It is not always easy to discover the exact beginning of something. So it is with the PGA TOUR. Certainly there were professionals who competed against each other from the earliest days of the game.

In 1895, ten professional golfers and one amateur played in the first U.S. Open in Newport, RI. Shortly thereafter, tournaments began to pop up across the country. There was the Western Open in 1899. But this was not "tour" golf. The events lacked continuity.

Interest in the game, however, continued to grow. American professionals were rapidly improving. And when John McDermott became the first American-born player to win the U.S. Open, enthusiasm for the game blossomed.

Adding to this growth was a commercially backed exhibition by Englishmen Harry Vardon and Ted Ray. The duo travelled across the country and attracted good crowds wherever they stopped during the warmer months of 1913. A 20-year-old, Francis Ouimet, defeated the pair in a playoff for the United States Open Championship at Brookline, MA. Suddenly golf became front page news and a game for everyone.

In the early twenties, the PGA TOUR saw its first development. Tournaments were held on the West Coast, Texas and Florida. These events were held in the winter, and the golfers played their way east and up to Pinehurst in the spring. By the middle of the decade, the TOUR was doing relatively well--offering \$77,000 in total prize money.

The TOUR became more structured following World War II and exploded in the late 1950s and early '60s. Flip through the **Facts and Figures** section of this book and look at such areas as leading money winners and growth of tournament purses to witness the continuing growth.

When television became a player in the game, the eyes of the world were on golf. This exposure inspired millions to try the game and, at the same time, TV rights fees sent purses soaring. The bulk of these rights fees, which are distributed by the PGA TOUR to all co-sponsors, have gone back into the purses, accounting for the tripling of prize money in the last decade.

The touring professionals began to gain control of the TOUR in late 1968. Joseph C. Dey was the first Commissioner of what was then called the Tournament Players Division. He served from early 1969 through February 28, 1974, and was succeeded by Deane R. Beman, who took office March 1, 1974.

During Beman's administration, the value of tournament purses has escalated at an unprecedented rate: PGA TOUR assets have grown from \$730,000 in 1974 to over \$200 million today, and total revenues have increased from \$3.9 million to \$229 million in 1993.

Since 1938, PGA TOUR events have donated more than \$230 million dollars to charity. Of that total, \$84.7 million has been raised in the 1990s.

The competitive scope of the PGA TOUR also is much broader today. The Senior PGA TOUR is considered by many the sports success story of the 1980s. In 1994, the NIKE TOUR will enjoy its fifth season as a proving ground for professionals, taking golf to 30 additional markets.

Also continuing to grow is the Tournament Players Club Network. When the PGA TOUR opened the Tournament Players Club at Sawgrass in 1980, it introduced the era of Stadium Golf and record-breaking attendance. Owned and operated by the TOUR, the concept means these courses are the only major league sports arenas owned by the players themselves.

## ABOUT THE COMMISSIONER

### Deane R. Beman

Born: April 22, 1938

Birthplace: Washington, DC

Family: Wife, Judy; five children

Entering his 21st year as Commissioner of the PGA TOUR, since succeeding Joseph C. Dey, Jr., on March 1, 1974, Deane R. Beman has overseen the most explosive period of growth in the TOUR's history.

During the Beman administration, the "business side" of the PGA TOUR has shown dramatic growth and now includes many heretofore uncharted paths, each designed to help encourage continued prosperity and to ensure the future of the game.

PGA TOUR Golf Course Properties has grown to include 14 Tournament Players Clubs nationally with more clubs in the planning stage across the United States. TPC International was started in 1989 with a Players Club in Japan. The Golf Club of Jacksonville, a municipal course operated by the PGA TOUR for the city of Jacksonville, opened in 1989, followed by the Golf Club of Miami the next year. In addition to providing tournament state-of-the-art facilities, Tournament Players Clubs have been instrumental in the growth of the PGA TOUR assets, which have climbed from \$730,000 to more than \$200 million during the Beman era.

The marketing arm of the PGA TOUR continues to open new opportunities in golf for commercial sponsors and the TOUR's members. Long-term programs with Coca-Cola and IBM that were initiated in 1992 and NIKE replaced the Ben Hogan Company to form the NIKE TOUR in 1993. A new agreement with Anheuser-Busch this year is the latest in a long line of marketing efforts designed for the combined benefit of players, sponsors and charities.

PGA TOUR Partners was started in 1991 to enhance the golf experience for serious fans by giving them a unique, inside look at the PGA TOUR, and providing charitable support to worthy non-profit organizations. Just three years old, the Partners program now includes more than 80,000 members.

PGA TOUR Productions, created in 1985, is the TOUR's in-house TV/audio-visual production entity. Created to produce tournament highlight video films, vignettes, commercials, specialty pieces and the acclaimed "Inside the PGA TOUR," a weekly half-hour show airing on ESPN, Productions added "Inside the Senior PGA TOUR" in 1991.

Other important innovations introduced during the Beman administration include a professional agronomy department, PGA TOUR Statistics Program, electronic scoreboards, "Official Golf Destinations" and establishment of mobile fitness training centers, sponsored by Centinela. Competitively, the Beman era has witnessed the birth of the Senior PGA TOUR, which started with two events in 1980 and has grown to its present 43 events. The NIKE Tour, born in 1990, has been a success by all measures and has provided aspiring professionals with TOUR-like competition as a stepping stone to the PGA TOUR. In all there are 118 tournaments on the combined Tours, and total prize money has increased from \$8.2 million in 1974 to nearly \$100 million for the 1994 season.

The Player Retirement Plan was instituted in 1983 to help provide PGA TOUR members with a stable source of income upon retirement from tournament competition. At the time,

## COMMISSIONER...continued

establishment of the plan was viewed as a significant step towards bringing the TOUR closer to the ranks of other "major" sports with respect to player benefits.

Charity easily has been the TOUR's leading money winner during the Beman era. Reaching the \$22.8 million mark in 1993, the American Golf Sponsors and the PGA TOUR have donated more than \$84.7 million in the 1990s alone. In the fall of 1992, the TOUR and the American Golf Sponsors surpassed the \$200 million mark in donations since 1938.

During his active years as a player, Beman established an enviable record, including an outstanding amateur career. He won the U.S. Amateur title in 1960 and 1963 and the British Amateur Championship in 1959. Beman was a member of four Walker Cup teams, four World Amateur Cup teams and three U.S. America's Cup squads.

In 1967, at the age of 29, he left a prosperous insurance brokerage firm in Bethesda, MD, to join the PGA TOUR as a full-time player. During his six-year professional career, he won the 1969 Texas Open, 1970 Greater Milwaukee Open, 1971 Quad Cities Open (unofficial), 1972 Quad Cities Open and the 1973 Shrine-Robinson Classic before hanging up his spikes to become Commissioner in 1974.

## DEPUTY COMMISSIONER

### Timothy W. Finchem

Chief Operating Officer

Timothy W. Finchem has served as Deputy Commissioner of the PGA TOUR since 1990.

He has management responsibility for all TOUR operations as the organization's Chief Operating Officer.

He came to the TOUR from National Strategies and Marketing Group, a Washington, D.C., firm of which he was co-founder. At NS&MG, he represented the TOUR's legislative interests and was a marketing consultant for the Tournament Players Club network.

**1993 SEASON:** Disappointing season had somewhat successful aftermath when finished T5 in Lincoln Mercury Kapalua International, earning \$34,000...That showing, albeit in an unofficial event, provided positive conclusion to an otherwise "down" year...Began season with T15 in Tournament of Champions, then had only two top-10 finishes rest of way... After T9 in Buick Invitational of California in February, season turned flat...Only bright spot from that point forward T10 in New England Classic in July...\$25,000 paycheck for Pleasant Valley showing his official money high point...Tied course record with third-round 62.

**PERSONAL:** Classic example of how persistence pays...Entered Qualifying Tournament each year from 1981-89, earning card six times...Annual appearances in what he jokingly called his "favorite tournament of the year" ended in 1990...Noted that Q-Tournament is "survival" school: Your life's on the line. It's a whole year of your life in six rounds and six days".

## RYDER CUP MATCHES

The Ryder Cup Matches developed from a match played between representatives of the American and British Professional Golfers' Association in England in 1926. That unofficial match, incidentally, was won by the British 13½ to 1½.

Following this highly successful exhibition, Samuel A. Ryder, a wealthy British seed merchant, offered to donate a solid gold trophy bearing his name to be competed for in a series of matches between professionals of the two nations.

From the start of the series through the 1959 Ryder Cup matches, the competition was comprised of four foursome matches one day and eight singles matches the other day, each at 36 holes.

In 1961, the format was changed to provide for four 18-hole foursomes the morning of the first day and four more that afternoon, then for eight 18-hole singles the morning of the second day and eight more that afternoon. As in the past, one point was at stake in each match, so the total number of points was doubled.

In 1963, for the first time, a day of four-ball matches augmented the program to add new interest to the overall competition. This brought the total number of points to 32.

In 1977, the format was altered once again. This time there were five foursomes on the opening day, five four-ball matches on the second day, and ten singles matches on the final day. This reduced the total number of points to 20.

For 1979, eligibility for the Great Britain-Ireland side was expanded to include all British PGA/European TPD members who are residents of European nations.

The 1995 Ryder Cup Matches will be played September 21-24, 1995, at Oak Hill CC, Rochester, NY

# THE RYDER CUP

The 1995 U.S. Ryder Cup Team will be selected by way of Ryder Cup points earned from the beginning of 1994 through the 1995 PGA Championship. The top ten point-getters qualify for the 12-man team. Then the U.S. Captain will select the final two players to complete the team.

Points are awarded to the first ten positions in each PGA TOUR event on the following basis with points being weighted towards the 1995 season:

PGA Championship, U.S. Open, Masters Tournament and the British Open (1994/1995): 1st-225/300; 2nd-135/180; 3rd-120/160; 4th-105/140; 5th-90/120; 6th-75/100; 7th-60/80; 8th-45/60; 9th-30/40; 10th-15/20.

All other PGA TOUR events (1994/1995): 1st-75/150; 2nd-45/90; 3rd-40/80; 4th-35/70; 5th-30/60; 6th-25/50; 7th-20/40; 8th-15/30; 9th-10/20; 10th-5/10.

If a player who is ineligible finishes in one of those positions, no points are awarded for that position. In order to be eligible, a player must be a U.S. citizen and a member of the PGA of America.

## VARDON TROPHY

The Vardon Trophy is awarded each year by the PGA of America to the PGA TOUR player who posts the season's best scoring average. The system was amended in 1988 to allow all TOUR members to compete for the prestigious award provided they have played in 60 rounds. The new system also uses an "adjusted" score for purposes of computing the scoring average. The adjusted score is computed based upon the average score of the field at each tournament. As a result, a player's adjusted score may be higher or lower than his actual score. For example, a player shoots 70 each day at a tournament while the field average was 73. His 280 total would then be adjusted to 268 since he actually played 12 shots better than the field did during the tournament. The Vardon Trophy is a bronze-colored plaque measuring 39" by 27".

## PGA TOUR MARKETING PARTNERS

### ANHEUSER-BUSCH

One of golf's most enduring corporate supporters, Anheuser-Busch, is now one of the PGA TOUR's leading sponsors. The Michelob family of beers and the PGA TOUR have signed an agreement which crowns Michelob's association with the game, which now spans more than 30 years. As part of the partnership, O'Doul's, Anheuser-Busch's industry leading non-alcoholic beverage, will be the official non-alcoholic beer of the PGA TOUR and Senior PGA TOUR.

Through the years, Michelob, which is brewed by Anheuser-Busch, has sponsored thousands of local golf tournaments, a host of touring pros and a long list of professional tournaments.

Primary features of the new Michelob/PGA TOUR relationship include presenting sponsor rights for THE TOUR Championship, media-driven national sweepstakes, extensive participation in ESPN's TOUR coverage and heavy involvement on both TOURs with a unique interactive display called the "PGA TOUR 19th Hole."

In addition, O'Doul's TOUR program includes network television advertising, national point-of-sale promotions and tournament sampling opportunities.

### BUICK

Buick Motor Division is a long-time marketing partner of the PGA TOUR. The relationship between the TOUR and Buick over the last 30 years has led to sponsorship of PGA TOUR tournaments across the country.

It all began with the Buick Open, now the PGA TOUR event with the longest continuing sponsorship. The tournament is played in Flint, Mich., Buick's "hometown." Each year, countless Buick employees use their vacation time to volunteer at the event, which they consider their own.

## PGA TOUR MARKETING PARTNERS *continued*

Buick's partnership with the PGA TOUR now includes the sponsorship of four tournaments: the Buick Open (Flint, Mich.); Buick Southern Open (Callaway Gardens, Ga.); the Buick Invitational of California (San Diego, Calif.); and the Buick Classic (Rye, N.Y.).

To enhance fan's awareness of Buick's tournaments, the company has set up a nationwide sweepstakes that encourages fans to test drive and register to win a Buick. The company has said its golf-related promotions are the most successful it has ever run.

### COCA-COLA

For the third year, Coca-Cola will sponsor the Coca-Cola Scoreboards on the PGA TOUR. Coca-Cola, in partnership with IBM, has updated the scoreboards, making them more informative and easier to read.

Coca-Cola has provided the capital for the operation of the scoreboards, which display Coca-Cola's corporate logo. The boards provide current scores, weather advisories, statistical data and other vital information.

Coca-Cola's relationship with the TOUR also can be seen on the local level. As part of the local package, the soft-drink giant sponsors Coca-Cola Clinics at nearly every tournament site. These events attract fans of all ages and feature PGA TOUR members, who demonstrate fundamentals and increase interest in the sport.

### DELTA

Delta Air Lines is the "official airline of the PGA TOUR." Delta promotes air travel to golf destinations and keeps its Frequent Fliers abreast of PGA TOUR activities. News of the PGA TOUR appears in Delta's SKY Magazine, and all Delta timetables feature schedules from the PGA TOUR and Senior PGA TOUR. TOUR members and staff receive special airfares.

### IBM

In one of the most appropriate sports collaborations ever, IBM entered into an agreement with the PGA TOUR to develop the IBM Scoring System. This is an agreement which benefits everyone, from the players to the television viewers to the spectators at each PGA TOUR event.

The IBM Scoring System is so fast that scoring updates are seen just seconds after a player completes a hole. Players and galleries on the course know where the field stands at all times. Remote computers keep fans informed at other locations such as hospitality areas, host hotels, etc.

In addition to the information available on the scoreboards, IBM sets up "fan information centers" around the course. These multi-media setups allow fans to receive a wealth of timely information at the touch of a key at an IBM PC.

### MERRILL LYNCH

Merrill Lynch sponsors the popular Merrill Lynch Shoot-Outs at PGA TOUR, Senior PGA TOUR and Nike Tour events. The 10-man, nine-hole elimination competitions culminate at year-end finals. The Shoot-Outs are crowd pleasers wherever they are played. ABC will televise the Shoot-Out Final for the PGA TOUR from the Mid-Ocean Club, Tucker's Town, Bermuda. The Senior PGA TOUR Shoot-Out final, to be played at Manele Bay, Lanai, Hawaii, will air on ESPN. Information on the 1993 PGA TOUR Final can be found on page 365.

### EASTMAN KODAK

In its capacity as the "official film, photographic paper and processing company of the PGA TOUR," the company furnishes the PGA TOUR with film supplies for its photographers and on-site promotions staff.

### NATIONAL INTERRENT

National InterRent is the "official car rental company of the PGA TOUR" and offers excellent rental rates to PGA TOUR members and staff. National also supplies the courtesy cars for THE PLAYERS Championship. The company publicizes its relationship with the TOUR in its [Emerald Club Newsletter](#) for frequent renters.

### ROYAL CARIBBEAN CRUISE LINE

Royal Caribbean is the "official cruise line of the PGA TOUR." The company offers special Golf Ahoy! cruises along with special cruise rates for PGA TOUR members. In 1994, for the fifth consecutive year, the Royal Caribbean Classic will be played on Key Biscayne, FL., as part of the Senior PGA TOUR.

To acknowledge the dedication of thousands of volunteers throughout the year, Royal Caribbean will sponsor the "Volunteer of the Year" program on the PGA TOUR and Senior PGA TOUR in 1994. Four times a year, a volunteer from each TOUR will be selected to receive a complementary cruise for two from Royal Caribbean.

### Official PGA TOUR Golf Destinations

#### CATALONIA, SPAIN

Catalonia, Spain, the newest PGA TOUR golf travel destination, received widespread publicity as host of the 1992 Summer Olympic Games. Soon, it may be equally well known as a golf destination.

The courses in Catalonia are as diverse as the scenery. Seaside and mountain courses can be found at Costa Brava, north of Barcelona. To the South is the Mediterranean Sea, which is visible from nearly every course in the area. Finally, a course in the Pyrenees, two hours to the east, lets you play golf in the morning and, in the spring and fall, ski in the afternoon...or vice versa.

  
**Catalunya**

#### BRITISH COLUMBIA

British Columbia offers a wide variety of spectacularly beautiful golf travel opportunities.

Coastal Victoria and Vancouver courses allow play nearly year-round thanks to warm currents offshore. The central region gets the most sunshine of any part of the province, with plenty of golf available from April to October. The eastern mountains, meanwhile, offer some of the most spectacular and ruggedly beautiful golf in the world.

## PGA TOUR PARTNERS

The PGA TOUR Partners program gives its members the chance to look inside the PGA TOUR, with its players, tournaments and charities. The program was established in 1991 to help the fan get closer to the PGA TOUR. For an annual membership fee of \$38, the Partner receives many benefits including the Official Media Guide, an annual subscription to ON TOUR Magazine, a free ticket to a PGA TOUR event and the opportunity to compete in the Partners Team Competition game.

ON TOUR is a monthly publication which goes behind the scenes of the TOUR. It features players, golf tips, stories on the PGA TOUR players and their celebrity friends, a calendar of events and much more.

The PGA TOUR Partners Golf Classics allow the Partner to travel to some of the most exciting places in the world and play in a PGA TOUR-style tournament on some of the finest resort courses. This is an excellent opportunity for the Partner to play the courses the pros play for a great value.

The Partners Team competition is another privilege of the program. The Partner picks four players to represent his team throughout the year. The players' money winnings added together determine your standing against the other partners. The competition gives you a chance to win a number of exciting prizes, with the grand prize an all-expenses paid trip to THE TOUR Championship, including a spot in the Pro-Am.

Besides drafting a four-man team, each Partner picks a charity for his team to represent. The top 42 winners of the competition will win charity dollars for their chosen tournaments. Last year, the grand prize winner chose the NEC World Series of Golf as his designated charity, and the tournament received \$100,000 of the \$1 million charity fund.

The program is administered by the PGA TOUR Marketing Department under

the direction of Tom Wade, Vice President, Consumer Marketing. Patti Veale is the Program Manager.

The PGA TOUR Partners Program is an innovative program designed for fan enhancement, while supporting charities throughout the country.

## MERRILL LYNCH SHOOT-OUT SERIES

A ten-man competition covering nine holes of play, the Merrill Lynch Shoot-Out Series, now in its eighth season, will be held at 19 different PGA TOUR events in 1994 with the weekly winners collecting \$5,000 from the \$15,100 purse.

What is a Shoot-Out? The format is easy to understand and a pleasure to watch. Ten players begin. On each hole, the player with the highest score is dropped from the field. If there is a tie, those players participate in a sudden-death playoff where a pitch shot, a chip or a long putt is executed to eliminate the player farthest from the hole.

**Weekly Shoot-Outs:** The 1994 Merrill Lynch Shoot-Out Series Competitions will be held on Tuesday of tournament week. The field for each Shoot-Out consists of that tournament's defending champion, the six leading money winners entered into that tournament and three sponsor selections.

**Shoot-Out Championship:** The field for the final competition consists of the top three money winners on the 1994 PGA TOUR Official Money List and seven sponsor selections. Ten players will vie for \$500,000 in prize money, with \$130,000 going to the winner. Davis Love III won the title in 1993 at The Experience at Koele on the island of Lanai, Hawaii. The 1994 Merrill Lynch Shoot-Out Championship will be held September 26-27 at the Mid Ocean Club in Tucker's Town, Bermuda.

## CENTINELA FITNESS CENTER

The "Official Hospital of the PGA TOUR" since 1984, Centinela Hospital Medical Center in Inglewood, CA, again will sponsor the Centinela Hospital Fitness Center (CHFC) on TOUR in 1994.

One of the most popular innovations on the circuit, the CHFC is a mobile gymnasium that includes state-of-the-art exercise equipment, television, stereo, three treatment tables, various physical therapy modalities, and a full line of vitamins.

Staffed by qualified physical therapists, the CHFC travels to the vast majority of TOUR events across the country providing both rehabilitative and preventative care.

Through its first nine years on the TOUR, the Centinela Hospital Fitness Center has attracted the interest of virtually every player with at least 80 percent using the mobile unit on a regular basis. Housed in a 45-foot long trailer (expandable to 24' wide when parked), the Centinela Hospital Fitness Center enables TOUR pros to maintain peak levels of performance at absolutely no cost to the individual player.

According to Dr. Frank Jobe, Medical Director of the PGA TOUR and team physician to the Los Angeles Dodgers, "Centinela Hospital Medical Center provides each player with a personal physical conditioning program based on that individual's current level of conditioning." Dr. Jobe is assisted by Dr. Lewis Yocum, his associate and orthopedic consultant to the California Angels.

The CHFC has made its impact with many players finding the center and available technicians an invaluable aid to their success on the TOUR. In fact, many players have commented that they would have been unable to compete in some tournaments without the facility.

"If they had this setup several years ago," Fuzzy Zoeller said, "It might have saved me from having back surgery."

"If it wasn't for Centinela Hospital's Fitness Center," said Curtis Strange, "I wouldn't be here."

Centinela Hospital's Biomechanics Laboratory has done research and testing on professional golfers' swings and, based on the results, developed scientific exercise programs which are available through books and videotapes. These programs, designed by Dr. Jobe and Dr. Yocum, have helped countless golfers stretch their potential while minimizing their risk of injury. For more information, contact Centinela Hospital.

**Advil** (a product of Whitehall Labs) supports the Centinela Hospital Fitness Van by providing some of the leading pain-relievers available on the market today. As is the case with the other sponsors of this facility, Advil will also be exploring new ways of providing better healthcare products for golfers.

The products contributed by each sponsor of the Centinela Hospital Fitness Van have helped make the facility such a success that a similar Fitness Van was introduced on the Senior TOUR in late 1986.

## PGA TOUR AND AGS DONATE RECORD \$22.8 MILLION TO CHARITY IN 1993

PGA TOUR events raised a record charitable contribution of \$22,752,137 in 1993.

The \$22.8 million generated by TOUR events last year tops the \$22.2 million contributed in 1992 and boosts the overall contribution from PGA TOUR events to more than \$230 million since 1938.

"Each of our 45 tournament organizations have collectively made this record contribution possible," said American Golf Sponsors President Eric Fredericksen. "It is a tribute to the dedicated efforts of our tournament volunteers and local sponsors who support the TOUR weekly."

The final figure of \$22.8 million includes \$20.8 million from the tournaments and a combined \$2 million from the PGA TOUR's Team Charity and PGA TOUR Partners Team Charity Competitions.

"We are very proud of our players, tournament sponsors and tournament volunteers who make this type of announcement a yearly pleasure," said PGA TOUR Commissioner Deane R. Beman. "We are very excited about establishing another one-season record."

Since the formation of the AGS in 1977, record contributions have been made in 16 of the 17 years. In the decade of the 90s alone, some \$84.7 million has been raised for more than 900 charities represented by PGA TOUR events across the United States and Canada.

In September 1992 the TOUR and the AGS were proud to announced that they had surpassed the \$200 million mark in charitable contributions.

## SONY RANKING

Originally formulated in 1986, and approved by the PGA TOUR's Tournament Policy Board since 1990, the Sony Ranking is a computerized system which provides a reference source to the relative performances of the world's leading professional golfers.

The Sony Ranking is issued every Monday, following the completion of the previous week's tournaments from around the world. The official events from all the world's golf tours are taken into account. Points are awarded according to the players' finishing positions and the number and ranking of the players in the respective tournament fields.

The Masters Tournament, United States Open, British Open, PGA Championship and THE PLAYERS Championship are rated separately to reflect the higher quality of the events and the stronger fields participating.

The Sony Ranking is based on a three-year "rolling" period weighted in favor of the more recent results. Points accumulated in the most recent 52-week period are multiplied by four, points earned over the previous 52-week period are doubled and points from the first 52-week period are simply added to the total.

Each player is then ranked according to his average points per tournament, which is determined by dividing his total number of points by the number of tournaments he has played over that three-year period. There is a minimum requirement of 20 tournaments for each 52-week period.

For example, if a player were in 32 tournaments in the most recent 52 weeks, 15 tournaments in the previous 52 weeks, and eight tournaments in the first 52 weeks, his divisor would be 72 (32 plus 20 plus 20). A player who was in 32 tournaments in each of the three 52-week periods would have a divisor of 96 (32 plus 32 plus 32).

The winners of the Masters, U.S. Open, British Open and PGA Championship are awarded 50 points (x4) and the winner of THE PLAYERS Championship is awarded 40 points (x4), which also is the most points possible to be earned from winning any other tournament in the world. The winner of a tournament with a strong field probably would receive approximately 25-30 points (x4).

Minimum points for the winners of official tour events have been set at six points for Asia and South Africa, eight points for Australia/New Zealand and Japan, and 10 points for Europe and the PGA TOUR. In addition, the PGA Championship in Europe has a minimum of 32 points (x4) for the winner, and the Open Championships of Australia and Japan have a minimum of 16 points (x4) for the winner.

Points are reduced proportionately for tournaments curtailed for 36 or 54 holes because of inclement weather or other reasons.

The Sony Ranking Advisory Committee, and an international panel which includes a representative from the PGA TOUR, meets periodically to review and monitor the Sony Ranking system in order to recommend refinements or modifications for the consideration of the Championship Committee of the Royal and Ancient Golf Club of St. Andrews, the sanctioning body of the Sony Ranking.

The Sony Ranking is available each week at PGA TOUR sites. The top 20 as of Dec. 5, 1993, follows.

## TOURNAMENT PLAYERS CLUBS

An original concept of the PGA TOUR, Tournament Players Clubs have gone from a dream to a network that now encompasses 19 courses in 12 states and, with the addition of International TPC, two countries.

It was the TOUR's view that the spectator had been left out in golf course design throughout the years. When it came time for the PGA TOUR to build its own course, the opportunity presented itself to design a course that not only challenged the players but also allowed spectators to see the action as never before.

It's called "Stadium Golf"-- and once you've viewed a tournament on a Stadium Golf Course, you'll understand why the network has grown in such a short period of time.

Spectator mounds abound that afford fans unrestricted views whether on tee shots, fairway shots or on the greens. In fact, the 18th hole at the original TPC at Sawgrass can accommodate crowds of some 30,000 people--all with a clear view of the action. You won't see any periscopes at an event on a Players Club course.

The network began in 1980 with the club at Sawgrass, where it annually hosts THE PLAYERS Championship, and quickly grew into the present number of 19. All TPCs are designed to host PGA TOUR or Senior PGA TOUR events, and to date the clubs have been designed by some of the top architects in the business--Pete Dye, Arnold Palmer, Arthur Hills, Jay Morrish, Bob Cupp, the Von Hagge/Devlin team and Jack Nicklaus, to name just a few.

In addition, one of the things that adds a bit of spice to all TPCs is that a PGA TOUR player (or, in some cases, two) is assigned to serve as consultant to the designer. To date, Ed Sneed, Tom Weiskopf, Fuzzy Zoeller, Hubert Green, Craig Stadler, Ben Crenshaw, Al Geiberger and Chi Chi Rodriguez have been among those lending their expertise to the TPC Network.

In reality a nationwide country club, a membership at one TPC affords the member a chance to play at any of the other clubs across the country and an opportunity to view the greatest players in the world in action on his own course once a year.

Since the Tournament Players Club at Sawgrass opened, the TPC Network has now truly become "the best set of clubs in America."

## PGA TOUR PRODUCTIONS

PGA TOUR Productions is the television and video production company of the PGA TOUR.

Most fans know PGA TOUR Productions by its award-winning "Inside the PGA TOUR" and "Inside the Senior PGA TOUR" programs which are broadcast each week on ESPN. This year "Inside the PGA TOUR" is celebrating its 10th anniversary.

Productions is a diverse company delivering a wide range of services and talents to an international clientele. Their film capacity has expanded to include production of the TOUR's PSA campaign, as well as commercials and travel pieces. Additional programming includes made for TV events such as the Merrill Lynch Shoot-Out and United Van Lines Aces Championship, as well as tournament and pro-am highlight programs, corporate promotional and sales videos and home videos.

PGA TOUR Productions also serves its worldwide clientele by producing, in conjunction with the networks, international live telecasts of PGA TOUR events.

Along with the latest in television and communication technology, PGA TOUR Productions houses the world's most extensive library of golf footage. In the near future, PGA TOUR Productions will move its headquarters to the World Golf Village complex that will be located in St. Johns County, FL.

The PGA TOUR Productions van covers TOUR events across the country.

## WORLD GOLF VILLAGE

Florida's First Coast, home of the PGA TOUR since 1979, soon will be home to the World Golf Village, expected to be operational by 1995.

Situated in St. Johns County near St. Augustine and south of Jacksonville, the World Golf Village will offer year-round golf and resort facilities, not to mention three Halls of Fame. The World Golf Village's International Golf Museum and Hall of Fame will feature Halls for the PGA TOUR, the Daytona Beach-based LPGA, and the PGA of America, headquartered in Palm Beach Gardens, FL. The latter's World Golf Hall of Fame and artifacts will move from Pinehurst, NC to the World Golf Village.

In addition, there will be many other exhibits about the game and participation by other major golf groups: the United States Golf Association, Royal & Ancient Golf Club of St. Andrews, Augusta National Golf Club, the National Golf Foundation, and the Golf Writers Association of America, among others.

Ruffin Beckwith, Acting Executive Director of the World Golf Village and Chairman of the Advisory Board overseeing the World Golf Village project, has said: "I don't know of any other sport that can claim a project of this magnitude that all organizations within the sport support.

"It's a credit to (PGA TOUR) Commissioner (Deane) Beman's vision and a project of tremendous impact for St. Johns County and Northeast Florida."

Along with the Halls of Fame, the complex, situated along busy I-95, also will feature the national headquarters for PGA TOUR Productions, a four-star resort hotel, 36 holes of golf, and a golf academy. The PGA TOUR Hall of Fame will be designed with two goals in mind: (1) to honor the people involved in helping make the TOUR what it has become and (2) to provide an enriching and entertaining collection of exhibits for visitors.

The 6,300-acre development also will include 7,200 residential units, along with over six million square feet of office, commercial and industrial facilities. The complex, situated as it will be in the heart of Northeast Florida, will be convenient to major Florida metropolitan areas and provide a unique tourism and business destination.

# MEDIA REGULATIONS

## THE GENERAL REGULATIONS

The following regulations are to be followed by *all* members of the Media:

1. An *ARMBAND* is *necessary* to walk inside the galley ropes. Stay within an arm's length of the ropes, so as to blend into the gallery and appear to be part of the gallery at all times.
2. Players are not to be distracted during play. DO NOT interview players or ask them to pose for photographs during their round.
3. DO NOT interview players or ask them to pose for photographs during their practice sessions prior to their round except by prior arrangement with the player.
4. If an interview is to be conducted in the practice areas, either the range or the putting green, it must be done by **PRIOR ARRANGEMENT WITH THE PLAYER** and up against the ropes and NOT in the middle of the areas where it could be distracting to other players.
5. DO NOT disturb players at their 18th green and/or scoring tent until after they have checked, signed and returned their scorecards.

## WORKING PRESS REGULATIONS

To avoid embarrassment to you and distraction to the contestants:

1. Do not walk or stand in playing areas.
2. Follow directions of marshals and other officials.
3. Do not interview during play. The leading players each day—and others requested—will be interviewed following their rounds in the Media Room interview area.

## TAPE RECORDER REGULATIONS

1. All tape recorder work should be done in the proximity of the Media Room and/or Clubhouse.
2. Tape recorders are *NOT* permitted in the locker room.
3. Tape recorders are *NOT* permitted within the playing area of the golf course unless written permission has been granted from the PGA TOUR and/or the tournament sponsor.

## RAIN DELAY GUIDELINES

1. During rain delay situations, NO ONE other than players and essential staff will be permitted in the locker room. This means the Media is not permitted in the locker room in such situations. However, whenever possible, arrangements will be made to provide players for interviews during such situations.
2. Fully accredited members of the news media WILL BE WELCOMED into the locker room at all other times to carry out their assigned duties. (Note: Cameras and tape recorders are NOT permitted.)

This Tournament is essentially for the players and spectators. Fair play requires that there be no noise or distractions. The interests of all others must be subordinated to the player's interests. The result of any one shot could decide the Tournament.

Only ACCREDITED PHOTOGRAPHERS for RECOGNIZED NEWS MEDIA will be permitted to take pictures during the Tournament. Photo assistants may be issued a credential, but not photo arm bands for access inside the ropes. Photography will be restricted to news use. Commercial and personal photography is prohibited (except that spectators may take pictures on practice days and during a Pro-Am). Free lance photographers shooting on speculation will NOT BE ACCREDITED.

The following regulations apply to accredited news and television photographers and videotape cameramen as a condition of the privilege of taking pictures:

# PHOTOGRAPHY REGULATIONS

## GENERAL—ALL PHOTOGRAPHERS

- Photography will be restricted to NEWS use only. COMMERCIAL and PERSONAL photography is prohibited (except that spectators may take pictures on practice days and during a pro-am). Freelance photographers shooting on speculation WILL NOT BE ACCREDITED.
- A photographer must not ask a player to pose or in any way verbally distract a player during a round.
- If a player or an official requests that no photographs be taken in a certain situation, the request must be honored immediately, without discussion.
- A camera must not be pointed at a player about to make a stroke in any manner which might tend to disturb him or distract his attention.
- At the 9th and the 18th greens, photographers must not approach, delay or distract a player until he has checked, signed and returned his scorecard to the proper official. Under the Rules of Golf, a player turning in an incorrect scorecard in stroke play may be disqualified.
- Cameras are not permitted in the locker room.
- Use of golf carts or other means of transportation on the course during tournament play is prohibited.

## STILL PHOTOGRAPHERS

- Only still photographers to whom armbands have been issued will be permitted inside gallery ropes. They must station themselves immediately inside such ropes, and not more than an ARM'S LENGTH FROM THE ROPES, so as to blend into the gallery and appear to be part of the gallery. They must not take conspicuous positions in the open. Any photographer who violates this regulation will forfeit the right to working inside the ropes and possibly to work at the tournament.
- Close-up action shots are prohibited.
- All pictures must be taken at appreciable distances, as far from the players as possible and from angles which are not acute to the line of play.
- When working at a green, photographers must not position themselves directly in a player's putting line.
- Pictures, even from a distance, may not be made until the player has completed his stroke. The photographer must not release his camera shutter until the shot is made.

## TELEVISION/VIDEOTAPE CAMERAMEN

- Television and videotape filming may be done from inside the gallery ropes, or from areas approved by the PGA TOUR. All camera personnel who have been issued PHOTO armbands will be permitted inside the gallery lines but this does not include other members of the crew. Camera personnel must station themselves immediately inside the gallery lines, not more than an arm's length from those lines, so as to blend into the gallery. They must not take conspicuous positions in the open.
- The only EXCEPTIONS to the above regulation concern workers from the presenting network, or PGA TOUR Productions who have greater liberties in filming the event. Only these two groups will be allowed to move freely inside the ropes.
- Filming may be done from the locations described above during a player's stroke, provided modern equipment that produces a minimum of noise is used.
- Post-round interviews must be filmed far enough away from the arena of play to eliminate the possibility of distraction to those competing.

Difficulties will be avoided if photographers are fair and will treat players as they themselves would wish to be treated in similar circumstances.

The cooperation of all photographers will be appreciated.
