A BRIEF HISTORY OF THE NIKE TOUR

In January 1996, NIKE, Inc. and the PGA TOUR announced an extension of their agreement for sponsorship of the NIKE TOUR through the year 2000.

"NIKE has demonstrated a commitment to growing the game of golf, and this agreement will help us continue to build a strong foundation for the NIKE TOUR," said Commissioner Tim Finchem. "NIKE and the TOUR share many of the same goals and values, including promoting competition, building a global brand and dedication to charity. We are delighted that they will continued be our partners in the future."

"We view the NIKE TOUR as an opportunity for people with high aspirations," said NIKE Chairman and CEO Philip H. Knight. "Giving people a chance to compete is at the /heart of our company's being."

The NIKE TOUR, which is a collective effort among the PGA TOUR, NIKE and local civic organizations, was founded in 1990 to serve as a proving ground for up-and-coming golfers and also as a place for PGA TOUR veterans to prepare for careers on the Senior PGA TOUR.

NIKE TOUR graduates have certainly made the most of their opportunities on the PGA TOUR. Entering the 1996 season, 14 former members of the NIKE TOUR had won on the PGA TOUR, including 1991 PGA Championship and 1995 British Open champion John Daly, the first of the alumni to win on the PGA TOUR.

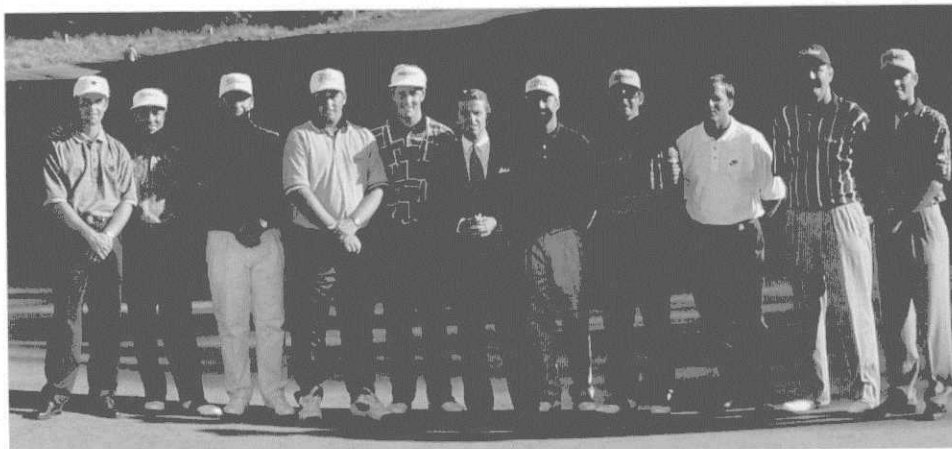

The past two seasons have been especially fruitful for the NIKE TOUR alumni as they have produced 13 PGA TOUR victories, including six in 1995 (for complete list of winners, see page 198).

When the NIKE TOUR began in 1990, as the Ben Hogan company-sponsored Ben Hogan Tour, the top five money-winners earned PGA TOUR membership. By the time NIKE took over as sponsor in 1993, that number had been increased to 10.

"The NIKE TOUR is doing exactly what we wanted it to do when we started it in 1990," said Finchem. "It has proved to be an excellent place for players to learn how to compete. The success the NIKE TOUR players have enjoyed on the PGA TOUR is ample proof of the high level of competition."

Another of the big successes associated with the NIKE TOUR are the \$1.5 million in charitable donations in 1995. NIKE TOUR events have generated approximately \$8.2 million for charitable concerns since 1990.

For additional information regarding charity and the NIKE TOUR, see page 198.

A MESSAGE FROM NIKE

THE PARTNERSHIP CONTINUES

The NIKE TOUR has been tremendously successful, thanks to positive responses and partnerships developed in our first three years. These partnerships include the PGA TOUR, NIKE TOUR players, golf fans from coast to coast, the media and local corporate sponsors. These partners have committed to revitalize the basic purpose of the TOUR when it was established:

1. Identify golf's "Next Generation of Champions."
2. Significantly benefit charities in those communities.
3. Bring PGA TOUR quality competitions to new cities.

Has it worked? We're convinced it has, and as a result, NIKE and the PGA TOUR have reached an agreement to extend NIKE'S sponsorship of the NIKE TOUR through the year 2000.

"We believe in the spirit of competition as represented by the NIKE TOUR," said NIKE Chairman and CEO Philip H. Knight. "Our focus, as it is in other sports, is leveling the playing fields and providing playing opportunities. We want to help the TOUR do the right thing for golf."

From a competitive viewpoint, the NIKE TOUR has reached new levels and the graduates continue to rise to the top of the money list on the PGA TOUR. Fourteen former NIKE TOUR players—Woody Austin, John Daly, Jim Furyk, Mike Heinen, Brian Henninger, Greg Kraft, Tom Lehman, Steve Lowery, Jeff Maggert, Jim McGovern, John Morse, Mike Springer, Mike Standly and Ted Tryba—have won on the PGA TOUR. NIKE TOUR alumni produced seven PGA TOUR wins in 1994 and six last year.

The players are not the only winners on the NIKE TOUR. NIKE TOUR pro-ams and special events helped raise \$1.5 million for charities last year, pushing donations to organizations such as the Boys and Girls Clubs of America and Special Olympics to more than \$8 million since the TOUR's inception. The NIKE TOUR is a major part of P.L.A.Y., NIKE'S nationwide program exhorting everyone to Participate in the Lives of America's Youth.

Local communities also have been big winners. NIKE TOUR events are played in parts of North America which otherwise might not get to see professional golf "up close and personal." Additionally, many of the best mid-sized cities in the country are able to generate deserved attention that goes along with hosting a major sports event.

Overall, the NIKE TOUR has experienced unprecedented success in NIKE'S first three years of involvement. At NIKE, we would like to thank the communities, players, corporate sponsors and media for making it successful. With your help, 1996 will bring continued success that will carry the NIKE TOUR to the next millennium.

A graduate of the University of Virginia School of Law, Finchem began his career as an associate of the Norfolk, VA law firm of Babalas & Ermlich in 1973 and became a partner in the firm of Croshaw, Finchem and Williams in Virginia Beach, VA in 1976.

Finchem served in the White House as the Deputy Advisor to the President for Economic Affairs in 1978 and 1979, then became National Staff Director of the Carter-Mondale Presidential Campaign in 1980.

In 1981, Finchem became President of Beckel, Finchem, Torricelli and Associates before becoming co-founder of National Strategies and Marketing Group, a Washington, DC consulting and marketing firm, in 1984. He was a consultant to the PGA TOUR while with NSMG.

Finchem joined the TOUR staff as Vice President of Business Affairs in 1987 and became Deputy Commissioner and Chief Operating Officer in 1989.

Born in Ottawa, IL on April 19, 1947, Finchem was graduated from Princess Anne High School in Virginia Beach. He attended the University of Richmond on a debate scholarship and received his Bachelor of Arts degree from the school in 1969. He received his degree from the University of Virginia Law School in 1973.

A physical fitness devotee, Finchem is a member of the President's Council on Physical Fitness.

Married to the former Holly Bachand, Finchem is the father of four. The Finchems live in Ponte Vedra Beach, FL.

The 1995 NIKE TOUR Player of the Year, Jerry Kelly earned his PGA TOUR card for 1996 with a NIKE TOUR single-season earnings record of \$188,878. Included in Kelly's 15 top-10 finishes were victories in the NIKE Alabama Classic and the NIKE Buffalo Open.

FAST FACTS:

RECORD YEAR FOR PLAYOFFS... Twelve of the 30 NIKE TOUR events in 1995 required a playoff to determine a winner, eclipsing the previous mark of nine in 1991. David Toms claimed two playoff wins last year (NIKE Greater Greenville Classic and NIKE Wichita Open). Tom Lehman (1991) and Jeff Maggert (1990) share the record with Toms for most playoff wins in a season. Tom Scherrer set the record for most consecutive playoffs with three. Scherrer won the 1995 NIKE Knoxville Open and then lost the NIKE Greater Greenville Open and NIKE Dominion Open the following two weeks. Scherrer also lost in a playoff in the 1994 NIKE Cleveland Open. Lehman (2-2), Scherrer (1-3) and Franklin Langham (1-3) share the mark for most career playoff appearances. Langham's lone NIKE TOUR victory came in a playoff at the 1993 NIKE Permian Basin Open. Three times he came up short in playoff appearances in 1995.

FAST FACTS:

The success of NIKE TOUR alumni on the 1995 PGA TOUR is well documented. In 41 of the 44 PGA TOUR events last year, at least one NIKE TOUR alumnus finished in the top 10. The three events where that did not occur were the Nestle Invitational, THE PLAYERS Championship and the Kemper Open. David Duval's eight top-10 finishes on the 1995 PGA TOUR were the most among NIKE TOUR alumni.

1995 NIKE TOUR FACTS & FIGURES

Sean Murphy earned 1993 Player of the Year honors with a season-record four victories: NIKE Central Georgia Open, NIKE Greater Greenville Classic, NIKE Utah Classic and NIKE Sonoma County Open. Murphy owns a NIKE TOUR career-record six titles, including the 1992 Louisiana Open and the 1995 NIKE Philadelphia Classic.

With three victories and earnings of \$141,934, Tom Lehman was NIKE TOUR Player of the Year for 1991. On the PGA TOUR, Lehman has won the 1994 Memorial Tournament and the 1995 Colonial National Invitation. He also was a member of the 1994 Presidents Cup and 1995 Ryder Cup teams.

ADDITIONAL INFORMATION

NIKE TOUR CHARITABLE DONATIONS TOTAL EXCEEDS \$8.2 MILLION

The NIKE TOUR has generated approximately \$8.2 million for charity since the first-ever event was won by Mike Springer in Bakersfield, CA February 4, 1990.

The amount raised by NIKE TOUR tournaments in 1995 was approximately \$1.5 million. In 1995, total charity dollars from the PGA TOUR, Senior PGA TOUR and NIKE TOUR exceeded the \$30 million mark for the second year in a row.

Last year, the PGA TOUR set an all-time record for charitable dollars with \$25.2 million, surpassing the mark of \$24.7 million established in 1994.

The 1938 Palm Beach Invitational, the first charity donation tournament, raised \$10,000. Since that event, more than \$275 million has been raised by the tournaments on the three tours operated by the PGA TOUR.

The \$300 million barrier will fall sometime during the 1996 season.

"We are very proud that our events have such a positive impact on the communities in which they are played every year," said PGA TOUR Commissioner Timothy W. Finchem. "Providing the very best playing opportunities for our members while contributing to charities are at the heart of everything we do."

"The staff at the tournaments on all three TOURs and the thousands of volunteers who work at our events deserve a great deal of credit for what they accomplish in their communities week in and week out," Finchem noted.

WORLD GOLF VILLAGE

Florida's First Coast, home of THE PLAYERS Championship since 1977 and the PGA TOUR since 1979, will soon welcome one of the most exciting projects in the history of the game of golf: the World Golf Village.

Situated on Interstate 95 in St. Johns County, just 22 miles south of Jacksonville and eight miles northwest of St. Augustine, the World Golf Village will offer year-round golf and resort facilities, anchored by the new 75,000-square-foot World Golf Hall of Fame. Additional amenities will include a major hotel and conference center, 54 holes of golf, a PGA TOUR Golf Academy, both corporate and vacation villas, an upscale festival shopping area, the International Golf Library and Resource Center, new video and television studios for PGA TOUR Productions, a Mayo Clinic Sports Medicine facility and more. The first phase of the World Golf Village is scheduled to open in late 1997.

The new Hall of Fame will contain a 325-seat, big-screen theater, along with 36,000 square feet of exhibits that balance the history and traditions of the game with more contemporary interactive exhibits. They are being designed by Ralph Applebaum Associates of New York, designers of the acclaimed Holocaust Museum, and the work is being overseen by an Advisory Board that includes representatives of all major golf organizations, among them the PGA TOUR, LPGA, PGA of America, USGA, Royal & Ancient, Augusta National, National Golf Foundation and the PGA Tours of Europe, South Africa, Australasia and Japan.

"This endeavor represents the first time that all the major entities in the game have united behind a project of this magnitude," says World Golf Village Executive Director Ruffin Beckwith. "We believe this is destined to become something very special for the game of golf, for its great players and for all its fans and supporters."

Also within the building will be exhibits honoring the members of the restructured World Golf Hall of Fame, which includes all inductees into the old World Golf Hall of Fame in Pinehurst, NC, as well as all members of the LPGA Hall of Fame. Details of the restructuring will be announced later this year, with the first elections under the new structure to occur shortly thereafter.

"Nothing is as important to the game as the great players and other individuals who have contributed to golf's traditions of honor, integrity and competitive excellence," Beckwith said. "More than anything, we hope this new facility is an appropriate tribute to their accomplishments."

The World Golf Village is part of a 6,300-acre development called St. Johns, which will also include 7,200 residences and more than six million square feet of office, commercial and industrial space.

NIKE TOUR MEDIA REGULATIONS

General Regulations:

The following regulations are to be followed by *all* members of the media:

1. An armband is necessary to walk inside the gallery ropes. Remain not more than an arm's length from the ropes, so as to blend into the gallery and appear to be a part of the gallery at all times.
2. Players are not to be distracted during play. Do not interview players or ask them to pose for photographs during their rounds.
3. Do not interview players or ask them to pose for photographs during their practice sessions before a round, except by prior arrangement with the player.
4. If an interview is to be conducted in the practice areas, either the range or the putting green, it must be done by prior arrangement with the player, up against the ropes and not in the middle of the areas where it could be distracting to other players.
5. Do not disturb players at their 18th green and/or scoring tent until after they have checked, signed and returned their scorecards. Media are not allowed in the scoring tent.

Working Press Regulations:

To avoid embarrassment to you and distraction to the contestants:

1. Do not walk or stand in playing areas.
2. Follow directions of marshals and other officials.
3. Do not interview during play. The leading players each day -- and others requested -- will be interviewed following their rounds in the Press Room interview area.

Tape Recorder Regulations:

1. All tape recorder work should be done in the proximity of the Press Room and/or clubhouse.
2. Tape recorders are not permitted in the locker room.
3. Tape recorders are not permitted within the playing area of the golf course unless written permission has been granted from the NIKE TOUR.

Weather Delay Guidelines:

However, whenever possible, arrangements will be made to provide players for interviews during such situations.
2. Fully accredited members of the news media will be welcome in the locker room at all other times to carry out their assigned duties. (Note: Cameras and tape recorders are not permitted in the locker room.)

Commercial exploitation of these likenesses without written consent of the players and the NIKE TOUR is prohibited.

Cameras may be used only by accredited media representatives who have been assigned photo credentials, and such use is subject to the following conditions:

5. Players should not be asked to pose during a round.
6. Noise-free equipment must be used at all times.
7. Cameras are not permitted in the scoring tent or in the locker rooms.

The Photographer shall indemnify, defend and hold the Tournament and the NIKE TOUR and their respective officers, agents, representatives, successors and assigns harmless from and against any and all expenses, lawsuits, damages, costs and liabilities (including reasonable attorney's fees and expenses) incurred by, arising from or in connection with (1) the unauthorized use of photographs taken by the Photographer, whether such unauthorized use is by the Photographer, the company designating the Photographer to use the credential on its behalf, or some third party to whom the photographs are distributed; (2) any injuries resulting from acts or omissions by the Photographer or some third party to whom the Photographer directly or indirectly distributed the material; (3) any cameras, wires, cables or other equipment brought to the premises by the Photographer, or (4) the use of any photographs of any matter other than coverage of the Tournament.

2. All highlights coverage must be part of regularly scheduled news and/or sports programs.
3. Highlights from any day's play may not be broadcast or used for any other purpose after seven days from the conclusion of play each day.
